Expository Nuggets for Today's Christians D. Stuart Briscoe, 1993-10 **Expository Nuggets from 1 Peter** Patrick Mead, 2008-03-27 26 expository sermon outlines on triumphant living from 1 Peter Great for preachers teachers and Bible students *Fresh Air in the Pulpit* D. Stuart Briscoe, 1994 *Bringing the Depths into Focus* T. Scott Womble, 2021-08-16

The Bible is a frustrating book to many Christians It's not uncommon to hear that it's difficult to understand To complicate the matter we live in a culture that dismisses the importance of God's word altogether and we are left to wonder if Scripture has lost its impact At a time when the world needs the wisdom of God's word many are skeptical as to why they should bother reading the Bible at all Scott Womble brings hope to this bleak situation by showing how we can not only learn to read and interpret the Bible more skillfully but also enjoy our time in study In addition to discussing critical issues such as literary context genre identification and background study Womble breaks new ground by encouraging us to both hear and see the text semiotically This incorporation of semiotics into the interpretive process helps us more fully interact with the word While sound interpretation is of great importance the end goal of Bible reading is application For Womble this is the crux of the matter Scanning prominent theories of application and concluding with seven guidelines this book is sure to help Jesus followers become more intentional doers of the word **Paperbound Books in Print**, 1992 [Books in Print Supplement](#), 2002 **Evangelical Dictionary of Christian Education** Michael J. Anthony, Warren S. Benson, Daryl Eldridge, 2001 Over 850 articles explore the history philosophy and theology of Christian education and provide insight into educational methodology learning theory and practice [Paperbound Books in Print 1995](#) Reed Reference Publishing, Reference Reed, 1995-12 **Subject Guide to Books in Print**, 1997 **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc. agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Forthcoming Books** Rose Arny, 1996-06 *Sin and*

Redemption Robert B. Callahan, 2011-09-14 The genius of Paul is evident in chapter 2 of his Letter to the Ephesians However more importantly two truths are revealed through a closer examination of his presentation First is the realization that Paul listens contemplates and abides by the words of his Savior and ours in presenting the truths revealed to him This was the result of Paul relinquishing the mantle of self centeredness and replacing it with the crown of Christ centeredness This became his guiding light through the tests trials and tribulations of walking with Jesus Second there is the recognition of Paul s love for and commitment to professing Christians whether they be babes in the faith adolescents or maturing adults He realized they had been or would be confronted by the desires of the flesh and of the mind during their life s journey He wanted them to know the living Christ This chapter is pivotal to understanding God s mercy and grace as well as our need for His spiritual blessings When we accept the Lord Jesus invitation to follow Him in His commands and teachings we will know the joy of a right relationship with the glorious Father reconciliation through Christ praying through the Holy Spirit and God s Foundation built on the apostles and prophets
