Hoax Of Higher Criticism:

The Hoax of Higher Criticism Gary North,1989 **Manifested in the Flesh** Joel McDurmon,2007 **Biblical Counsel** ,1993 *Millennium, Messiahs, and Mayhem* Thomas Robbins,Susan J. Palmer,2013-10-28 As we approach the Millennium apocalyptic expectations are rising in North America and throughout the world Beyond the symbolic aura of the millennium this excitation is fed by currents of unsettling social and cultural change The millennial myth ingrained in American culture is continually generating new movements which draw upon the myth and also reshape and reconstruct it Millennium Messiahs and Mayhem examines many types of apocalypticism such as economic racist environmental feminist as well as those erupting from established churches Many of these movements are volatile and potentially explosive Millennium Messiahs and Mayhem brings together scholars of apocalyptic and millennial groups to explore aspects of the contemporary apocalyptic fervor in all original contributions Opening with a discussion of various theories of apocalypticism the editors then analyze how millennialist movements have gained ground in largely secular societal circles Section three discusses the links between apocalypticism and established churches while the final part of the book looks at examples of violence and confrontation from Waco to Solar Temple to the Aum Shinri Kyo subway disaster in Japan Contributors James Aho Dick Anthony Robert Balch Michael Barkun John Bozeman David Bromley Michael Cuneo John Dimitrovich John Hall Massimo Introvigne Philip Lamy Ronald Lawson Martha Lee Barbara Lynn Mahnke Vanessa Morrison Mark Mullins Ansun Shupe Susan Palmer Thomas Robbins Philip Schuyler and Catherine Wessinger **Cutting Jesus Down to Size** George Albert Wells,2009 Is higher criticism a hoax inspired by Satan Or does it help us understand the true significance of the Bible

□□□□ □□□ by R. C. Sproul, **Essential Truths of the Christian Faith** R. C. Sproul,2011-02-18 For those who yearn for a deeper walk of faith their journey can begin here Dr R C Sproul takes theology down from the dusty shelves of theological libraries and expounds in clear and simple terms more than one hundred major Christian doctrines He offers readers an essential understanding of the Christian faith that will kindle a lifelong love for truth which is foundational to maturity in Christ Here are theologically sound explanations of the biblical concepts every Christian should know written in a way that we all can understand Sproul s homespun analogies and illustrations from everyday life make this book interesting informative and easy to read **Secret Scrolls** Robert M. Price,2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven t bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely

different epistemology that automatically replaces simple faith And so one comes to hold one's religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls

The R.C. Sproul Collection Volume 2: Essential Truths of the Christian Faith / Now, That's a Good Question! R.C.

Sproul,2017-02-15 This Collection bundles two of popular and accessible theologian R C Sproul's works into one e book for a great value Essential Truths of the Christian Faith For those who yearn for a deeper walk in faith their journey can begin here Dr Sproul takes theology down off of the dusty shelves of theological libraries and expounds in clear and simple terms over one hundred major Christian doctrines He offers readers a basic understanding of the Christian faith that will kindle a lifelong love for truth which is foundational to maturity in Christ Here are theologically sound explanations of the biblical concepts every Christian should know written in a way that we can all understand Sproul's homespun analogies and illustrations from everyday life make this book interesting informative and easy to read Now That's a Good Question Now That's a Good Question answers more than 300 challenging questions about life and faith Sproul a distinguished theologian and educator address doctrinal points and contemporary issues such as euthanasia evolution and abortion His answers cover over three hundred topics in a personable easy to read style that's perfect for the lay person New believers as well as those older in the faith will find this book a great resource for those challenging questions of life and faith

Defining the New Testament Logia on Divorce and Remarriage in a Pluralistic Context Yordan Kalev Zhekov,2009-01-01 Christian marriage is a permanent union which requires the commitment of both spouses for its maintenance through fulfillment of its stipulations The failure of the fulfillment of the latter provides legitimate grounds for divorce and remarriage of the innocent party This work employs a fourfold approach for the development of NT ethical argumentation based on Richard B Hays Moral Vision of the New Testament The author establishes the proper contextual grounds for the NT study through formulation of the Old Testament perspective on marriage as covenant The relevant NT passages are examined through historical critical and narrative critical methods A critical study of the main Christian traditions leads to an ecumenical formulation of the theological conclusions Pragmatic implementation of the thesis follows an examination of the contemporary pluralistic context and applications in both Christian communities and the larger society within its legislative system

