The Humblest Sparrow Michael Roberts, 2010-02-09 In *The Humblest Sparrow* Michael Roberts illuminates the poetry of the sixth century bishop and poet Venantius Fortunatus Often regarded as an important transitional figure Fortunatus wrote poetry that is seen to bridge the late classical and earlier medieval periods Written in Latin his poems combined the influences of classical Latin poets with a medieval tone giving him a special place in literary history Yet while interest has been growing in the early Merovingian period and while the writing of Fortunatus patron Gregory of Tours has been well studied Fortunatus himself has often been neglected This neglect is remedied by this in depth study which will appeal to scholars of late antique early Christian and medieval Latin poetry Roberts divides Fortunatus poetry into three main groups poetry of praise hagiographical poetry and personal poetry In addition to providing a general survey Roberts discusses in detail many individual poems and proposes a number of theses on the nature function relation to social and linguistic context and survival of Fortunatus poetry as well as the image of the poet created by his work Jacket illustration L Alma Tadema Venantius Fortunatus Reading his Poems to Radegonda VI AD 555 Courtesy of Dordrecht Dordrechts Museum [A Pleasant Excursion; Or, Spain in 18-. A Farce, in Two Acts. \[By Thomas Heron Jones, Viscount Ranelagh.\] ,1844](#) *Who's Who In The Moon* Brian Jones, 2024-12-30 Who's Who in the Moon is aimed not only at the beginner or near beginner but also at the backyard astronomer who is perhaps experienced in other areas of observation but who has decided to spend more time considering the Moon as an alternative target The book provides a visual introduction to our closest celestial neighbor opening with an introductory section which details both with the history of lunar mapping and naming of lunar formations as well as providing useful information on observing the lunar surface and what observers can realistically expect to see when they look at the Moon with the naked eye binoculars or a small medium telescope The introductory section is followed by a lengthy series of images including not only wide field panoramic views but also a large number of more detailed images showing close up views of different areas of the Moon and featuring individual craters mountains valleys and much more Many of the individual features shown on these images are identified by name and are accompanied by biographical sketches relating to the men and women after whom they are named This is a non technical up close and personal visual look at the Earth's only natural satellite and many of the individual features scattered across its surface Rather than offering itself as a full and exhaustive guide to the lunar surface *A Guide to the Moon* is more of a vade mecum which enables and hopefully encourages the reader to become more acquainted with the lunar landscape on a personal level with a view to learning more about the astronomers and other scientists whose names are immortalised by having lunar features named after them *Who's Who in the Moon* was inspired by and is a tribute to a Memoir published by the British Astronomical Association BAA in 1938 entitled *Who's Who in the Moon* written by Mary Evershed the first Director of the BAA Historical Section The biographical notes in *A Guide to the Moon* include examples of those penned by Mary Evershed in her original publication [Soldiers of](#)

