Whether you're visiting for a weekend or a longer stay, *The Rough Guide to Kent, Sussex and Surrey* is all you need for the perfect trip.

**Botswana Safari Guide** Chris McIntyre, Susie McIntyre, 2024-11-08 This new thoroughly updated sixth edition of Bradt's Botswana Safari Guide remains the only full-blown standalone guide to one of Africa's most popular and rewarding safari destinations. This is the sole guide to focus on Botswana's key safari locations: the Okavango Delta, Chobe National Park and the Northern Kalahari. Botswana's wilderness is pristine, a virtue underpinned by governmental commitment to sustainable tourism. The Okavango Delta's permanent waters attract year-round wildlife including all the big five. Outside the Delta, this English-speaking country offers tremendous variety in landscapes from the arid Kalahari to lush forests. Riverine areas harbour spectacular herds of elephants and buffalo, as well as mighty predator populations. Dusty savannahs attract hardier game such as oryx and springbok. On Makgadikgadi's great salt pans, zebras gather in huge congregations after rain. Birdwatching is brilliant throughout. Then there's Botswana's rich history from the ancient rock paintings at the Tsodilo Hills to Stone Age arrowheads on the Makgadikgadi Pans. Bradt's Botswana Safari Guide offers detailed descriptions of many lodges from traditional tented camps to those offering five-star luxury and top-class cuisine, plus detail on what animals occur where, enabling you to select the optimum approach. With this book's comprehensive GPS co-ordinates and detailed maps, independent travellers can drive themselves around. But perhaps you prefer bespoke mobile safaris with a private guide. Either way, take a night drive to see creatures of the dark: genets and hunting leopards. For a different feel, explore rivers on gentle motorboat cruises, including on multi-day trips, or get closer to the water in a traditional mokoro dug-out canoe with a poler escorting you along shallow waterways. Or seek out a specialist walking camp for the excitement of bush walks when meerkats might even pose atop your head for a great lookout. And why not use this book's advice to book end-trips by visiting Livingstone, Zambia and the Victoria Falls? Written and updated by Chris and Susie McIntyre, experts on all things Africa, Bradt's Botswana Safari Guide is the definitive companion to discovering this thrilling destination.

**Insight Guides: Italy** Insight Guides, 2014-04-01 With its treasure-filled ancient sites, Renaissance masterpieces, stunning countryside and some of the best cuisine in the world, Italy impresses at every turn. Be inspired by the new edition of *Insight Guide Italy*, a detailed full-colour guide to this glamorous country. Insight Guides' unrivalled coverage of history and culture provides an essential introduction to the Italian identity, including its people and their unique sense of style, as well as its world-renowned cuisine and its contribution to cinema and classical music. Consult the Best of Italy selection for an at-a-glance guide to the country's most evocative attractions, such as Rome's Forum, Florence's Renaissance artworks and Venice's romantic canals, and the editor's choice of recommendations for the best museums, coastal scenery, islands and gourmet spots, and much more. Descriptive accounts of where to go in Italy, from the glitzy Amalfi Coast to the trulli of Puglia, are enhanced by beautiful photographs, while all major sights are cross-referenced with full

colour maps to help you find your way around We give you our recommendations of where to enjoy Italy's delicious food and wine and the travel tips section provides a wealth of information on how to plan your trip plus our selection of the best hotels

**The Housing Design Handbook** David Levitt, 2012-12-06 How well have architects succeeded in building housing and what lessons can be learned from their triumphs and failures The Housing Design Handbook will give you a complete understanding of what makes successful housing design Through the analysis of work by Levitt Bernstein and a wide range of other UK practices it illustrates good design principles and accumulates a wealth of knowledge in a readily accessible format for the first time Written by a recognised authority in the field the book provides a range of cases to illustrate the way that different issues in the design of housing have been approached and with what degree of success a review of the place of housing as the most significant built form in the urban landscape an understanding of the importance of achieving a sense of place as the bedrock of social continuity a discussion of how flexibility might be achieved in order to accommodate future changes in housing need if wholesale demolition and replacement is to be avoided more recent examples which explore why certain social groupings are more resistant to design innovation than others and why there has been such an architectural breakthrough in market led higher density urban living David Levitt examines the ideas behind the schemes and assesses how successful and sustainable those ideas have proved making this an essential reference for professionals and students practicing and studying the design and commissioning of housing [Compass American Guides - New Mexico](#) Fodor's, Inc.
