Fast Friends Stuart Kaufman, 2005-02-25 FAST FRIENDS is the story of Dr Ernest Berger a college English professor and his pal Bobby Taylor a tennis player and playboy that takes place up in the woods of Vermont The novel would have to be considered a picaresque a tale of rogues and rascals and a recounting of their various adventures and incidents It is a series of incidents and episodes connected chronologically with little or no motivation or complication of plot it is simply a realistic unfolding of many lives their trials and tribulations and their ultimate redemption and salvation The book is about Dr Berger a frustrated married English professor and poet who is totally bored with teaching the rich progeny of Americas finest families up in the green mountains of Vermont and longs to go out to Hollywood and become a scriptwriter and live the glamorous tabloid existence that he has dreamed of He loves his wife and young sons but is seduced by the flesh of many a young eager and confused coed And of course part of his dream is to be rich and cavort with Hollywood stars and leave the drab world of teaching behind The catalyst as it turns out is Mr Bobby Taylor a swinging handsome down to earth Vermonter who is a stark contrast to all the snobby snooty writers and artist types that people the world of the infamous Endington College in southern Vermont To Dr Berger his wife and young children Bobby is a breath of fresh air Then things begin to unravel and the dream goes through various cycles of destruction and disruption His odyssey finally comes full circle as Dr Berger learns many lessons about love and loss and battles desperately to regain the idyllic life that he gave away for a hollow fantasy

for the difference between the right and wrong way to respect young people and avoid frustrating patterns of miscommunication and conflict Yeager explains how to adopt what he terms the mentor mindset which is a leadership style that's attuned to young people's need for status and respect Anyone can adopt the mentor mindset by following a few highly effective and easy to learn practices such as validating young people's perspectives rather than dismissing them asking them questions rather than telling them what to do being transparent about your beliefs and goals rather than assuming that they will accurately guess your thoughts and holding them to high standards rather than coddling them Yeager's scientific experiments have shown these practices reduce a wide variety of behavior problems including school dropout unhealthy eating stress purposelessness mental health problems and more One of the biggest misconceptions about mentoring is that it takes up too much time On the contrary those who use the mentor mindset end up with more time Through back and forth conversations young people feel empowered and managers can transfer responsibility to them Young people in this age group are poised to learn grow and accomplish incredible things if only we can tap into the basic neurobiological systems that drive their motivation and behavior An essential read for anyone who interacts with young people 10 to 25 is a groundbreaking book that offers long term strategies to help nurture well adjusted independent accomplished young people who contribute to society in positive ways all while making our own lives easier *Merryll Manning: A Brush with Death* John Howard Reid, 2014-06-04 A Brush with Death takes former police detective Merryll Manning from his usual haunts in Miami Florida to Allamogosa a leading city in Colorado where Manning obtains a job with Security at the city's Art Gallery for the duration of a Rembrandt Exhibition A leading art thief self styled Rob Roy threatens to steal at least one of the Rembrandts Presumably he is already employed at the Gallery But who is he Or she Other factions are also at work Manning and other members of the staff are threatened A security guard is killed a religious bigot goes on the rampage and the skirt chasing Manning ends up in court This is the first USA and Canadian printing of a book originally published in Britain Ireland Australia New Zealand India and South Africa in 1999 Reid's plots are cleverly constructed and he provides a colorful parade of characters Sunday Mail Totally fascinating Sunday Telegraph Reid successfully foils any attempts to guess the outcome of the plot The Times **The Dictionary of Modern Proverbs**, 2012-05-22 Collects more than 1 400 English language proverbs that arose in the 20th and 21st centuries organized alphabetically by key words and including information on date of origin history and meaning **Sister Friends Forever** Kimberla Lawson Roby, 2022-08-09 This emotional novel from a New York Times bestselling author follows four lifelong friends as each faces a crisis in family love and forgiveness Serena Michelle Kenya and Lynette have been best friends since they were small children And as sister friends forever they have always been there for one another through good times and bad no matter what This year is a crucial turning point for each woman Serena still single is questioning why love hasn't found her yet Michelle is engaged and ready to walk down the aisle until an old flame strolls back into her life Kenya is happily married but at the same time her husband's ex wife won't allow
