The Whole Life David Stine,2019-01-29 Inspired by 1 Thessalonians 5 23 this new book from Pastor David Stine focuses on the three parts of your being the spirit the soul and the body and shows how you can experience a balanced and more fulfilled life when you take care of all three Pastor David Stine was the head of a growing church in the nation s capital He was seeing exponential church growth and reaching hearts and minds for God But inside he felt spiritually dry He was burnt out His health suffered and his preaching became uninspired Then one day he read 1 Thessalonians 5 23 in a way he never had before The verse he now saw clearly indicated that were three parts to the human self the spirit the soul and the physical body He had only been focusing on one part and realized his life was seriously out of balance with the way God intended As soon as Pastor Stine began to focus on his emotional well being and physical health in addition to his spiritual fitness everything changed He began to see that all three elements are interconnected and necessary for a vibrant Christian life Divided into three sections The Whole Life is a practical guide to leading an empowered and balanced life The Spiritual Formation section discusses the importance of Prayer the need to read scripture regularly and the necessity of having a God sized dream to guide you The Soul Care section covers your mind your emotions and your desires while the Body Health sections discusses nutrition exercise and rest In each section Pastor Stine helps you identify where you are thriving and where you are depriving yourself so that you can achieve a healthy whole body and in turn a whole life Providing practical and inspiring ways to feed and nurture yourself Pastor Stine guides you to discover how you too can have a whole balanced life in Christ Life Building Method of the Ralston Health Club Ralston Health Club,1920 *I Can Show You the Way Life*
