Patterns of Peacemaking A. Briggs, E. Meyer, David

Thomson,2013-10-08 This is Volume XIII of eighteen in a series on Political Sociology Originally published in 1945 this books makes a systematic survey and analysis as objective as possible of the tendencies most likely to govern peace making The authors intended to avoid making any specific recommendations of their own as to how the labours of peace making should be undertaken and to confine themselves to a study of how they were likely to be undertaken in the light of past experience contemporary proposals and the present alignment of political powers in the world In the process of study discussion and writing all three authors arrived at certain more definite conclusions At the same time the course of events and the increasingly clear trend of official policies seemed to justify more positive assertions and more constructive suggestions than had at first been thought possible The book therefore takes its present hybrid form of systematic analysis carried forward to certain statements and even recommendations

Evolving Creativity Anand Rishi,2018-10-20 For far too long we have believed that science and religion are diametrically opposite lines of enquiries We have always believed that science investigates the truth about the outer world and religion investigates our inner world However the reality is one the outer and the inner are nothing but utilitarian divisions In the end they describe the same reality from different perspectives To accept and aid this reality humanity has to alter its perception about how it views Science and Religion Time has come for us to nurture people who have the hearts of a Mystic and the Minds of the Scientist these are the people who can reveal the entire mystery of this Universe to us These are the people I would like to call as the spiritual scientists Swethketu the main character is a spiritual scientist who not only endeavors to know himself but he also endeavors to know how this gigantic ever expanding Universe functions In the end he finds out that both his quests leads him to a common reality The entire Universe is an organic whole it is a living entity and we are the very soul of this living Universe The story of our Universe is about continuous Evolving Creativity and I hope that like Swethketu we will all learn to fall in tune with it

The Top Books of the Year Grand Design The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. Grand Design : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Grand Design : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
