Arrington, From studying Paul's letter to the Romans we can learn the content of the Christian faith like nowhere else in the New Testament Paul's words are loaded with divine truth and require careful study and thought Indeed the letter to the Romans is a theological jewel but Paul's discussions in the letter are sensible and practical As the name of the letter indicates Paul wrote it to a church in a city known as Rome At the same time without knowing it he wrote it to the whole world and for all the ages supporting the efforts of cross cultural ministry and providing a key to understanding the Bible So even though this great letter was addressed to the saints in Rome during the first century its message is eternal and its mandates are universal French L. Arrington *7 Greatest Words of the Greatest Man Ever Lived* Rev. Dr. T. P. Samuel Stuart, 2024-03-18
