Hollywood The First 100 Years:

Hollywood Bruce T. Torrence,Outlet,1988-12-01 Describes the history of the city of Hollywood from 1879 to 1979 and depicts the development of the Hollywood motion picture industry **Hollywood, the First 100 Years** Bruce T.

Torrence,1979 **Hollywood** Bruce T. Torrence,1979 **The New Historical Dictionary of the American Film**

Industry Anthony Slide,2014-02-25 The New Historical Dictionary of the American Film Industry is a completely revised and updated edition of Anthony Slide s The American Film Industry originally published in 1986 and recipient of the American Library Association s Outstanding Reference Book award for that year More than 200 new entries have been added and all original entries have been updated each entry is followed by a short bibliography As its predecessor the new dictionary is unique in that it is not a who s who of the industry but rather a what s what a dictionary of producing and releasing companies technical innovations industry terms studios genres color systems institutions and organizations etc More than 800 entries include everything from Academy of Motion Pictures Arts and Sciences to Zoom Lens from Astoria Studios to Zoetrope Outstanding Reference Source American Library Association *Hollywood Remembered* Paul Zollo,2011 In *Hollywood Remembered* a wide array of Tinseltown veterans share their stories of life in the city of dreams from the days of silent pictures to the present The 35 voices many of whom have come to know Hollywood inside out range from film producers and movie stars to restaurateurs and preservationists Actress Evelyn Keyes recalls how fresh from Georgia she met Cecil B DeMille and was soon acting in *Gone With the Wind* Blacklisted writer Walter Bernstein tells how he transformed his McCarthy era experiences into drama with *The Front* Steve Allen speaks out on how Hollywood has changed since he first came there in the 1920s and Jonathan Winters relates how he left a mental institution to come work with Stanley Kramer in *It s a Mad Mad Mad Mad World* Film Study Frank Manchel,1990 The four volumes of *Film Study* include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities **D.W.**

Griffith Richard Schickel,1996-01-01 He transformed a nickelodeon novelty into a new art form and a powerful glamorous American industry He codified the rules and techniques of screen story telling and pioneered the conventions that brought films to life from surging spectacle to soul baring close ups A poor farm boy from the South Griffith rose to fame with *The Birth of a Nation* a cinematic masterpiece stained by the racism that infected his heritage Though he went on to direct some of the most legendary films of the silent era Griffith was doomed by his over reaching drives and he died an embittered man shunned by the community he had largely created His story is told here with unsparing truth and compelling narrative sweep

Lillian Hellman Deborah Martinson,2011-06-01 Few literary celebrities have lived with more abandon and under a brighter spotlight than Lillian Hellman Even fewer have been doubted as absolutely as Hellman famously denounced by rival

Mary McCarthy Attacked by critics and idealized by admirers Hellman's determination to control and manipulate her image helped make her a figure of unknowable half truths and rumors Until now Lillian Hellman *A Life with Foxes and Scoundrels* is the first biography of the iconoclastic playwright written with the full cooperation of her family friends and inner circle Deborah Martinson moves beyond the myths around Hellman and finds the sassy outrageous woman committed to writing to politics and to having her say Martinson's research through interviews archives recently declassified CIA files and her unprecedented access to Hellman's confidants paints the most complete and surprisingly admiring portrait of this remarkable writer that we've ever had Distinctly American a New Orleans Jew with one foot in Manhattan and one in Hollywood a writer whose experience spanned the Great Depression the Cold War and the Nixon years Hellman lives again in this riveting biography facing the world with wit truth lies andchutzpah

Hollywoodland Mary Mallory, Hollywood Heritage Inc., 2011-05-16 Established by real estate developers Tracy E Shoults and S H Woodruff in 1923 Hollywoodland was one of the first hillside developments built in Hollywood Touting its class and sophistication the neighborhood promoted a European influence featuring such unique elements as stone retaining walls and stairways along with elegant Spanish Mediterranean French Normandy and English Tudor styled homes thoughtfully placed onto the hillsides The community contains one of the worlds most recognizable landmarks the Hollywood sign originally constructed as a giant billboard for the development and reading Hollywoodland The book illustrates the development of the upper section of Beachwood Canyon known as Hollywoodland with historic photographs from Hollywood Heritages S H Woodruff Collection as well as from other archives institutions and individuals

