Grail Williston Merrick Ford, 2011-10-01 **The Grail Legend in Modern Literature** John Barry Marino, 2004 The Grail legends have in modern times been appropriated by a number of different scholarly schools of thought their approaches are analysed here This study shows how modern including postmodern adaptations of the Grail legend correspond to trends in the scholarly community and how the legend has been appropriated by competing world views There are three parallel trends in Grail scholarship and modern adaptations of the legend controversy over Christian or pagan origins secularization by way of humanism and esoteric mysticism These three trends reflect movements in popular culture Relativism and multiculturalism influence Christian pagan cultural conflict in the adaptations Mythographers maintain the legend's appeal in a humanist culture by considering the Grail metaphor rather than material actuality modern adaptations then transform the Grail from a particularly Christian symbol to one with universal application in an increasingly secular society Modern esoteric spiritualities allow the Grail actuality with flexible meaning This study then demonstrates how the Grail legend is transformed and adapted from medieval to modern cultures and continues to evolve today JOHN B MARINO is adjunct instructor Maryville University and Saint Louis University *Arthurian Literature by Women* Alan Lupack, 1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informal company *Arthurian Literature X* Richard Barber, 1991-01-24 The tenth volume of *Arthurian Literature* continues some of the themes of earlier issues as well as exploring unfamiliar and controversial ground The second part of CHRISTINE POULSON's survey of the Arthurian legend in 19th century art is an analysis by subject of the works catalogued by artist in *Arthurian Literature IX* A H W SMITH provides a substantial update to Mary Wildman's bibliography of modern Arthurian literature which appeared in *Arthurian Literature II* adding not only recent works but also many items missing from the earlier list Mr Smith also contributes an article on Ponticus Virumnius and the text of Gildas one of the more intriguing mysteries of Arthurian text history and sets out Virumnius' claim to have seen a poem by Gildas which has since disappeared ARMEL DIVERRES writes on the origins of Chrétien de Troyes' *Conte del Graal* he argues that we should seek the poet's inspiration in the crusading activities of Philip of Flanders supporting his case with a careful examination of many otherwise difficult passages in the poem *A Bibliography of Modern Arthuriana (1500-2000)* Ann F. Howey, Stephen Ray Reimer, 2006 Annotated bibliography of the Arthurian legend in modern English language fiction not only in literary texts but in television music and art The legend of Arthur has been a source of fascination for writers and artists in English since the fifteenth century when Thomas Malory drew together for the first time in English a variety of Arthurian stories from a number of sources to form the *Morte d'Arthur* It increased in popularity during the Victorian era when after Tennyson's treatment of the legend not only authors and dramatists but painters musicians and film makers found a source of inspiration in the Arthurian material This interdisciplinary annotated bibliography lists the Arthurian legend in modern English language fiction from 1500 to 2000 including literary texts film
