Holiday Homes:

Baches & Holiday Homes to Rent South Island , **Greenings Baches and Holiday Homes to Rent 2009** Mark Greening, Elizabeth Greening, 2008-09 Holiday homes baches and cribs are scattered throughout New Zealand Built in all kinds of locations shapes and sizes these retreats have always featured prominently in the cherished tradition of New Zealand Holidays Many of these homes are rented out by their owners when not in use Baches Holiday Homes to Rent has listings of hundreds of such homes throughout New Zealand and overseas each with information on location facilities tariff local attractions and a contact phone number **Second Homes and Leisure** Trudie Walters, Tara Duncan, 2017-10-02 Second homes variously summer houses shacks baches cottages dacha are a popular cultural phenomenon in many countries and an emerging trend in others They are inextricably linked to tourism recreation and leisure and yet the fundamental relationship between second homes and leisure often appears to have been overlooked by researchers in the area This book seeks to address this absence bringing together an exciting collection of research from around the world Drawing on examples from Canada Japan Morocco Costa Rica New Zealand and the United Kingdom this book highlights the interdisciplinary nature of second home research in the leisure field The book describes the nexus of second homes and leisure from a variety of perspectives planning and policy historical social and cultural It is an essential work for those interested in new cultural viewpoints on second homes and leisure practices This book was originally published as a special issue of Annals of Leisure Research **Selling Your Home for Dummies** Karin Derkley, 2012 Sell your home for the best possible price Thinking of selling up but not sure whether it s the right time or how to go about it From helping you decide whether selling really is the best option for you to finding an agent and choosing a sales method all the way to exchanging contracts this step by step guide covers all the practical financial and legal aspects of selling your home Work out whether you re ready to sell consider all the options and decide if selling is the way to go Find out when you should sell understand supply and demand and time your sale perfectly Choose a real estate agent who s right for you find the best fit for you and your home Set the right price understand what drives the value of property and determine a realistic asking price for your home Get your home looking its best before selling find out whether a clean up will do or if it s worth renovating before you sell Choose a selling method get step by step instructions for selling by private treaty and auction Understand the legal stuff do the paperwork properly to ensure a smooth sale Open the book and find In depth information about working with property professionals Strategies for selling first then buying or buying first then selling Tips and tricks for sprucing up your property for inspections How to avoid over capitalising Everything you need to know about selling a holiday or rental property Learn to Determine the best time to sell Get your property ready for inspection Set the right price Choose between an auction or private treaty sale **Second Home Tourism in Europe** Zoran Roca, 2016-04-01 Bringing together a wide range of studies from twelve European countries this book offers a state of the art overview of the driving forces behind spatial diversity and

social complexity inherent in second home expansion in all parts of the continent from Scandinavia to the Mediterranean and from the British Isles to Russia in the context of contemporary mobility patterns largely induced by tourism As befits the overall conception of the book as a compendium of current second home research planning and policy issues the book endorses the following multidisciplinary approaches to the second home phenomenon as an expression of the leisure class mobility and recreation based lifestyles as well as a constitutive element of post productivist land use patterns and landscape change and socio economic and territorial development planning and policy related perspectives on social change and spatial re organization provoked by the expansion of second home tourism in times of prosperity and crisis This book shows that second home tourism has become such an important sector of the economy that it is no longer possible to let it develop freely it is the source of new forms of social deprivation it generates residential economies that are particularly sensitive to the economic cycle it often impairs beautiful landscapes and increases human pressure on natural environments As a result it is one of the major physical planning stakes of touristic areas From the concluding essay by Paul Claval Universit de Paris I Sorbonne Paris France

The Routledge Handbook of Second Home Tourism and Mobilities C. Michael Hall, Dieter Müller, 2018-04-17 Second homes have become an increasingly important component of both tourism and housing studies They can directly and indirectly contribute a significant number of domestic and international visitors to destinations and may be part of longer term retirement lifestyle and amenity migration that can have significant economic and social effects on communities and destination development This volume offers an overview of different disciplinary and methodological approaches to second homes while simultaneously providing a broad geographical reach Divided into four parts exploring governance development community and mobile second homes the book provides a contemporary account of the major issues in an area of growing international interest This timely handbook covers a wide range of dimensions from planning to the role of second homes in development and the management of their impact The international and cross disciplinary nature of the contributions will be of interest to numerous academic fields in the social sciences as well as urban and regional planners

