Sir Richard Bolton

House Of Peace:

Peace with Dishonour. A Speech Delivered in the House of Lords, March 31st, 1881 Hugh McCalmont Cairns, 2025-07-07 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

The Prison House of Alienation Murzban Jal, 2020-05-21 The Prison House of Alienation is an exploration of the humanist theme of alienation that Marx theorized in his Economic and Philosophic Manuscripts of 1844 It relates this theme of alienation with the themes of haunting in the Manifesto of the Communist Party and accumulation of capital that he outlined in his magnum opus Capital The volume claims that humanity plagued by ghosts is dwelling in a prison house from which there seems no escape Yet humanity seeks to escape from this prison house The essays are a consequent journey in dramaturgy where science and art truly meet to create emancipatory politics that goes well beyond the entire discourse of twentieth century socialism The volume begins with Hamlet's lament in Shakespeare's tragedy who struck by alienation is haunted by the ghost of his dead father It then discusses how instead of creating a radical theory for creating a socialist alternative haunting gave way to interpretation as an estranged hermeneutical act that displaces revolutionary theory and praxis This displacement of revolutionary praxis in turn gave way to violence This volume therefore also analyzes violence from Clausewitz to Mao revealing that a rigorous line must be drawn between Stalinism and Maoism on one side and authentic Marxism on the other side It concludes by questioning the very idea of ideology suggesting that ideology is not merely a false consciousness but a terrible psychotic act that would devour the entire emancipatory project of Marxism itself Placing the human condition at the centre for alternative twenty first century politics The Prison House of Alienation reveals that there can be no science without art and no politics without humanity It will be of great interest to scholars of philosophy and politics The essays were originally published in various issues of Critique Journal of Socialist Theory

well as intelligence agents in the CIA the Pentagon and Israel Unger shows how the Bush administration s certainty that it could bend history to its will has carried America into the disastrous war in Iraq dooming Bush s presidency to failure and costing America thousands of lives and trillions of dollars Far from ensuring our security the Iraq War will be seen as a great strategic pivot point in history that could ignite wider war in the Middle East particularly in Iran Provocative timely and disturbing The Fall of the House of Bush stands as the most comprehensive and dramatic account of how and why George W Bush took America to war in Iraq Debates of the House of Commons Great Britain.
