Holy Clues:

Holy Clues Stephen Kendrick, 2007-12-18 If God is the greatest mystery of them all then why not in pursuit of God consult the greatest detective of them all In this imaginative and surprisingly profound book Stephen Kendrick reveals Sherlock Holmes as spiritual guide Drawing on the teachings of Christianity Buddhism and Judaism as well as a host of thinkers as varied as Albert Einstein Gandhi and Vincent van Gogh Kendrick explores the stories of Sherlock Holmes and finds remarkably prescient religious insights He shows us the link between careful observation of clues and the Buddhist concept of Bare Attention He illuminates the parallel between the great sleuth s pursuit of justice and God s actions on the scene of the first murder when Cain slew Abel And in the detective s open engaged mind Kendrick finds a model for uniting the principles of science with a sincere spiritual quest The result is a book of inspiration for the modern skeptical searcher and an entertaining work that sheds new light on the methods of the world s greatest detective *The Living Church*, 2000-07

The Holy Spirit and the Church Catechist Guide Susan Stark, 2009-02 This faith formation program introduces young Catholic adolescents to Jesus Christ in a new way and inspires them to follow him Fostering the faith of young adolescents involves helping them to make connections between the Catholic faith and everyday life *The Holy Place* Henry Lincoln, 2012-08 From the coauthor of *Holy Blood Holy Grail* a basis for *The Da Vinci Code* comes a deeper exploration of the secrets of Rennes le Chateau In 1982 Henry Lincoln along with colleagues Michael Baigent and Richard Leigh published *Holy Blood Holy Grail* which became an immediate international bestseller It investigated Rennes le Chateau a small town in France where in the late nineteenth century Benger Sauniere s discovery of a series of parchments led in turn to a large but cursed treasure that challenged many traditional Christian beliefs including the possibility that Jesus s bloodline still exists The treasure s story moved back through history to the Crusades the origins of the Knights Templar and the Virgin Birth itself While Baigent and Leigh have moved on to different subjects Lincoln has continued to pursue the mysteries of Rennes le Chateau Dan Brown s international bestseller *The Da Vinci Code* based on *Holy Blood Holy Grail* reignited curiosity about this ancient powerful town In *The Holy Place* Lincoln reveals through further surveys decoding and analysis that this area in southwest France is the site of a vast megalithic Christian masterpiece a holy place of enormous size and importance *The Wandering Holy Man*, 2020-06-09 Barsauma was a fifth century Syrian ascetic archimandrite and leader of monks notorious for his extreme asceticism and violent anti Jewish campaigns across the Holy Land Although Barsauma was a powerful and revered figure in the Eastern church modern scholarship has widely dismissed him as a thug of peripheral interest Until now only the most salacious bits of the Life of Barsauma a fascinating collection of miracles that Barsauma undertook across the Near East had been translated This pioneering study includes the first full translation of the Life and a series of studies by scholars employing a range of methods to illuminate the text from different angles and contexts This is the authoritative source on this influential figure in the history of the church and his life travels and relations with other religious groups

[How Sherlock Pulled the Trick](#) Brian McCuskey, 2021-06-01 A masterful combination of literary study and author biography How Sherlock Pulled the Trick guides us through the parallel careers of two inseparable men Sherlock Holmes and his creator Sir Arthur Conan Doyle Reconsidering Holmes in light of Doyle s well known belief in Victorian spiritualism Brian McCuskey argues that the so called scientific detective follows the same circular logic along the same trail of questionable evidence that led Doyle to the s ance room Holmes s first case A Study in Scarlet was published in 1887 when natural scientists and religious apologists were hotly debating their differences in the London press In this environment Doyle became convinced that spiritualism as a universal faith based on material evidence resolved the conflict between science and religion The character of Holmes with his infallible logic was Doyle s good faith solution to the cultural conflicts of his day Yet this solution has evolved into a new problem Sherlock Holmes now authorizes the pseudoscience that corrupts our public sphere defying logic revising history and promoting conspiracy theories As this book demonstrates wearing a deerstalker does not make you a mastermind more likely it marks you as a crackpot Fascinating and highly readable How Sherlock Pulled the Trick returns the iconic Holmes to his mystical origins

Sherlock Holmes and Philosophy Josef Steiff,2011-10-11 This entertaining collection of essays shows that Sherlock Holmes sees things others don't He sees the world in a different way and by so doing allows us to see that same world and

human behavior in different ways as well Oh sure there have been countless detectives who have followed in his footsteps and who seem to rival his abilities Just turn on the TV or browse the local bookshop and you ll find idiosyncratic super sleuths using forensics and reasoning to solve a whole host of crimes and misdeeds And yet no one rivals our dear dear Holmes Why does Sherlock reign even more than a century later as king Can this mystery be solved Unable to reach either Holmes or Watson or Doyle for that matter though we ve tried every medium we can think of we ve been forced to gather our own team of investigators to practice their powers of observation and perception to apply their own reasoning and methodologies to the task at hand The results I fear have led us to a number of cases that must be solved first Is Holmes simply eccentric or a sociopath Is he human or something from the holodeck Is he as dangerous on the page as he is in person Wait does he even exist For that matter do you I fear several investigators have been forced to take a much needed holiday after wrestling with that one What is the source of his faculty of observation and facility for deduction Systematic training as Watson surmises Genetic Or is he just really lucky And is this whole logic thing compatible with emotions Are Holmes and Watson good friends or soul mates Just what is the nature of friendship Do they complete each other or just get on each other s nerves And why all the secrecy Disguises Deceptions The plot thickens What is the essence of consciousness Is the observable world subject to our intentions Why does Holmes debunk mysticism when Doyle so readily embraces it Why is Holmes our favorite drug user Our notebooks are filled with clues and dare I say answers Is there more than one way to define the concept justice Is hope necessary in the world Is boredom Play Can any thing really be understood Objectively And just what is the last unresolved mystery involving Sherlock Holmes The game that s afoot isn t just the thing being pursued but the fun to be had as well
