Wilkes,2021-03-02 Hope is part of the spiritual vocabulary of the believer in Jesus Christ The word is found abundantly in the Scriptures We speak of it in our testimonies and fellowship We sing about it in our corporate worship Yet it would seem at times that our concept of hope is understood in merely some vague way Hope seems like an abstraction something we consider only theoretically not something that really matters or makes a difference However biblical hope is a gospel grace that provides joy and endurance for our lives right now A Hope Filled Life seeks to define biblical hope and provide a practical theology for understanding and applying it to our lives Hope is indeed not an optional add on but a vital necessity Embracing the many truths about hope in the Scriptures strengthens our hearts As we run the race set before us we must grow in our understanding that Jesus Christ is truly our great Savior and our sure and steadfast hope      Bunyan Characters Alexander Whyte,1895      The Kentucky African American Encyclopedia Gerald L.
