Feingold, 1970 *Battling for Souls* Alex Grobman, 2004 Despair and disaster had taken their toll on the survivors of the Holocaust Many of them were ready to give up on God yet others sought the sustenance of Orthodox Judaism to nourish them after all their losses To keep whatever spark of Jewish spirit was alive in the hearts of the refugees to make it glow and burst into flame the men and women of the Vaad Hatzala Rescue Committee worked long and hard This is the story of a special breed of people led by Rabbi Nathan Baruch They dedicated themselves to a thankless task at the request of the greatest rabbinical leaders of the 20th century and prevailed in their mission despite the lack of funds

the lack of people the hostility of local populations and other Jewish organizations and the chaos in Europe at the end of the war What follows is the story of their battle for Jewish souls

**The Myth of Rescue** W.D. Rubinstein,2002-01-22 It has long been argued that the Allies did little or nothing to rescue Europe s Jews Arguing that this has been consistently misinterpreted The Myth of Rescue states that few Jews who perished could have been saved by any action of the Allies In his new introduction to the paperback edition Willliam Rubinstein responds to the controversy caused by his challenging views and considers further the question of bombing Auschwitz which remains perhaps the most widely discussed alleged lost opportunity for saving Jews available to the Allies

**Saving One's Own** Mordecai Paldiel,2017-02 In this remarkable historically significant book Mordecai Paldiel recounts in vivid detail the many ways in which at great risk to their own lives Jews rescued other Jews during the Holocaust In so doing he puts to rest the widely held belief that all Jews in Nazi dominated Europe wore blinders and allowed themselves to be led like lambs to the slaughter Paldiel documents how brave Jewish men and women saved thousands of their fellow Jews through efforts unprecedented in Jewish history Encyclopedic in scope and organized by country Saving One s Own tells the stories of hundreds of Jewish activists who created rescue networks escape routes safe havens and partisan fighting groups to save beleaguered Jewish men women and children from the Nazis The rescuers dramatic stories are often shared in their own words and Paldiel provides extensive historical background and documentation The untold story of these Jewish heroes who displayed inventiveness and courage in outwitting the enemy and in saving literally thousands of Jews is finally revealed

**A Conspiracy Of Decency** Emmy E Werner,2009-04-20 The people of Denmark managed to save almost their country s entire Jewish population from extinction in a spontaneous act of humanity one of the most compelling stories of moral courage in the history of World War II Drawing on many personal accounts Emmy Werner tells the story of the rescue of the Danish Jews from the vantage point of living eyewitnesses the last survivors of an extraordinary conspiracy of decency that triumphed in the midst of the horrors of the Holocaust A Conspiracy of Decency chronicles the acts of people of good will from several nationalities Among them were the German Georg F Duckwitz who warned the Jews of their impending deportation the Danes who hid them and ferried them across the Oresund and the Swedes who gave them asylum Regardless of their social class education and religious and political persuasion the rescuers all shared one important characteristic they defined their humanity by their ability to act with great compassion These people never considered themselves heroes they

simply felt that they were doing the right thing      **50 Children** Steven Pressman, 2014-04-22 A classic tale of American initiative A rich and rewarding read paints a moving picture of the rescue of Jewish children from Nazi occupied Austria Wall Street Journal In early 1939 America's rigid immigration laws made it virtually impossible for European Jews to seek safe haven in the United States As deep seated anti-Semitism and isolationism gripped much of the country neither President Roosevelt nor Congress rallied to their aid Yet one brave Jewish couple from Philadelphia refused to silently stand by Risking their own safety Gilbert Kraus a successful lawyer and his stylish wife Eleanor traveled to Nazi controlled Vienna and Berlin to save fifty Jewish children Steven Pressman brought the Kraus's rescue mission to life in his acclaimed HBO documentary 50 Children In this book he expands upon the story related in the hour long film offering additional historical detail and context to offer a rich full portrait of this ordinary couple and their extraordinary actions Drawing from Eleanor Kraus's unpublished memoir rare historical documents and interviews with more than a dozen of the surviving children and illustrated with period photographs archival materials and memorabilia 50 Children is a remarkable tale of personal courage and triumphant heroism that offers a fresh unique insight into a critical period of history Astonishing With a careful eye to detail and dialogue Pressman vividly re-creates this epic rescue Kirkus Reviews A stirring account of determination against overwhelming odds Inspirational Publishers Weekly Well-crafted Booklist Deeply affecting Jewish Book Council It can be challenging to create suspense in a tale for which the ending is known Pressman does a good job New York Journal of Books