Barbarossa Craig W.H. Luther, David Stahel, 2020-11-15 The scope and scale of Operation Barbarossa the German invasion of the Soviet Union make it one of the pivotal events of the Second World War Yet our understanding of both the military campaign as well as the war of annihilation conducted throughout the occupied territories depends overwhelmingly on top down studies The three million German soldiers who crossed the Soviet border and experienced this war are seldom the focus and are often entirely ignored Who were these men and how did they see these events Luther and Stahel two of the leading experts on Operation Barbarossa have reconstructed the 1941 campaign entirely through the letters as well as a few diaries of more than 200 German soldiers across all areas of the Eastern Front It is an original perspective on the campaign one of constant combat desperate fear bitter loss and endless exertions One learns the importance of comradeship and military training but also reads the frightening racial and ideological justifications for the war and its violence which at times lead to unrelenting cruelty and even mass murder Soldiers of Barbarossa is a unique and sobering account of 1941 which includes hundreds of endnotes by Luther and Stahel providing critical context corrections and commentary **Poems, chiefly dramatic. Edited by T. H. Lowe** Thomas Hill LOWE (Dean of Exeter.), 1840 *The Ride to the Lady, and Other Poems* Helen Gray Cone, 2019-12-23 In *The Ride to the Lady and Other Poems* Helen Gray Cone masterfully intertwines lyrical beauty with profound introspection exploring themes of love nature and the passage of time Written in the late 19th century Cone's verses reflect the rich tradition of American poetry that often melds Romantic sensibilities with emerging modernist elements The collection reveals a nuanced understanding of the human experience employing vivid imagery and a distinct musicality that draws readers into her contemplative world making each poem not just an entity but a journey of thought and emotion Helen Gray Cone a prominent figure in American literary circles was deeply influenced by her surroundings and the literary giants of her time A graduate of Vassar College her intellectual pursuits and sharp observations led her to craft poems that resonate with personal and collective experiences Cone's background as a poet literary critic and educator provided her insights into the complexities of life and the artistry of language elements that are poignantly reflected in this collection For readers seeking a rich tapestry of emotion and intellect *The Ride to the Lady and Other Poems* is an exceptional collection that invites reflection and reverie Cone's ability to articulate the intricacies of life makes her work a worthwhile exploration for poetry enthusiasts and casual readers alike establishing a timeless connection that transcends generations *A chant of love for England, and other poems* Helen Gray Cone, 2025-03-02 In *A Chant of Love for England and Other Poems* Helen Gray Cone crafts a lyrical homage to her homeland combining rich imagery with a contemplative examination of nature patriotism and personal reflection The collection is marked by a Romantic style characterized by its emotive language and vivid naturalistic descriptions conveying a deep affection for both the physical landscape and the intangible spirit of England Cone's works respond to the broader literary context of the late 19th and early 20th centuries where themes of nationalism and identity frequently intertwine creating a tapestry of emotion that resonates with

contemporary sentiments about place and belonging Helen Gray Cone an American poet and a prominent figure in the late 19th century literary scene dedicated her life to exploring the intersections of art and patriotism Her experiences including her education in Europe and involvement in literature as a medium to express her values deeply informed her poetic voice Cone s awareness of both American and British cultural landscapes allows her to create a unique dialogue about identity and infuses her verses with authenticity and passion I highly recommend *A Chant of Love for England and Other Poems* to readers who appreciate evocative poetry and seek to understand how personal and national identities can be interwoven Cone s heartfelt reflections not only celebrate the beauty of England but also evoke a sense of longing and introspection that transcends geographical boundaries

Religion, Disease, and Immunology Thomas B. Ellis,2022-06-02 This book argues that religion has emerged over evolutionary time as a strategy for managing the transmission contraction and eradication of infectious disease From purity and pollution codes to blood sacrifices and irrational beliefs the book shows how religion supports not only the physiological immune system but the behavioral and psychological immune systems as well The book also addresses those moments when it appears that religion becomes maladaptive that is when religion causes autoimmune problems such as celibacy and anti vaccination Engaging material ranging from evolutionary and social psychology to human behavioral ecology biological anthropology Darwinian medicine and religious studies the book proposes that in order to understand the human animal s enduring fascination with religion one must take into account the enduring need to manage infectious disease

Shakespeare's Tragic Justice C. J. Sisson,2017-03-31

The problem of justice seems to have haunted Shakespeare as it haunted Renaissance Christendom In this book first published in 1963 four aspects of the problems of justice in action in Shakespeare s great tragedies are explored This study is based on the lifetime s research of Elizabethan habits of mind by one of the most distinguished Shakespearean scholars and will be of interest to students of English Literature Drama and Performance

Keeping Faith D. Stephen Long,2012-03-01

Keeping Faith offers resources to help Christians reclaim the importance of doctrine and thereby know and love well God and God s creation Although it gives particular attention to the Wesleyan and Methodist tradition it is of necessity an ecumenical effort Neither the Wesleyans nor the Methodists invented Christian doctrine In fact the Wesleyan tradition contributes little that is distinctive or unique This is a good thing for unlike other disciplines where originality and uniqueness matter greatly Christian doctrine depends on others and not the genius of some individual Chesterton once said that Christianity is the democracy of the dead In other words doctrine depends on the communion of the saints They help us speak of God as we should We need to hear their voice For this reason this work is an ecumenical commentary on the Confession of Faith and Articles of Religion found in the Wesleyan tradition that also draws on ancient and modern witnesses to God s glory It is ecumenical because it brings these doctrines into conversation with the broader Christian tradition Doctrine unites us in a communion which is greater than any single denomination and makes us what we otherwise cannot be one holy catholic and
