Holy Invitations Exploring Spiritual Direction:

Holy Invitations Jeannette A. Bakke, 2000-10-01 Learn how to nurture your awareness of and response to God's love and guidance through the historical practice of spiritual direction **Short Term Spiritual Guidance** Duane R. Bidwell, This book represents a significant departure from most contemporary writing about spiritual direction While most writers focus on long term relationships of guidance specifically envisioning long listening sessions Bidwell changes focus Spiritual direction he insists typically requires intervention in a specific crisis or situation or question is not formal lasts fewer than five sessions and must be actively and intentionally focused on the person's growth Bidwell's work shows what spiritual directors can learn from the short term therapy model especially about enabling people briefly but effectively to learn to listen on their own and with others for God's presence Focusing on how God is already active in the directee's life allows the participants to identify God's action and respond in ways that collaborate with that identified movement of the Spirit

Exploring and Engaging Spirituality for Today's Children La Verne Tolbert, 2014-05-19 Exploring and Engaging Spirituality for Today's Children A Holistic Approach answers questions about the most effective ways to help children pre teens and teens develop spiritually This collection of research gleaned from presentations during the Fourth Triennial Children's Spirituality Conference at Concordia University in 2012 is divided into four major sections 1 theological and historical foundations 2 engaging parents and congregations 3 engaging methodologies and 4 exploring children at risk child pornography social justice intercultural diversity and abstinence education Researchers acknowledge that the home is the foundation for Christian nurture In Exploring and Engaging Spirituality for Today's Children both scholars and ministry leaders come together with parents to promote a holistic environment where children are encouraged to love respect and obey God From birth to high school children's voices resonate throughout these studies as they are invited to share their reflections and experiences Exploring and Engaging Spirituality for Today's Children is a lively easy to read collection that reflects a broad range of faith traditions and is ideal for all those who are committed to the spiritual development of children

Sacred Companions David G. Benner, 2004-07-23 We need companions on our spiritual journey In this inviting guide David G Benner introduces readers to the riches of spiritual friendship and direction explaining what they are and how they are practiced Through prayerful guided attunement to God's activity sacred companions provide care for the soul and Benner models the kind of traveling companion who can move us toward deeper intimacy with God *To Tell the Sacred Tale* Ruffing, Janet K., RSM, 2011 This book shows the singular importance of narrative in the process of spiritual direction and reflects on this interactive process of sharing our sacred stories in pastoral contexts in order to hear and respond more deeply to the story God is telling in our lives Spiritual Direction Sue Pickering, 2014-09-16 Spiritual direction has been an intrinsic part of the Christian tradition since the earliest days of the church when desert mothers and fathers were sought out for their wisdom and guidance This guide aims to equip clergy and laity engaged in this task or in training for it *How*

Then Shall We Guide? Jimmy Boon-Chai Tan, 2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition's practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri perspective of history theology and method that faithfully reflects each tradition's distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work's thesis Spiritual Direction and the Care of Souls Gary W. Moon, David G. Benner, 2004-04-08 Editors Gary W Moon and David G Benner along with a team of expert contributors provide a comprehensive survey of spiritual direction in its myriad Christian forms With insights on spiritual direction's relationship to psychotherapy and pastoral counseling this book serves as an authoritative resource for spiritual transformation and pastoral care *The Upper Room Dictionary of Christian Spiritual Formation* Keith Beasley-Topliffe, 2017-02-01 This reference book compiled with the help of more than 50 scholars from many denominations provides a basic guide to Christian spiritual formation through more than 470 entries It covers such subjects as great spiritual teachers of the past and present important topics in Christian spirituality and ways to pray and lead groups in prayer and spiritual growth Containing enough information to get you started but not so many details as to overwhelm the entries in this dictionary answer such questions as What is spiritual formation What is grace How does it help me grow What is centering prayer How do I do it Who is Hildegard of Bingen What did she write How can I grow in forgiveness What are Fowler's stages of faith What are other ways of talking about stages of spiritual growth This dictionary also includes a chart that compares various Christian spiritual traditions plus a list of significant spiritual classics by title and author *An Open Place* Daniel Schrock, Marlene Kropf, 2012-11 Written from an ecumenical standpoint as a practical aid for moving those experienced in individual spiritual direction toward group practices This book responds to the movement to expand spiritual direction beyond the classic on with one model Group spiritual direction has the potential to offer the rich experience of individual spiritual direction to a much wider audience yet very little has been written to provide guidance for starting such groups This book responds to that challenge It outlines ways that a diverse and ecumenical group of spiritual directors worked to initiate groups in multiple contexts It examines the many variables among directors directees even meeting spaces that affect and enliven this ministry And it summarizes pitfalls success and discoveries *Affirmation and Healing Within Spiritual Direction* Cynthia Herman, 2020-05-26 ABSTRACT Key to the process of spiritual growth is the knowledge that human beings long for love They desire to know their worth and value This seeking leads to a desire for a relationship with God In order to grow in faith to a deeper relationship with God it is important to first have a strong sense of one's own worth as a basis for growth This

