amuse them but it's all in good fun. All things considered Jaxx is content. Sometimes he wishes his life were more exciting but he loves the farm. He works hard, stays fit and gets to spend his free time in the village with his friends. Jaxx's luck hasn't been too good lately. He's looking forward to his birthday celebration at the pub. Maybe his luck will change for the better once he turns eighteen. Probably not. Jaxx just isn't that lucky. Dear reader, it's time to let you in on a secret. Jaxx doesn't know his luck is about to change for the worse. He's about to be thrust into a world he couldn't even imagine. A world of magic, danger and challenges. A world of impossibilities. A world he may never be able to escape. *The Invidia of Jack* Harold Cheney

Jr., 2015-02-20. Deep in the heart of Eastshire there is a valley. Whatever name might be given to it in the proper geographies it is known to most if not all of the people of the Shire as The Dark Valley. This Dark Valley is located in the most remote district of Eastshire. It is sparsely populated. Indeed the population consists of but a handful of families. These families have lived apart from the other people of Eastshire for uncounted generations. The same isolation holds for the cats who live there. And it is the cats and one special cat of the Dark Valley that constitute the very heart of this story. This particular cat proves to be The Invidia of Jack of Tabbyshire. To the ancients the Greeks and Romans the Invidia held a special place somewhat akin to the better known Nemesis. But where the Nemesis is the agent of the gods in fighting Hubris and enforcing Justice, Invidia embodies the Envy and Jealousy that evidences itself in a dog in the manger or what is yours should have been mine attitude and life style. And Jack does have his Invidia. In this tale he will encounter his Invidia. How will he counter his Invidia? Can he? Or will he need some help from an unexpected source? This tale recounts this final mission of our Lord Jack of Tabbyshire. Corrie's Timeless Travels and Travails Iain H C Morrison, 2015-09-28. Corrie and the Time Arch. Corrie has been enjoying a normal Saturday playing football and taking the dog out. Then time actually seems to stand still and this creates all sorts of problems. She encounters some interesting and dangerous people, time and space. Corrie's own native wit helps set her and her new friends free from a potentially earth shattering threat. Corrie and the Chaunt of Time. Once again Corrie is plunged into an adventure that is fraught with danger and menace. This time however her friends and close relatives are endangered. Christmas should be a magical time of celebration and family but when even Santa Claus becomes a threat and pantomime figures present bewildering and hazardous perils, Corrie's life becomes burdened and deeply troubled. All this acute anxiety is further complicated by a young teenaged girl's normal angst concerning growing up, boys, fashion, sisters, parents and the rest. Setting out to solve a problem at school, things get a lot worse. She is catapulted into a world that is unbelievably convoluted, much more dangerous. Corrie's involvement with an extremely strange if even more strangely familiar Time Lord along with a welcome and much missed other Time Traveller pitches her at an accelerating rapidity further into an intricate and terrifying situation. In this nightmare land of dreams, enchanted forests, wizards, fairies, magicians, cities occupied by a ruthless desperate army, all mixed with an old friend, a beloved grandpa, it takes all of Corrie's native wit, luck and perseverance to win out.
