

Holiness

" Holiness, then is the characteristic of God that sets him apart from his creation. In this, holiness has at least four elements:

Majesty which links holiness to

sovereignty

Personal Will - God is not indifferent to how He is regarded – he wills and acts to see his glory is recognized

Wrath – not the human emotional reaction – but the necessary and proper stance of the holy God to all who oppose him.

Righteousness. What God wills is right –its ethical sense. The right is what God is and reveals to us.

value in doing systematics from a Biblically oriented context Narrative theologians have rightly identified and critiqued the development of system in academic theology Unfortunately they have not identified the ways in which systematic elements have always played a role in theological knowledge This study demonstrates the inherent systematic tendencies that still exist in narrative approaches to theology while at the same time acknowledging the appropriateness of aspects of the narrative critique of system The reaction against Enlightenment modernism is examined from the perspective of the heightened role of system in religious epistemology The work of Stanley Hauerwas serves to carry much of the conversation regarding the critique of system and a narrative alternative as it is discovered in communal formation After summarizing Hauerwas theology if such a thing is possible the final chapters explore the ecclesiological concerns of narrative theologians according to a more systematic rendering of pneumatology A Biblical rendering of pneumatology from the perspective of the Spirit's role in ecclesiology allows for a modest i e pre modern systematic presentation commensurate with narrative communal formation Thus the narrative attempt to once again do theology for the church is seen as compatible with a Scriptural i e modestly systematic theology of the Spirit

GOD'S WAY OF HOLINESS Horatius Bonar, Rev Terry Kulakowski, Editor, 2015-11-30 The way of peace and the way of holiness lie side by side or rather they are one That which bestows the one imparts the other and he who takes the one takes the other also The Spirit of peace is the Spirit of holiness The two are not independent There is fellowship between them vital fellowship each being the helpmeet of the other The fellowship is not of mere coincidence as in the case of strangers who happen to meet on the same path nor of arbitrary appointment as in the case of two parallel roads but of mutual help and sympathy like the fellowship of head and heart or of two members of one body the peace being indispensable to the production or causation of the holiness and the holiness indispensable to the maintaining and deepening of the peace