involves an accurate self perception and a loving self acceptance Affirmation can help to develop a loving self acceptance where one can experience feel and see one s worth Affirmation is a gift of love from one person to another where one receives oneself as one experiences one s own goodness and dignity from the other and one learns one is lovable Another key to spiritual growth is self knowledge Self acceptance and self knowledge are the beginning of the spiritual life Developing emotional awareness leads to greater self knowledge Emotions need to be listened to and interpreted as part of the development of self knowledge and self acceptance This emotional awareness is the beginning of understanding the negative patterns of behavior that comes out of one s woundedness With the healing presence of Christ through prayer one can experience God s love for them in one s woundedness and know that God dwells within and desires to transform and heal wounds with his love This affirms one in one s worthiness enabling one to be able to open to receive love and then return love In spiritual direction one seeks a relationship with God It is a sacred time of growth conversion and transformation It is a time when one looks at a relationship with self others and God One is empowered by the grace of God to enter this process and continue the development of these relationships The ministry of spiritual direction is called to be the sacred place where humanity in their fullness meets their God and accepts his mercy When one surrenders to this grace one is surrendering to love mercy and affirmation One s self image and relationship with others and God are touched and experienced in a new light

Routes and Radishes Mark L. Russell, Allen L. Yeh, Michelle Sanchez, Chelle Stearns, Dwight J. Friesen, 2010-11-02 Self identifying as evangelical is risky business these days What is Evangelicalism Is it a historical artifact A political philosophy A set of doctrines A litmus test for genuine faith Perhaps more important what will come to mind when future generations hear something described as evangelical The authors of Routes and Radishes approach this issue from various points of influence within evangelical organizations denominations and institutions They believe that the historical distinctive of Evangelicalism is too powerful and too positive to be abandoned Yet they all desire that the Evangelicalism of the future break away from common pitfalls in the task of loving people toward a vital relationship with God through Jesus Christ Each author brings a different but vital perspective to the conversation this book represents They chart a path that while not monolithic takes seriously the past and potential of the evangelical movement Furthermore they invite you to digest participate question and make the future of Evangelicalism a meaningful part of your walk of faith Sacred Listening James L. Wakefield, 2006-08-01 A profound call to Christian discipleship An intensive course in Christian faith A creative freedom to serve God that is deeply grounded in Scripture These are ways to describe Sacred Listening James L Wakefield s adaptation of the classic Spiritual Exercises of Ignatius Loyola Central to the Society of Jesus Jesuits the Spiritual Exercises is a manual used to direct a month long spiritual retreat Now adapting these time honored Exercises specifically for Protestant Christians James L Wakefield encourages readers to integrate their secular goals with their religious beliefs and helps them reflect on the life of Jesus as a model for their own discipleship Combining scholarship with classic forms of spirituality Sacred

