My Last Duchess (Unabridged) Robert Browning, 2023-12-04 Robert Browning's *My Last Duchess* serves as a quintessential example of dramatic monologue encapsulating the poet's mastery of characterization and psychological depth. Set in Renaissance Italy, this chilling narrative unfolds through the voice of a Duke as he unveils a portrait of his deceased wife. The interplay of power, jealousy, and the male gaze is deftly crafted with Browning's intricate use of enjambment and vivid imagery, creating a haunting yet compelling portrait of a man who equates affection with possession. The poem not only engages with historical context but also probes the darker aspects of human nature, encapsulating the tension between art and human emotion amidst an elite social backdrop. Browning, an influential figure of the Victorian era, drew upon his fascination with the dramatic, the psychological, and the moral complexities of individuals. His experiences in Italy and his deep interest in character-driven narratives significantly influenced *My Last Duchess*. Drawing from historical accounts and Renaissance art, Browning skillfully channels the voice of the Duke, reflecting the era's themes of power dynamics and emotional manipulation. This masterpiece is highly recommended for those interested in poetic narrative and character exploration. Students of literature, poetry enthusiasts, and anyone intrigued by the intricate dance of love, power, and tragedy will find Browning's work both intellectually stimulating and emotionally resonant.

Porphyria's Lover (Unabridged) Robert Browning, 2015-05-07 This carefully crafted ebook *Porphyria's Lover Unabridged* is formatted for your eReader with a functional and detailed table of contents. *Porphyria's Lover* is Browning's first ever short dramatic monologue and also the first of his poems to examine abnormal psychology. In the poem, a man strangles his lover Porphyria with her hair. Porphyria's lover then talks of the corpse's blue eyes, golden hair, and describes the feeling of perfect happiness the murder gives him. Although he winds her hair around her throat 3 times to throttle her, the woman never cries out. The poem uses a somewhat unusual rhyme scheme: A B A B B, the final repetition bringing each stanza to a heavy rest. Robert Browning (1812-1889) was an English poet and playwright whose mastery of dramatic verse and, in particular, the dramatic monologue made him one of the foremost Victorian poets. His poems are known for their irony, characterization, dark humor, social commentary, historical settings, and challenging vocabulary and syntax. The speakers in his poems are often musicians or painters whose work functions as a metaphor for poetry.
