Farokh Engineer:

Farokh Engineer Maurice Southwell,2005-06-01 The story of the Lancashire and India wicketkeeper batsman Farokh Engineer one of the game s great characters and entertainers **My Take** LK Advani,2021-01-19 L K Advani s blogs cut across generations for his contemporaries they have a recall value For the young Indian restless to do his bit in shaping the future of his country Advani s blogs provide a rare insight into history They take him through the turmoil and toil of leaders like Sardar Patel and their distinctive contribution in shaping today s India Advani s blogs have a dual purpose they mirror an era gone by and yet link its relevance to an India raring to take on the world The blogs therefore successfully merge two eras one to which Advani himself belongs with another which sees him as a mentor That Advani has been a consequential politician is a given As a protagonist in the political playfield spanning decades he along with Atal Behari Vajpayee not only formed the Bharatiya Janata Party but transformed it dramatically If the BJP is nationally in the reckoning today it is because of the Atal Advani vision of bringing it centre stage from the margins It is through this journey that he redefined secularism During his historic yatras including the Ramjanambhoomi and Somnath to Ayodhya the country was compelled to redefine secularism and distinguish it from the pseudo secularism being handed down by adversaries But that is only one part The other and more significant is Advani s contribution in setting and elevating standards in public life and hammering that they be followed That he has led from the front is well known The strength of Advani s blogs like his persona is that they are direct candid and forthright There is no soft pedaling issues or minimizing the blow as it were He has stated facts as they are and made no attempt to either underplay or exaggerate any sequence His writings are as clear as his mind The blogs offer a wide range history politics books and all else To those who have a stake in India s political future Advani s blogs are an effective guide for others an interesting read **Test of Times** Yashaswee Raman,2022-02-28 This book is a time machine for Indian cricket fans It shows how Indian cricket has grown ever since the start of cricket in the country We celebrate heroes and cricketers who have made the game great in India Join me in a journey where we celebrate the earliest legends of Indian cricket Let s go on a journey to celebrate the earliest cricketers of Indian cricketing history Let s celebrate and see how Indian cricket has grown Reminiscing when India played its first unofficial tour to England in 1911 and then made their international debut in 1932 winning its first international game in 1952 to the first World Cup in 1983 Let s celebrate the cricketers who made these wins and journeys possible **The Final Test** Huw Turbervill,2025-04-24 A compelling book Test cricket is hanging on It s a worry Graham Gooch Huw Turbervill is the ultimate passionate polemicist for the Test format with a zeal that manages to weave both George Orwell and Basil Fawlty into his arguments David Gower OBE As cricket expands into ever more formats and franchise leagues more and more voices are to be heard but the editor of The Cricketer should always be listened to Scyld Berry The editor of The Cricketer goes on a soul searching journey to discover what the future holds for Test cricket As T20 grows like Japanese knotweed Test cricket is in mortal danger White ball tournaments

mainly T20 and T10 are now sprouting in places like the US and Saudi Arabia and Test cricketers are commonly being offered all year round contracts by IPL owners allowing them to play short form tournaments in the West Indies the UAE and elsewhere The IPL has expanded but Australia's Big Bash is contracting the 2023 men's Ashes were constricted into a tiny window but The Hundred continues to dominate Is there still hope for Test cricket in this tumultuous sporting landscape Turbervill recalls the poignancy of the final Test of the English summer at The Oval in 2022 and describes how the match could be seen as a metaphor for the demise of the longer game As cricket fans seem divided in the sport's own version of the culture wars traditionalists refusing to accede territory pragmatists wanting to achieve a healthy balance and progressives conceding the change Turbervill asks cricketers commentators and writers about the future of Test cricket With guest appearances including David Gower Graham Gooch Merv Hughes Reece Topley and many more this book reveals if Test cricket can truly survive the next decade *The Shorter Wisden 2023* Lawrence Booth, 2023-04-20 The most famous sports book in the world Wisden Cricketers Almanack has been published every year since 1864 The selected writings from the 160th edition contained in this eBook offer trenchant opinion compelling features and an authoritative voice on the worldwide game The Shorter Wisden is a compelling distillation of what's best in its bigger brother and the 2023 edition of Wisden is crammed as ever with the best writing in the game Wisden's digital version includes the influential Notes by the Editor and all the front of book articles In an age of snap judgments Wisden's authority and integrity are more important than ever Yet again this year's edition is truly a must have for every cricket fan In essence The Shorter Wisden is a glass of the finest champagne rather than the whole bottle Wisden Almanack **Wisden on India** Jonathan Rice, 2011-07-18 Throughout its long and distinguished history Wisden has reported on Indian cricket around the world and commented on its highs and lows One of the first references to a touring Indian cricket side was in 1889 Perhaps the most notable feature of the tour was the wonderfully successful bowling of Mr Pavri who took 170 wickets at a cost of under 12 runs each For a time India enjoyed a golden age of cricket largely through Lord Hawke's tours in the 1890s and then buoyed up by the exploits of Kumar Shri Ranjitsinhji who was chosen as a Wisden Cricketer of the Year in 1897 But there were set backs to come such as the team's 1953 Worst Start in Test Cricket which saw Trueman scythe through their top order at Headingley to leave the team in disrepair at 0 for 4 wickets after 14 balls Recent decades have seen formidable players such as Ganguly Laxman Sehwag Dravid and Tendulkar lift India's game to great heights making them a force to be reckoned with This anthology charts the progress of India through Wisden's pages using match reports articles notes obituaries and illustrations to bring this extraordinary team and their equally extraordinary nation to vivid and delightful life *Democracy's XI* Rajdeep Sardesai, 2017-10 Bestselling author and journalist Rajdeep Sardesai narrates the story of post Independence cricket through the lives of 11 extraordinary Indian cricketers who portray different dimensions of this change from Dilip Sardesai and Tiger Pataudi in the 1950s to Mahendra Singh Dhoni and Virat Kohli today *Cricket, A Very Peculiar History* Jim