The Fixers E.J. Fleming, 2015-01-28 Eddie Mannix and Howard Strickling are virtually unknown outside of Hollywood and little remembered even there but as General Manager and Head of Publicity for Metro Goldwyn Mayer Studios they lorded over all the stars in Hollywood's golden age from the 1920s through the 1940s including legends like Garbo Dietrich Gable and Garland When MGM stars found themselves in trouble it was Eddie and Howard who took care of them solved their problems hid their crimes and kept their secrets They were the Fixers At a time when image meant everything and the stars were worth millions to the studios that owned them Mannix and Strickling were the most important men at MGM Through a complex web of contacts in every arena from reporters and doctors to corrupt police and district attorneys they covered up some of the most notorious crimes and scandals in Hollywood history keeping stars out of jail and more importantly their names out of the papers They handled problems as diverse as the murder of Paul Bern husband of MGM's biggest star Jean Harlow the studio directed drug addictions of Judy Garland the murder of Ted Healy creator of The Three Stooges at the hands of Wallace Beery and arranging for an unmarried Loretta Young to adopt her own child a child fathered by a married Clark Gable Through exhaustive research and interviews with contemporaries this is the never before told story of Eddie Mannix and Howard Strickling The dual biography describes how a mob related New Jersey laborer and the quiet son of a grocer became the most powerful men at the biggest studio in the world

Medieval Art and the Look of Silent Film Lora Ann Sigler, 2019-06-20 The heyday of silent film soon became quaint with the arrival of talkies As early as 1929 critics and historians were writing of the period as though it were the distant past Much of the literature on the silent era focuses on its filmic art ambiance and psychological depth the splendor of the sets and costumes yet overlooks the inspiration behind these This book explores the Middle Ages as the prevailing influence on costume and set design in silent film and a force in fashion and architecture of the era In the wake of World War I designers overthrew the artifice of prewar style and manners and drew upon what seemed a nobler purer age to create an ambiance that reflected higher ideals

The Seductive Image K. Lloyd Billingsley, 1999-07-30 Discusses the impact and influence of television and film on society

Theda Bara Ronald Genini, 2013-02-08 Despite being a mediocre actress with less than classic beauty Theda Bara was one of Hollywood's leading performers in the early years of cinema Her success was mostly due to Fox Studio's publicity they made her a screen vamp and used her to titillate the public And Theda Bara ambitious and nearing 30 when she made her first film enthusiastically played the role In real life Theodosia Goodman bore little resemblance to the vampish Theda Bara character But the studio created persona with the invented name evil personality and fictional history was a major star Though her films were often trite poorly acted extravagant and crude the public packed movie houses But her film career ended once the public tired of the persona Through contemporary newspaper accounts film reviews interviews and other sources this is a comprehensive account of the life and times of one of Hollywood's first female stars

The Mirage Factory Gary Krist, 2019-05-14 From bestselling author Gary Krist the story of the metropolis that never should have been and the visionaries who dreamed it into reality Little more than a century ago the southern coast of California bone dry harbor less isolated by deserts and mountain ranges seemed destined to remain scrappy farmland Then as if overnight one of the world's iconic cities emerged At the heart of Los Angeles meteoric rise were three flawed visionaries William Mulholland an immigrant ditch digger turned self taught engineer designed the massive aqueduct that would make urban life here possible D W Griffith who transformed the motion picture from a vaudeville house novelty into a cornerstone of American culture gave L A its signature industry And Aimee Semple McPherson a charismatic evangelist who founded a religion cemented the city's identity as a center for spiritual exploration All were masters of their craft but also illusionists of a kind The images they conjured up of a blossoming city in the desert of a factory of celluloid dreamworks of a community of seekers finding personal salvation under the California sun were like mirages liable to evaporate on closer inspection All three would pay a steep price to realize these dreams in a crescendo of hubris scandal and catastrophic failure of design that threatened to topple each of their personal empires Yet when the dust settled the mirage that was LA remained Spanning the years from 1900 to 1930 The Mirage Factory is the enthralling tale of an improbable city and the people who willed it into existence by pushing the limits of human engineering and imagination