Listening will interest church leaders and lay Christians who want to deepen their faith *Journey With Me* Herbert F. Lamp Jr.,2021-07-27 Have you ever wondered Is this all there is to life and ministry with the Lord Why am I so tired all the time How can I grow in my intimacy with God in practical ways Am I so busy doing that I have forgotten how to be with God As ministry workers we too often face these questions because we too often expect a thriving personal relationship with God to be an outcome of our ministry *Journey With Me* illustrates that ministry is the result of the overflow of our relationship with God rather than vice versa Exploring over fifteen ancient spiritual graces such as Lectio Divina rule of life silence and solitude and prayer of Examen Herbert F Lamp Jr invites us to prioritize soul care rather than treating ministry as a replacement for intimacy In the process of knowing and being known God fills us up with his love joy peace and wisdom Only then can we minister to others balancing a heart for God with hands for service After almost four decades of missionary service Lamp has experienced the joys and potential pitfalls of serving Christ cross culturally Sharing his experiences and offering practical time tested methods to grow spiritually Lamp invites you to journey with Our Father intimately as you cross your cultural linguistic ethnic and geographic borders serving him wholeheartedly and passionately **The Spiritual Order of a Messy Church** Santosh K. Marray,2019-09-05 Spirituality discipleship and evangelism are three critical timeless disciplines used by the church to transform faith communities from followers to disciples and then to effective faith practitioners It is not always easy to cultivate these disciplines but as an empowered faith practitioner and doer of the Word each of us can learn how to be revitalized and transformed The *Spiritual Order of a Messy Church* is written for both laypeople and clergy who are intentionally pursuing personal and spiritual growth by using historic grounded themes practiced by the early church spirituality discipleship and evangelism Author Santosh K Marray describes the correlation between Acts 2 42 47 the classical model of the early church for spirituality discipleship and evangelism and the affirmations embodied in the baptismal covenant He describes how both laypersons and clergy can develop a personal spiritual order to govern their lives and translate that spiritual structure to the congregations they may be leading and with whom they worship In this challenging period where church growth is in decline especially in mainline churches The *Spiritual Order of a Messy Church* advocates a more robust spiritual engagement undergirded by a rule of order Spirituality appropriately defined as formed for Christ could be achieved through the user friendly approach advocated here The message of Jesus is that the authentic Christian is one who practices what she or he believes **Seeking Spiritual Intimacy** Glenn E. Myers,2011-03-28 In *Seeking Spiritual Intimacy* Glenn Myers introduces us to the Beguines a network of faith communities in Medieval Europe where women organized their world around a simple life with Christ at the center Learn from the insights of wise women of faith who from their modest homes and communities revitalized the faith of a continent Henri Nouwen and Spiritual Polarities Wil Hernandez,2012 Highlights the tension filled nature of our journey and shows us via Nouwen s example how we too can navigate our way through it in a transformative way **Mystic Bonfires** Kevin

Goodrich,2022-06-08 For centuries people have been drawn to the Christian mystics women and men who have known God in powerful and experiential ways Mystic Bonfires is for students scholars and practitioners of ministry theology and spiritual formation It explores theology and theory and shares insights for practice and prayer Readers will encounter classical concepts about the spiritual life and how to apply these concepts to their ministries in faithful and creative ways Mystic Bonfires includes questions for students in academic and formation settings as well as project ideas for congregations Mystic Bonfires explores the intersection of spiritual theology and practical theology Walter Hilton a 14th century English mystic and a contemporary of Julian of Norwich serves as a case study for the intersection of these fields called practical spiritual theology

Experience Matthew Floding,Dawn Davis,2024-11-05 Spiritual formation has gained increasing attention with theological schools as a significant element of the theological education process Repeated Association of Theological Schools studies have revealed a broad interpretation of what is meant by spiritual formation and how it is achieved within the theological education framework Theological schools look to what happens in the field education courses as the most significant source of spiritual formation Experience Spiritual Formation in Theological Field Education provides effective resources that field educators may employ to foster spiritual formation In the first section of the book twenty five practices are introduced that are employed currently by field educators with strong favorable student feedback In a second section ministerial leaders in a variety of settings share spiritual practices that they have found life giving and foster deeper connection with God and God s world Experience equips field educators for the significant task of fostering the spiritual growth of their students Students in turn will have a treasure trove of spiritual formation exercises practices that they can adapt as ministerial leaders in congregations chaplaincy settings and in faith based non profit organizations
