## Holly And Harry:

*The Tunnel at the End of the Light: Essays on Movies and Politics* Jim Shepard, 2017-09-12 Shepard may be the best lesser known film critic The New York Times Book Review The first book of nonfiction from one of our great fiction writers Given that most Americans proudly consider themselves non political where do our notions of collective responsibility come from Which self deceptions when considering ourselves as actors on the world stage do we cling to most tenaciously Why do we so stubbornly believe for example that our country always means well when intervening abroad The Tunnel at the End of the Light argues that some of our most persistent and destructive assumptions in that regard might come from the movies In these ten essays Jim Shepard weaves close readings of film with cultural criticism to explore the ways in which movies work so ubiquitously to reflect how Americans think and act Whether assessing the high spirited glee of American ruthlessness captured in GoodFellas or finding in Lawrence of Arabia a portrait of the lunatic serenity of our leaders conviction in the face of all evidence and their own lack of knowledge he explores how we enter into conversations with specific genres and films Chinatown The Third Man and Badlands among others in order to construct and refine our most cherished illusions about ourselves

**Wit's End** James Combs, 2010-08-11 This book is a study of the Great Movies that fluid category of feature films deemed by various authorities film societies critics academics and movie enthusiasts to be the enduring and memorable works of cinematic history But what are they about In Wit's End the author attempts to make sense of these films in order to understand their greatness in the context of their relation to other films and to the worlds they come from and recreate on screen To that end we employ the conceptual power of pragmatic social theory and the rich idea of aesthesis to explore and arrange these films as a means of understanding what they express about the universality of human life in our keen use of wit organization of social wont and direction of cultural way It is hoped that such an inquiry will illuminate the glory of the great films and contribute to the advance of film studies

**Class, Crime and International Film Noir** D. Broe, 2014-04-08 Class Crime and International Film Noir argues that in its postwar classical phase this dark variant of the crime film was not just an American phenomenon Rather these seedy tales with their doomed heroes and heroines were popular all over the world including France Britain Italy and Japan
