Headquarters Bulletin United States. Marine Corps,1945 **Chart supplement, Pacific** United States. National Ocean Service,United States. National Aeronautical Charting Office,2007-01-01 **Emperor Hirohito and the Pacific War** Noriko Kawamura,2015-11-02 This reexamination of the controversial role Emperor Hirohito played during the Pacific War gives particular attention to the question If the emperor could not stop Japan from going to war with the Allied Powers in 1941 why was he able to play a crucial role in ending the war in 1945 Drawing on previously unavailable primary sources Noriko Kawamura traces Hirohito s actions from the late 1920s to the end of the war analyzing the role Hirohito played in Japan s expansion Emperor Hirohito emerges as a conflicted man who struggled throughout the war to deal with the undefined powers bestowed upon him as a monarch often juggling the contradictory positions and irreconcilable differences advocated by his subordinates Kawamura shows that he was by no means a pacifist but neither did he favor the reckless wars advocated by Japan s military leaders **Hold the Marianas** D. Colt Denfeld,1997 Hold the Marianas is the first English language account of the World War II battle of the Marianas from the Japanese perspective Employing diaries messages and oral histories in the English Japanese and Korean languages the author demonstrates that the Japanese commanders were their own worst enemy Despite the importance of the Marianas to the survival of the home islands they were slowly reinforced and defended at the beach line a terrible choice in light of American naval and air bombardment capabilities The book explains why the leadership held to this flawed defense Hold the Marianas describes how the Japanese high command finally came to realize its errors The result was better dug in troops at Iwo Jima and Okinawa prolonging the battles and inflicting higher American casualties Had an in depth defense been used in the Marianas American casualties might have been four or five times greater *Hold Saipan!* William Herber,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Fisheries News-letter** ,1948-08 **Brassey's Naval Annual** Earl Thomas Allnutt Brassey,1945 *U.S. Camera* ,1945 **FDR's Last Year, April 1944-April 1945** Jim Bishop,1974 A carefully researched chronicle of Roosevelt s life and work during his final months **War at Sea, 1939-1945** John Hamilton,1986 **Official Records** United Nations.
