Grading Teachers Grading Schools Is Student Achievement A Valid Evaluation Measure:

Grading Teachers, Grading Schools Jason Millman, 1997-08-15 In an extensive review of teacher and school evaluation one is not likely to find an issue more divisive than the question of how best in high stakes contexts to evaluate how well teachers and schools accomplish their task of educating students This book explores four contemporary approaches to evaluating the effectiveness of teachers and schools Linking Teacher Evaluation and Student Learning Pamela D. Tucker, James H. Stronge, 2005 Tucker and Stronge explore a variety of ways to include measures of student achievement in teacher evaluations so that teachers can better focus efforts to improve their practice **Teacher Evaluation and Student Achievement** James H. Stronge, Pamela D. Tucker, 2000 This book discusses four approaches to incorporating student achievement in teacher evaluation Seven chapters discuss 1 Teacher Evaluation and Student Achievement An Introduction to the Issues 2 What is the Relationship between Teaching and Learning e g whether teachers are responsible for student learning and how to measure student learning 3 Assessing Teacher Performance through Comparative Student Growth The Dallas Value Added Accountability System 4 Assessing Teacher Performance through Repeated Measures of Student Gains The Tennessee Value Added Assessment System 5 Assessing Teacher Performance with Student Work The Oregon Teacher Work Sample Methodology 6 Assessing Teacher Performance in a Standards Based Environment The Thompson Colorado School District and 7 Teacher Evaluation and Student Achievement What are the Lessons Learned and Where Do We Go from Here e g basic requirements of fair testing programs that are to be used to inform teacher evaluation Chapters 3 6 include information on the purposes of the accountability system and how it was developed student assessment strategies how the accountability system works how the accountability system relates to teacher evaluation the advantages and disadvantages of the accountability system for teacher evaluation and results of implementation Contains 66 references SM **Effective Teachers=Student Achievement** James Stronge, 2013-07-23 Research has shown that there is no greater influence on a student's success than the quality of his or her teacher This book presents the research findings which demonstrate the connection between teacher effectiveness and student achievement Author James Stronge describes and explains the value added teacher assessment research that has emerged in the past decade and demystifies the power and practices of effective teachers Looking Back Neil J. Dorans, Sandip Sinharay, 2011-07-15 In 2006 Paul W Holland retired from Educational Testing Service ETS after a career spanning five decades In 2008 ETS sponsored a conference Looking Back honoring his contributions to applied and theoretical psychometrics and statistics Looking Back attracted a large audience that came to pay homage to Paul Holland and to hear presentations by colleagues who worked with him in special ways over those 40 years This book contains papers based on these presentations as well as vignettes provided by Paul Holland before each section The papers in this book attest to how Paul Holland's pioneering ideas influenced and continue to influence several fields such as social networks causal inference item response theory equating and DIF He applied statistical thinking to a

broad range of ETS activities in test development statistical analysis test security and operations The original papers contained in this book provide historical context for Paul Holland s work alongside commentary on some of his major contributions by noteworthy statisticians working today **Resources in Education** ,1998-05 *Measurement Issues and Assessment for Teaching Quality* Drew H.