Clothes Make the Character Lora Ann Sigler, 2021-02-26 Clothes make the man or woman This is especially true in early Hollywood silent

films where a character's appearance could show an immense number of different things about them. For example, Theda Bara's role in *A Fool There Was* (1915) was known for her revealing clothing, seductive appearance, and being the first Vamp. Wardrobe and costume design played a larger role in silent films than in modern movies. The character's clothes told the audience who they were and what their role was in the movie. In this in-depth analysis, the author provides examples and explanations about noteworthy characters who used their appearance to further their fame. Carole Lombard Michelle Morgan, 2016-10-05. An entertaining and lucid biography. *We Are Cult*. CAROLE LOMBARD was the very opposite of the typical 1930s starlet. A no-nonsense woman, she worked hard, took no prisoners, and had a great passion for life. As a result, she became Hollywood's highest paid star. From the outside, Carole's life was one of great glamour and fun; yet privately, she endured much heartache. As a child, she was moved across the country away from her beloved father. She then began a film career, only to have it cut short after a devastating car accident. After she picked herself back up, she was rocked by the accidental shooting of her lover, a failed marriage to actor William Powell, and the sorrow of infertility during her marriage to Hollywood's King, Clark Gable. *Tito Puente* Josephine Powell, 2010-08-01. Ernesto Tito Puente, born in 1923 in Spanish Harlem, is a tale about an impoverished Puerto Rican boy who grew up with the advent of radio and American swing bands. At age ten, he aspired to be a dancer like Fred Astaire. An ankle injury gave him the opportunity to explore his talent as a musician. At fourteen, he won the coveted Benny Goodman Gene Krupa drum contest. **Paul Bern** E.J. Fleming, 2009-03-23. Paul Bern, known throughout the movie business as Hollywood's Father Confessor, earned a reputation for being a loyal and supportive friend and for becoming one of MGM's most respected and creative directors. After his death, though, he was said to have grown so depressed and despondent over his own apparent sexual inadequacies that he committed suicide, and he would be denounced for attempting to rape his new bride, Jean Harlow. In this biography, the author uncovers startling new facts and argues that MGM knew the real story of Bern's death: that an estranged, mentally ill common-law wife murdered him. MGM understood that the earlier spouse rendered Bern's marriage to Harlow its fastest rising star, ambiguous if not bigamous, so the studio staged a suicide and embarked on a very public tarnishing of his memory. Included are 93 rare photos, many lost for decades, along with three appendices examining the handwriting on an alleged suicide note and Bern's will and estate. **Happy Landings** Patti Bender, 2023-03-14. With a career spanning 40 years, Emilie Baker Loring saw millions of her books sold during her lifetime. *Happy Landings: Emilie Loring's Life, Writing, and Wisdom* shares this best-selling author's uplifting story for the first time. Loring's books brimmed with intricate plot twists, intense imagery, and page-turning excitement, setting her works apart from the drugstore novels of the early to mid-20th century. Her oft-quoted phrases are part of the American lexicon. Her readership has continued long after her passing. Now, with generations of readers, Loring's books have sold more than thirty-seven million copies in a dozen languages. And now, Emilie's own compelling life story is finally told in full. With never-before-published photographs, privileged access to the Loring family archives, and twenty years

of meticulous research Patti Bender reveals a woman who lived as she wrote with intelligence humor and wisdom Publisher s website **Ballparks of North America** Michael Benson,2024-10-16 What grandstand collapsed during a game killing twelve How high is the Green monster in Fenway In what park was the outfield fence only 187 feet from home plate Ballparks of North America is a comprehensive encyclopedia of the grounds yards and stadiums used for organized baseball from the invention of the sport in the 1840s to the year 1988 Entries listed alphabetically by community cover everything from cornfields to Yankee Stadium Each entry gives the location of the park who played there and when home run dimensions seating capacity architectural comments attendance records and anecdotes More than 100 photos and drawings are included some rare
