Hollywood Bad:

Reel Bad Arabs Jack G. Shaheen, 2012-12-31 A groundbreaking book that dissects a slanderous history dating from cinema's earliest days to contemporary Hollywood blockbusters that feature machine gun wielding and bomb blowing evil Arabs Award winning film authority Jack G Shaheen noting that only Native Americans have been more relentlessly smeared on the silver screen painstakingly makes his case that Arab has remained Hollywood's shameless shorthand for bad guy long after the movie industry has shifted its portrayal of other minority groups In this comprehensive study of over one thousand films arranged alphabetically in such chapters as Villains Sheikhs Cameos and Cliffhangers Shaheen documents the tendency to portray Muslim Arabs as Public Enemy 1 brutal heartless uncivilized Others bent on terrorizing civilized Westerners Shaheen examines how and why such a stereotype has grown and spread in the film industry and what may be done to change Hollywood's defamation of Arabs

After Taste: Cultural Value and the Moving Image Julia Vassilieva, Constantine Verevis, 2014-01-02 In the wake of the debates over high low culture distinction spilling into the effective dismantling of the boundary that once separated them the past decade has seen the explosion of bad taste production on screen Starting with paracinema or badfilm a movement that has grown up around sleazy excessive or poorly executed B movies and has come to encompass disreputable and unworthy films this trend has been evident in various formats on television and in video art low budget and straight to TV films amateur and home movies The proliferation of trash on screen can be seen as delivering the final blow to the vexed issue of taste More importantly it prompts a reconsideration of some critical issues surrounding production circulation understanding and teaching of bad objects in the media This collection of essays written by international film and television scholars provides detailed critical analysis of the issues surrounding judgements of cultural value and taste feeling and affect cultural morals and politics research methodologies and teaching strategies in the new landscape of after taste media Addressing global and local developments from global Hollywood to Australian indigenous film and television through auteurs Sergei Eisenstein to Jerry Bruckheimer on to examples such as Twilight to Sukiyaki Western Django the essays in this book offer a range of critical tools for understanding the recent shifts affecting cultural aesthetic and political value of the moving image This book was originally published as a special issue of Continuum Journal of Media Cultural Studies

Hollywood's Women of Action Philip Caudrey, 2024-04-26 The action heroine has never been more popular than she is today with the likes of The Hunger Games 2012 Mad Max Fury Road 2015 and Wonder Woman 2017 granting her a newfound prominence in Hollywood filmmaking When most knowledgeable action fans think of the action heroine historically however they tend to do so through the prism of her most iconic characters Emma Peel in the 1960s Lynda Carter's Wonder Woman in the 1970s Ripley and Sarah Connor in the 1980s Xena Warrior Princess and Buffy the Vampire Slayer in the 1990s and of course the likes of Hermione Granger Katniss Everdeen Imperator Furiosa and Princess Diana in modern times Yet the action heroine's epic journey goes back much further than this Indeed it has its origins in the earliest days of cinema amongst the serial queens of the early silent era and the fleeting cowgirls swordswomen and jungle girls of Hollywood's Golden Age in the 1930s 1940s and 1950s This book is about that epic journey It traces the action heroine's century long struggle for legitimacy and respect beginning with the silent era serial The Perils of Pauline 1914 and ending with the big budget action blockbusters of today This book asks why the action heroine's path towards acceptability on mainstream film and television has proven such a long and tortuous one why she is so hated by a vocal minority of male action fans and how she has overcome the conservatism of the Hollywood system to at last forge a reputation for herself as a genuinely viable protagonist on both the big and small screens

A Habit of Handel Francis Reid, 2012-10-23 This is the story of a love affair with the music of George Frederic Handel It records a half century of pursuing performances across Europe in a spirit of pure hedonism including 70 different baroque operas and 35 oratorios in 75 cities The great Handel Festivals in Göttingen Halle Karlsruhe and London are visited as are the major opera houses and concert halls plus civic theatres large fringe and digital Handel is placed in his baroque context by accounts of performances of opera and music by his contemporaries This not a critical work The author loves his subject much too much for that

Richard Jaeckel, Hollywood's Man of Character Gene Freese, 2016-05-02 Character actor Richard Jaeckel worked five decades in Hollywood alongside the industry's biggest names Noted for tough guy portrayals he appeared in such classic westerns and war films as Sands of Iwo Jima 1949 The Gunfighter 1950 3 10 to Yuma 1957 and The Dirty Dozen 1967 Bringing strength and integrity to his roles he was nominated for a Best Supporting Actor Oscar for Sometimes a Great Notion 1970 A World War II veteran and Merchant Marine he was respected in the surfing and fitness communities for his ageless athleticism His performance as Turk in Come Back Little Sheba 1952 was groundbreaking for iron pumping actors wanting to be taken seriously for their dramatic abilities This revealing portrait of the life of a working character actor covers Jaeckel's noteworthy career through each of his film and television appearances from Guadalcanal Diary 1943 to Baywatch 1994 Recollections and behind the scenes stories from those he knew and worked with offer an in depth look at the dedication and professionalism it takes to make it in Hollywood

