Read how you want 16 point large print *I am a Jew Between 1933 and 1945 I lived in Germany the country of my birth with the many who perished and with the few who survived the Holocaust*. With these bald statements Ken Arkwright commences the story of his life. There have been countless stories written by and about Holocaust survivors and each one has its own perspective, each being a witness statement, an eye witness account and each deserves to be told. This particular book has the interesting provenance of having first been published in German where it aroused considerable interest. Now Hybrid Publishers is proud to release a revised and updated English edition with fascinating material about Arkwright's life and times. For decades the author resisted telling his story. As he comments: 'Many years of reflecting on these events had to take place to make me feel the need to write about this journey. He feels an urgency to tell his story as otherwise his unique life experiences and the life stories of some of the people he met and who have perished in the Holocaust will die with him.' Now in his ninetieth year Ken Arkwright writes with clarity and in great detail and with a remarkable lack of bitterness about the progress of his life through the Great Depression, the rise of the Nazis and the Second World War. It is indeed a story beyond survival. **back cover** *Living among the Dead* Adena Bernstein Astrowsky, 2020-03-03 A treasure of individual strength, family love, community solidarity and Jewish History. This is the story of one remarkable young woman's unimaginable journey through the rise of the Nazi regime, the Second World War and the aftermath. Mania Lichtenstein's dramatic story of survival is narrated by her granddaughter and her memories are interwoven with beautiful passages of poetry and personal reflection. Holocaust survivor Mania Lichtenstein used writing as a medium to deal with the traumatic effects of the war. Many Jews did not die in concentration camps but were murdered in their lifelong communities, slaughtered by mass killing units and then buried in pits. As a young girl, Mania witnessed the horrors while doing everything within her power to subsist. She lived in Wodzimierz north of Lvov, Ukraine, was interned for three years in the labor camp nearby, managed to escape and hid in the forests until the end of the war. Although she was the sole survivor of her family, Mania went on to rebuild a new life in the

United States with a new language and new customs always carrying with her the losses of her family and her memories. Seventy five years after liberation we are still witnessing acts of cruelty born out of hatred and discrimination. Living among the Dead reminds us of the beautiful communities that existed before WWII, the lives lost and those that lived on and the importance to never forget these stories so that history does not repeat itself. **READER'S FAVORITE GOLD MEDAL OF 2020 WINNER IN THE CATEGORY BIOGRAPHY** *The Dead Years* Joseph Schupack, 2017-02-16 Poignant Holocaust Survivor Story offering a unique perspective on the lessons of the Holocaust for future generations. Holocaust survivor stories need to be kept alive. Every year survivors with unique testimonies are passing away. Soon we will no longer be able to hear first hand from the people who survived the Holocaust. Books and video testimonials will be the only ways to get to know their moving stories. Joseph Schupack has fulfilled a vow to those who did not survive to write his Holocaust memoirs and offer a unique perspective on the lessons of the Holocaust for future generations. In *The Dead Years* Joseph Schupack 1922-1989 describes his life in Radzyn Podlaski, a typical Polish shtetl from where he was transported to the concentration camps of Treblinka, Majdanek, Auschwitz, Dora, Nordhausen, and Bergen-Belsen during the Second World War. We witness how he struggled to remain true to his own standards of decency and being human. Considering the premeditated and systematic humiliation and brutality, it is a miracle that he survived and came to terms with his memories. *The Dead Years* is different from most Holocaust survivor stories. Not only is it a testimony of the 1930s in Poland and life in the Nazi concentration camps, it also serves as a witness statement. This Holocaust book contains a wealth of information, including the names of people and places, for researchers and those interested in WW2 or coming from Radzyn Podlaski and surroundings. The book takes us through Joseph Schupack's pre-war days, his work in the underground movement, and the murder of his parents, brothers, sister, and friends. *The Dead Years* is deeply personal and moving. We witness how people in the depths of misery shared their last morsel of food, how they were prepared for any sacrifice. There are many examples of brotherly love that grew out of empathetic pain. Finally freed, Schupack encountered rampant anti-Semitism when he tried to reclaim his possessions in Poland after the end of the war. For the Poles in his home town, the best Jews were the ones who did not return. A new, strictly anti-Semitic organization had been founded, and its primary goal was the liquidation of all Jews returning from hiding or concentration camps. Decades after WWII, the author, mentally scarred by his war experiences, confronted his demons. Like a stranded man among the stranded, like a sufferer bound to all sufferers, I stood alone in front of the shambles of my life, which had stopped when I was seventeen years old and from which nothing could be salvaged or repaired. We are grateful that Schupack confided his memories to paper so we never forget.
