**The Fundamentals of Tabletop Miniatures Game Design** Glenn Ford, Mike Hutchinson, 2024-11-19 This book presents a much needed framework for the critical examination of miniatures games and their design It provides the reader with both a conceptual model for understanding how these games work as well as a toolbox of mechanical approaches to achieving a range of design outcomes and assessing the fit of any given approach within a specific design Though dating back to the 1820s tabletop miniatures games have been little explored critically and lack a conceptual vocabulary for their discussion Active practitioners in the miniature games design community Glenn Ford and Mike Hutchinson explore what defines these games proposing the term non discrete miniatures games to encapsulate the essence of these open and immersive hobby gaming experiences Discarding the term wargame they argue against limiting conceptions of these games to direct armed conflict and champion their diverse narrative potential The book provides a fresh

conceptual framework for miniatures games abstracting the concepts of positioning and moving markers non discretely across scale modelled environments into inclusive and generalised terminology untethering them from their roots as military simulations and providing the foundations for a fresh consideration of miniatures games design Written for game designers and with a foreword by Gav Thorpe *The Fundamentals of Tabletop Miniatures Game Design* is a handbook for those that wish to design better miniatures games

**Empire of Imagination** Michael Witwer, 2015-10-06 The life story of Gary Gygax godfather of all fantasy adventure games has been told only in bits and pieces Michael Witwer has written a dynamic dramatized biography of Gygax from his childhood in Lake Geneva Wisconsin to his untimely death in 2008 Gygax's magnum opus *Dungeons & Dragons* would explode in popularity throughout the 1970s and 80s and irreversibly alter the world of gaming D & D is the best known best selling role playing game of all time and it boasts an elite class of alumni Stephen Colbert Robin Williams and Junot Diaz all have spoken openly about their experience with the game as teenagers and some credit it as the workshop where their nascent imaginations were fostered Gygax's involvement in the industry lasted long after his dramatic and involuntary departure from D & D's parent company TSR and his footprint can be seen in the genre he is largely responsible for creating But as Witwer shows perhaps the most compelling facet of his life and work was his unwavering commitment to the power of creativity in the face of myriad sources of adversity whether cultural economic or personal Through his creation of the role playing genre Gygax gave two generations of gamers the tools to invent characters and entire worlds in their minds Told in narrative driven and dramatic fashion Witwer has written an engaging chronicle of the life and legacy of this emperor of the imagination
