Farewell To Manzanar And Related Readings Farewell To Manzanar:

Speaking American Zevi Gutfreund, 2019-03-07 When Lyndon B Johnson signed the Bilingual Education Act of 1968 language learning became a touchstone in the emerging culture wars Nowhere was this more apparent than in Los Angeles where elected officials from both political parties had supported the legislation and where the most disruptive protests over it occurred The city with its diverse population of Latinos and Asian Americans is the ideal locus for Zevi Gutfreund's study of how language instruction informed the social construction of American citizenship Combining the history of language instruction school desegregation and civil rights activism as it unfolded in Japanese American and Mexican American communities in L A this timely book clarifies the critical and evolving role of language instruction in twentieth century American politics *Speaking American* reveals how for generations language instruction offered a forum for Angelino educators to articulate their responses to policies that racialized access to citizenship from the national origins immigration quotas of the Progressive Era through Congress's removal of race from these quotas in 1965 Meanwhile immigrant communities designed language experiments to counter efforts to limit their liberties Gutfreund's book is the first to place the experiences of Mexican Americans and Japanese Americans side by side as they navigated debates over Americanization programs intercultural education school desegregation and bilingual education In the process the book shows these language experiments helped Angelino immigrants introduce competing concepts of citizenship that were tied to their actions and deeds rather than to the English language itself Complicating the usual top down approach to the history of racial politics in education *Speaking American* recognizes the ways in which immigrant and ethnic activists as well as white progressives and conservatives have been deeply invested in controlling public and private aspects of language instruction in Los Angeles The book brings compelling analytic depth and breadth to its examination of the social and political landscape in a city still at the epicenter of American immigration politics *Farewell to Manzanar (SparkNotes Literature Guide)* SparkNotes, 2014-08-12 *Farewell to Manzanar* SparkNotes Literature Guide by Jeanne Wakatsuki Houston Making the reading experience fun Created by Harvard students for students everywhere SparkNotes is a new breed of study guide smarter better faster Geared to what today's students need to know SparkNotes provides chapter by chapter analysis explanations of key themes motifs and symbols a review quiz and essay topics Lively and accessible these guides are perfect for late night studying and writing papers *Farewell to Manzanar [by] Jeanne Wakatsuki and James D. Houston, with Connections* Holt Rinehart & Winston, 2001 *Asian American Literature* Elaine Kim, 1982 An introduction to the literary works of Chinese Americans Japanese Americans Filipino Americans and Korean Americans this book focuses on the self images and social contexts of the nineteenth century immigrants their descendants and the Americanized writers of today Although the book examines the novels autobiographies poems and plays themselves the social history of Asians in American is a significant backdrop as Maxine Hong Kingston herself argues it should be These racially distinctive Americans have confronted in their lives and

writings American stereotypes of the Oriental racial discrimination and the cultural gulf between East and West After a chapter on Fu Manchu Charlie Chan and other Anglo American caricatures of Asians the author turns to a discussion of the first immigrant writers many of whom were educated aristocrats playing the role of cultural ambassadors and then to the less privileged more socially critical generations of writers who followed From works like Flower Drum Song Eat a Bowl of Tea The Woman Warrior China Men and a host of lesser known writings the author shows how portrayals of Chinatown the Japanese American family and the roles of all the Asian American women and men have changed Drawing on her personal interviews with Asian American writers Kim also conveys their attitudes towards their own group other Asian Americans other racial minorities and white Americans a complex mix of bitterness acceptance and militance Author note Elaine H Kim is Associate Professor of Ethnic Studies at the University of California Berkeley She directs the Korean Community Center of Oakland and Asian Women United California