STRATEGIC MANAGEMENT PRASAD, KESHO, 2015-08-31 The second edition of the book is richer in contents with updated concepts on strategic management The entire text is restructured and fine tuned to meet the needs of the students pursuing MCom MBA PGDBA and identical courses The book now divided into four parts is focused on providing the readers broad perspectives on formulation of strategy its processes implementation as well as evaluation so as to assess its effectiveness The book brings into fore the learning that a strategy is good if it passes the test of feasibility acceptability and suitability Now the text incorporates 44 live cases of successful reputable organizations which have excelled as a result of application of strategic planning strategic thinking in formulation and implementation of their strategies Besides references have been made of the practices in 65 successful global companies while discussing the concepts and practices NEW TO THE SECOND EDITION Beginning with an overview of strategic management the text analyzes important topics such as

Environmental macro and micro factors of the organization which underline success of an enterprise What develops sustainable competitive advantage in organizations Eight implementation techniques which are helpful in successful implementation of strategies Evaluation of strategy and GE McKinsey matrix on measurement of organizational success Role and traits of strategic leadership for successful implementation of strategy in face of uncertain turbulent and complex global market Learning from the case study on Mobil company The Routledge Companion to Rural Planning Mark Scott,Nick Gallent,Menelaos Gkartzios,2019-01-28 The Routledge Companion to Rural Planning provides a critical account and state of the art review of rural planning in the early years of the twenty first century Looking across different international experiences from Europe North America and Australasia to the transition and emerging economies including BRIC and former communist states it aims to develop new conceptual propositions and theoretical insights supported by detailed case studies and reviews of available data The Companion gives coverage to emerging topics in the field and seeks to position rural planning in the broader context of global challenges climate change the loss of biodiversity food and energy security and low carbon futures It also looks at old established questions in new ways at social and spatial justice place shaping economic development and environmental and landscape management Planning in the twenty first century must grapple not only with the challenges presented by cities and urban concentration but also grasp the opportunities and understand the risks arising from rural change and restructuring Rural areas are diverse and dynamic This Companion attempts to capture and analyse at least some of this diversity fostering a dialogue on likely and possible rural futures between a global community of rural planning researchers Primarily intended for scholars and graduate students across a range of disciplines such as planning rural geography rural sociology agricultural studies development studies environmental studies and countryside management this book will prove to be an invaluable and up to date resource *Vacation Homes* National Housing Center (U.S.). Library,1967 *Working in Partnership* Bernard Burnes,B. G. Dale,1998 Working in partnership with customers and suppliers is a pivotal part of the cultural change from being shareholder focused to stakeholder focused which many organizations now see as essential in securing their future success This book draws on the experience of practicing managers working in this development area and provides advice on all relevant issues for the benefit of any organization wanting to develop a closer working relationship with their customers or suppliers *Regimes of Value in Tourism* Emilie Crossley,David Picard,2017-10-02 Drawing from ethnographic work in five continents this book demonstrates how different regimes of value in tourism can coexist collide and compete across a varied geographic terrain Much theory in tourism economics defines value as a measure of monetary worth a concept governing commodity exchange and a gauge for tourist satisfaction The research included in this volume shows that tourism not only feeds off existing conceptions of value as a monetary category but that it is also instrumental in reproducing and reinforcing those subjective morally heightened and highly intangible values that make tourism and the tourism economy a complex social cultural political and psychological

phenomenon The book pushes the debate about the tourism economy beyond a simplistic understanding of producer consumer relations instead suggesting a refocus on the social spatial and temporal lags in tourism production and the ensuing differentiated regimes of values This book was published as a special issue of the Journal of Tourism and Cultural Change