Hollywood's Vision of Team Sports Deborah V. Tudor,2018-10-24 This book analyzes the ways in which sport reflects imitates and questions cultural values It examines the representation of team sports heroes race families and gender in films and other media Analysis of the ways in which broadcast media and films create such images allows us to map the ways in which traditional cultural beliefs and practices resist and accommodate changes Films about sport do not reproduce a simple unified set of values rather they exhibit the complications of attempting to negotiate ideological contradictions During the last 50 years sports films have shifted from the heroic idealization of The Babe Ruth Story 1948 to films revealing complexities controversies and uncertainties within the sports world like Everybody s All American 1988 These contradictions are especially strong in the areas of race and gender which are related major changes in the traditional notion of the hero The book traces the transformation of the image of the hero in sports films within the context of the development of the sports celebrity epitomized by Michael Jordan

Seeing Red—Hollywood's Pixeled Skins LeAnne Howe,Harvey Markowitz,Denise K. Cummings,2013-03-01 At once informative comic and plaintive Seeing Red Hollywood s Pixeled Skins is an anthology of critical reviews that reexamines the ways in which American Indians have traditionally been portrayed in film From George B Seitz s 1925 The Vanishing American to Rick Schroder s 2004 Black Cloud these 36 reviews by prominent scholars of American Indian Studies are accessible personal intimate and oftentimes autobiographic Seeing Red Hollywood s Pixeled Skins offers indispensable perspectives from American Indian cultures to foreground the dramatic frequently ridiculous difference between the experiences of Native peoples and their depiction in film By pointing out and poking fun at the dominant ideologies and perpetuation of stereotypes of Native Americans in Hollywood the book gives readers the ability to recognize both good filmmaking and the dangers of misrepresenting aboriginal peoples The anthology offers a method to historicize and contextualize cinematic representations spanning the blatantly racist to the well intentioned to more recent independent productions Seeing Red is a unique collaboration by scholars in American Indian Studies that draws on the stereotypical representations of the past to suggest ways of seeing

Conversations with the Great Moviemakers of Hollywood's Golden Age at the American Film Institute George Stevens, Jr., 2007-02-13 ONE OF THE HOLLYWOOD REPORTER S 100 GREATEST FILM BOOKS OF ALL TIME The first book to bring together interviews of master moviemakers from the American Film Institute s renowned seminars Conversations with the Great Moviemakers offers an unmatched history of American cinema in the words of its greatest practitioners Here are the incomparable directors Frank Capra Elia Kazan King Vidor David Lean Fritz Lang I learned only from bad films William Wyler and George Stevens renowned producers and cinematographers celebrated screenwriters Ray Bradbury and Ernest Lehman as well as the immortal Ingmar Bergman and Federico Fellini Making a movie is a mathematical operation It s absolutely impossible to improvise Taken together these conversations offer uniquely intimate access to the thinking the wisdom and the genius of cinema s most talented pioneers 1930s Hollywood the Good, the Bad, and the Ugly Frank N. Brathwaite, 2013-09-04 30s Hollywood has been covered in great detail over the decades In spite of this 1930s Hollywood The Good The Bad And The Ugly Vol 1 provides a concentrated review of what made the decade stand out as a winner Vol 1 focuses on Tinseltown s highs and lows throughout a turbulent period in America s history On the backdrop that was the Great Depression Hollywood was able to deliver the goods to a society that had just about given up The movies were the only form of cheap entertainment that provided escapism for the millions of distressed and temporarily displaced people across the country The volume also delves into the lives of two charismatic individuals whose talents smarts and overall appeal changed the history of the cinema forever Plus the book compatibly covers a topic that remains as omnipresent as it was back then Gossip Inside readers will get a quick case study on the origins of the fan magazine and how it evolved into the conglomerate of entertainment based publications via on line media outlets that we all are fortunate to have with us today In modern times many are still interested in showbiz and celebrities It s the reason Hollywood is a billion dollar industry Nonetheless fascination with celebs began long ago during Hollywood s silent days Vols 2 and 3 completes the trilogy Demand will bring these volumes to the marketplace expediently in the near future Targeted Killings Claire Finkelstein, Jens David Ohlin, Andrew Altman, 2012-03-01 The war on terror is remaking conventional warfare The protracted battle against a non state organization the demise of the confinement of hostilities to an identifiable battlefield the extensive involvement of civilian combatants and the development of new and more precise military technologies have all conspired to require a rethinking of the law and morality of war Just war theory as traditionally articulated seems ill suited to justify many of the practices of the war on terror The raid against Osama Bin Laden s Pakistani compound was the highest profile example

of this strategy but the issues raised by this technique cast a far broader net every week the U S military and CIA launch remotely piloted drones to track suspected terrorists in hopes of launching a missile strike against them In addition to the public condemnation that these attacks have generated in some countries the legal and moral basis for the use of this technique is problematic Is the U S government correct that nations attacked by terrorists have the right to respond in self defense by targeting specific terrorists for summary killing Is there a limit to who can legitimately be placed on the list There is also widespread disagreement about whether suspected terrorists should be considered combatants subject to the risk of lawful killing under the laws of war or civilians protected by international humanitarian law Complicating the moral and legal calculus is the fact that innocent bystanders are often killed or injured in these attacks This book addresses these issues Featuring chapters by an unrivalled set of experts it discusses all aspects of targeted killing making it unmissable reading for anyone interested in the implications of this practice
