FROM THE BOOK The sun descends and the moon rises giving the only light that illuminates the darkness. Wind blows silently as if it is trying to tell me a secret. Our steps are quiet; we move like the wind walking along the forest floor as we make our way to the hole I crawled out of just a few months ago. We whip past the trees, rocks, and grass like we are floating in the air. The animals in the forest are neither seen nor heard. They are hiding, but I know they are out there. I can hear the steady pace of their hearts and the blood flowing in their veins. We make it to our destination. No words spoken, no sentiments given. There is just quiet contemplation and preparation churning in our minds. I look at Jade and she nods. She quickly turns and climbs the tall tree near me, looking like a spider silently climbing up a wall. I turn my attention away from Jade. She is now invisible to me. I will neither give away nor tell her whereabouts. She is a secret one that I will pretend not to know. I look around through the darkness of night, taking my place, waiting for this game to begin. My stance is confident. My mind is calm. I survey my surroundings like a predator who feels threatened, bracing for an attack. My eyes land on remnants of the trash bag that once held me inside. I laugh. Nate will have to do better this time if he wants to get rid of me. Nate is going to come into the forest confident and cocky. He doesn't realize that the girl he is coming to kill isn't the same one he had attempted to kill before.

Bloodline of the Ancients Roan Rosser, 2022-07-13 Sleepwalking may be the death of me again. I thought things would get better now that I no longer had assassins after my head. Although it's fun eating people who misgender me, I'm just so thirsty all the time. And until I improve, I'm barred from seeing Jack, my were jackal boyfriend. My babysitter, I mean vampire mentor, isn't much help either. As if things weren't bad enough, the amulet that started this mess is whispering to me, calling me somewhere. I think it might be my mysterious maker. Judging by the trail of bodies they're leaving across the globe, I don't want to know what will happen if I can't keep resisting.

Bloodline of the Ancients is the second book in the Changing Bodies trans masc M/M paranormal thriller series. Content warnings for violence and sex. While there is a romantic subplot, the book
