Richard Montauk

Grad School Handbook An Insiders Guide To Getting In And Succeeding:

The Grad School Handbook Richard Jerrard, Margot Jerrard, 1998 Two academic insiders reveal everything readers need to know about the grad school experience from applying and financing to the post degree job hunt

The Graduate School Funding Handbook April Vahle Hamel, 2002 A comprehensive up to date guide for students seeking financial support for graduate school in the United States or abroad This slim 147 page volume packs the most useful advice on how to apply why to apply and where to apply Beyond practical advice on applications the book contains valuable career guidance that will help students professionalize Communicator

Graduate Study in Psychology Tara L. Kuther, 2004 In *Graduate Study in Psychology Your Guide to Success* author Tara Kuther takes the reader step by step through the graduate admissions process She begins with posing the question of whether graduate school is right for everyone and the differences between pursuing a master's degree or a doctoral degree The following chapters contain information regarding what graduate school is like how to evaluate and choose the right graduate program for you and what graduate schools are looking for in an applicant Kuther also addresses how to improve an applicant's chances of getting selected for graduate school by improving credentials and obtaining research and applied experience during college This book offers advice on how to seek financial aid to fund graduate education and a timetable for complying with admission application requirements There are chapters that detail how to study for the Graduate Record Exam how to write an admissions essay how to prepare for interviews and how to ask for letters of recommendation Each chapter concludes with tips from graduate students about each challenge encountered *Graduate Study in Psychology* closes with an appendix of resources and recommended readings and websites to help the reader at each stage of choosing applying to and succeeding in graduate school

Journey to the Ph.D. Anna L. Green, LeKita V. Scott, 2023-07-03 As a new generation of African Americans completes college an increasing number of students are aspiring to the Ph.D. as a stepping stone to a career in the academy and to fully participate in shaping our society Most African Americans are conscious that they are the first in their families to embark on this journey They are aware they will meet barriers and prejudice are likely to face isolation and frustration and find few sources of support along the way This book by twenty four Black scholars who have been there offers a guide to aspiring doctoral students to the formal process and to the personal emotional and intellectual challenges they are likely to face The authors come from a wide range of disciplines from computing education and literature to science and sociology Although their experiences and backgrounds are as varied as they are as individuals their richly diverse chapters cohere into a rounded guide to the issues for those who follow in their footsteps From questioning the reader about his or her reasons for pursuing a doctorate offering advice on financial issues the choice of university and doctoral program and relocation through the process and timetable of application interviews acceptance and rejection the authors go on to describe their own journeys and the lessons they have learned These men and women write candidly about their experiences the strategies they used to maintain their motivation

make the transition from HBCUs to PWIs balance family and work make the right choices and keep focussed on priorities They discuss how to work effectively with advisors and mentors make all important connections with teachers and build professional and personal support networks They recount how they dealt with tokenism established credibility handled racism maintained their values and culture and persuaded supervisors to legitimize their research interests in African American issues This is both an inspirational and practical book for every African American considering pursuit of a doctoral degree