Crossed Fingers Gary North,1996 *A New Republic of Letters* Jerome McGann,2014-03-17 Jerome McGann's

manifesto argues that the history of texts and how they are preserved and accessed for interpretation are the overriding subjects of humanist study in the digital age Theory and philosophy no longer suffice as an intellectual framework But philology out of fashion for decades models these concerns with surprising fidelity **BIBLICAL CRITICISM** Edward D. Andrews, F. David Farnell, Thomas Howe, Thomas Marshall, Dianna Nedwman, 2017-10-29 [Biblical Studies on the Internet](#) Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use **Victim's Rights** Gary North, 1990 **Cutting Jesus Down to Size** George Albert Wells, 2013-12-01 In this provocative book noted scholar G A Wells tells the story of Higher Criticism the close study of the scriptures that reveals difficulties and discrepancies Wells traces the discipline's German beginnings exploring the problems in the New Testament that prompted scholars to revise traditional theories of the scriptures origins Wells then traces the development and reception of these views from the 18th century to today Drawing on current biblical scholarship Wells explains how the Jesus of Paul's epistles differs radically from later versions and addresses conservative Christians attempts to reconcile them He carefully analyzes what the New Testament says about miracles the Virgin Birth the Nativity Jesus conflicting genealogies the Resurrection the post Resurrection appearances and the failed prophecies of imminent apocalypse Wells persuasively profiles the New Testament as a fascinating but flawed collection of incompatible viewpoints revealing Jesus as a shifting ambiguous legendary figure who reflected the evolving teachings of a fragmented emotion based cultic movement **Lutheran Forum**, 1997 **The Mar Saba Codex** Douglas Lockhart, 2011 While attending a Catholic conference in the US to boost the faith in difficult times Australian political journalist and ex seminarian Jack Duggan is made aware of a controversial codex written by a 4th century Syrian bishop Only photographs of the codex are available the original having gone missing soon after its discovery at the Palestinian monastery of Mar Saba Within a few pages we are engaged in Duggan's struggle with his religious past a past that furnished him with the expertise to translate the codex but left him antagonistic to all things religious From there we are carried into the thick of a story that reveals step by step what this ancient codex contains and it contains not a few historical surprises At once a kind of thriller a romance and a slice of life

The Mar Saba Codex is a big story with many an unexpected twist that traverses the globe from Sydney to San Francisco and from New York to Rome reaching its grand climax in the old walled city of Jerusalem where equally belligerent forces strive for dominance Yeats Annual Richard J. Finneran,1982-06-18 **Species, Serpents, Spirits, and Skulls** Sherrie Lynne Lyons,2010-07-02 Science permeates nearly every aspect of our lives and yet as current debates over intelligent design the causes of global warming and alternative health practices indicate the question of how to distinguish science from pseudoscience remains a difficult one To address this question Sherrie Lynne Lyons draws on four examples from the nineteenth century sea serpent investigations spiritualism phrenology and Darwin s theory of evolution Each attracted the interest of prominent scientists as well as the general public yet three remained at the edges of scientific respectability while the fourth evolutionary theory although initially regarded as scientific heresy ultimately became the new scientific orthodoxy Taking a serious look at the science behind these examples Lyons argues that distinguishing between science and pseudoscience particularly in the midst of discovery is not as easy as the popular image of science tends to suggest Two examples of present day controversies surrounding evolutionary psychology and the meaning of fossils confirm this assertion She concludes that although the boundaries of what constitutes science are not always clear cut the very intimate relationship between science and society rather than being a hindrance contributes to the richness and diversity of scientific ideas Taken together these entertaining and accessible examples illuminate important issues concerning the theory practice and content of science