**A Hidden Child in Greece** Yolanda Avram Willis, 2017-05-01 Your story deserves to be widely heard Elie Wiesel Nobel Prize winning author and Holocaust survivor Six year old Yolanda Avram is rescued by righteous strangers during the Holocaust in Greece This is her story of courage and survival in the context of dozens of other rescues and shows Jews saving themselves and others in audacious and often heroic ways Her story is uplifting and focuses on those flickers of light in the vast darkness of evil known in Greece as the Persecution This little known saga of the common folk outwitting the Third Reich is a powerful and important story told simply and movingly in cinematic episodes The book is incandescent with empathy and gratitude What a powerful and moving story it is Sir Martin Gilbert official biographer of Winston Churchill knighted by Queen Elizabeth II and author of eighty eight historical books A Hidden Child in Greece is a monumental story that documents her family's miraculous survival in a unique and moving way It gives life to the principle of human dignity and courage as a universal precept this book is a true light unto the nations Yaffa Eliach author and creator of the first university level Holocaust curriculum and the Tower of Life a 1 500 photograph permanent display at the US Holocaust Memorial Museum in Washington DC Willis is Anne Frank if Anne Frank had lived Diana Hume George author and educator For me the heart of this book is the family story the real power lays in the intimate story you are able to describe very simply and movingly Mark Mazower director modern European history Columbia University      *The Rescue of the Danish Jews* Leo Goldberger, 1987 An immensely valuable contribution As the last generation of witnesses to the Holocaust testify to its

horrors they must also testify to its heroes those who risked all to save lives These movingly told stories restore our faith in the human spirit William Shirer The mystery of the rescue phenomenon will probably always elude us As the rescuers narratives in this remarkable volume show the acts of saving Jews seemed spontaneous and natural and thus the mystery of the rescue act begins to unravel radiantly The insights which this interdisciplinary collection of essays subtly pieces together show in unique fashion the preconditions or the possibilities of individual and collective courage Dennis B Klein author of Jewish Origins of the Psychoanalytic Movement A distinguished group of internationally known individuals Jews and non Jews rescuers and rescued offer their enriching first person accounts and reflections that explore the question Why did the Danes risk their lives to rescue the Jewish population They Were Just People Bill Tammeus, Jacques Cukierkorn, 2009-09-01 Hitler's attempt to murder all of Europe's Jews almost succeeded One reason it fell short of its nefarious goal was the work of brave non Jews who sheltered their fellow citizens In most countries under German control those who rescued Jews risked imprisonment and death In Poland home to more Jews than any other country at the start of World War II and location of six German built death camps the punishment was immediate execution This book tells the stories of Polish Holocaust survivors and their rescuers The authors traveled extensively in the United States and Poland to interview some of the few remaining participants before their generation is gone Tammeus and Cukierkorn unfold many stories that have never before been made public gripping narratives of Jews who survived against all odds and courageous non Jews who risked their own lives to provide shelter These are harrowing accounts of survival and bravery Maria Devinki lived for more than two years under the floors of barns Felix Zandman sought refuge from Anna Puchalska for a night but she pledged to hide him for the whole war if necessary and eventually hid several Jews for seventeen months in a pit dug beneath her house And when teenage brothers Zygie and Sol Allweiss hid behind hay bales in the Dudzik family's barn one day when the Germans came they were alarmed to learn the soldiers weren't there searching for Jews but to seize hay But Zofia Dudzik successfully distracted them and she and her husband insisted the boys stay despite the danger to their own family Through some twenty stories like these Tammeus and Cukierkorn show that even in an atmosphere of unimaginable malevolence individuals can decide to act in civilized ways Some rescuers had antisemitic feelings but acted because they knew and liked individual Jews In many cases the rescuers were simply helping friends or business associates The accounts include the perspectives of men and women city and rural residents clergy and laypersons even children who witnessed their parents efforts These stories show that assistance from non Jews was crucial but also that Jews needed ingenuity sometimes money and most often what some survivors called simple good luck Sixty years later they invite each of us to ask what we might do today if we were at risk or were asked to risk our lives to save others Relief and Rescue of Jews from Nazi Oppression, 1943-1945 John Mendelsohn, 1982 **Claude Lanzmann's 'Shoah' Outtakes** Sue Vice, 2021-04-22 As we approach the end of the era of the witness given the passing on of the generation of Holocaust survivors Claude Lanzmann's archive of 220 hours of footage

excluded from his ground breaking documentary Shoah 1985 offers a remarkable opportunity to encounter previously unseen interviews with survivors and other witnesses recorded in the late 1970s Although the archive is all available freely to view online and includes extra footage of those who appear in Shoah this book focuses on the interviews from which no extracts appear in the finished film or in any subsequent release The material analysed features interviews with such significant figures as the former partisan Abba Kovner wartime activist Hansi Brand Kovno Ghetto leader Leib Garfunkel rescuer Tadeusz Pankiewicz and members of Roosevelt s War Refugee Board and focuses throughout on the efforts at rescue and resistance by those within and outside occupied Europe Sue Vice contends that watching and analysing this wholly excluded footage gives us new insights into the making of Shoah through what was left out Moreover she reveals that the near impossibility of rescue and often suicidal implications of resistance emerge through these excluded interviews as inextricable from the process of genocide She concludes by arguing that the outtakes show the potential for new filmic forms envisaged on Lanzmann s part in order to represent the crucial topics of attempted Holocaust rescue and resistance *Refugee and Survivor* Zorach Warhaftig,1988 Index Associate publisher Torah Education Department of the World Zionist Organization
