GHOSTS, UFO. Henry Gordon,1988 *The Paranormal* Eric Carlton,2017-11-22 This title was first published in 2000 A manifestation of mass hysteria a compensation for physical or emotional deprivation or an alternative to religion What is the function of the paranormal in society This question and its many possible answers are the subject of this scholarly study of our enduring fascination with experiences for which science provides no ready explanations From the ancient cultures of Mesopotamia and Egypt to the present day Eric Carlton surveys the development of ideas and research associated with the paranormal culminating as it does today in the recognized academic status accorded to parapsychology With a critical yet open mind Carlton explores issues associated with the study of the paranormal such as witchcraft beliefs near death experiences and the UFO phenomenon Case studies are employed to illustrate and illuminate certain examples and theories This thought provoking book concludes that the paranormal and our study of it provides a multi faceted vehicle for humanity s quest to find meaning in life

Channeling Joel Bjorling,2019-06-19 Originally published in 1992 Channeling is a comprehensive bibliography on the subject of channeling The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with UFOs and contemporary channeling groups The book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement It provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time This volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult

Your Psychic Potential Richard Ireland,2011-01-11 Known as the Psychic to the Stars Richard Ireland counseled celebrities including Mae West Amanda Blake and Glenn Ford Twelve years after Ireland s death in 1992 his son Mark was sent this manuscript written in 1973 Recently as Mark Ireland recounts in the foreword two psychic mediums with no prior knowledge of the project have received messages suggesting that his father deliberately delayed the book s release until now when it would reach an audience more receptive to developing their psychic talents Your Psychic Potential includes a description of the four spheres levels of psychic activity an exploration of the relationship between artistic talents and the psychic tests and experiments to help unleash psychic ability a psychic s diet and meditative exercises that support the freer flow of abilities and tools to counter inhibitory fears Anyone interested in discovering their extrasensory talents and achieving conscious control over them is sure to find this an indispensable guide

Psychics, Sensitives and Somnambules Rodger I. Anderson,2015-01-27 Claimants of paranormal abilities have always attracted controversy and fascination and sometimes rigorous study by scientists Charles Bailey an Australian medium was seemingly able to materialize different objects animate and inanimate under conditions which made it difficult to conceive how they could have been normally produced Sumitra Singh a woman of Northern India who in 1984 became subject to epileptic type

seizures claimed to be possessed by spirits of the dead Franck Kluski was a Polish poet banker and physical medium who specialized in both human and animal materializations This biographical dictionary contains profiles of 330 psychics worldwide from Tony Agpaoa to Elenor Zugun each accompanied by a bibliography listing the primary sources consulted The primary focus is on those claimed psychics who have figured prominently in the history of the subject though some lesser known figures are included to show how rich varied and colorful that history has been The aim throughout is to present each case as fairly and dispassionately as the facts allow with a particular eye for accuracy in details and presentation The approach is historical not apologetic or accusatory making the work ideally suited as a permanent reference *Channeling Into the New Age* Henry Gordon, 2011-04-29 What exactly is the New Age movement Why has it become the dominant force of the Zeitgeist invading nearly every aspect of American life After years of researching this burgeoning movement columnist author and magician Henry Gordon is one of the world's foremost experts on every aspect of the New Age its derivations and content the people most involved in it the forces that motivate and prolong it and the enormous amount of money changing hands as the me generation takes on astrology crystals runes channeling mysticism yoga acupuncture herbal medicine telepathy precognition clairvoyance biofeedback biorhythms reincarnation and every sort of psychological technique for heightened awareness At the forefront of the brouhaha is high profile actress lecturer and free spirit Shirley MacLaine This book is strictly unauthorized a freewheeling and spirited roast of the New Age including a history of trends leading to the movement rooted in 19th century occultism and observations on the vast amount of coverage given to the movement and to New Age celebrities by the print and broadcast media Although Gordon delights in skewering the absurdities of the New Age there's a serious emphasis to his research and his message While the gurus are busy channeling into new realities they are becoming phenomenally rich without contributing in any significant way to the alleviation of human unhappiness and very often without making any sense at all Sharp wit and common sense Wise and often hilarious Rocky Mountain News

Pseudoscience and the Paranormal Terence Hines, 2010-09-30 Television the movies and computer games fill the minds of their viewers with a daily staple of fantasy from tales of UFO landings haunted houses and communication with the dead to claims of miraculous cures by gifted healers or breakthrough treatments by means of fringe medicine The paranormal is so ubiquitous in one form of entertainment or another that many people easily lose sight of the distinction between the real and the imaginary or they never learn to make the distinction in the first place In this thorough review of pseudoscience and the paranormal in contemporary life psychologist Terence Hines teaches readers how to carefully evaluate all such claims in terms of scientific evidence Hines devotes separate chapters to psychics life after death parapsychology astrology UFOs ancient astronauts cosmic collisions and the Bermuda Triangle faith healing and more New to this second edition are extended sections on psychoanalysis and pseudopsychologies especially recovered memory therapy satanic ritual abuse facilitated communication and other questionable psychotherapies There are also new chapters on alternative medicine

which is now marketed in our drug stores and on environmental pseudoscience with special emphasis on the evidence that certain technologies like cell phones or environmental agents like asbestos cause cancer Finally Hines discusses the psychological causes for belief in the paranormal despite overwhelming evidence to the contrary This valuable highly interesting and completely accessible analysis critiques the whole range of current paranormal claims *The Skeptic's Dictionary* Robert Carroll,2011-01-11 A wealth of evidence for doubters and disbelievers Whether it s the latest shark cartilage scam or some new repressed memory idiocy that besets you I suggest you carry a copy of this dictionary at all times or at least have it within reach as first aid for psychic attacks We need all the help we can get James Randi President James Randi Educational Foundation randi.org From alternative medicine aliens and psychics to the farthest shores of science and beyond Robert Carroll presents a fascinating look at some of humanity s most strange and wonderful ideas Refreshing and witty both believers and unbelievers will find this compendium complete and captivating Buy this book and feed your head Clifford Pickover author of The Stars of Heaven and Dreaming the Future A refreshing compendium of clear thinking a welcome and potent antidote to the reams of books on the supernatural and pseudoscientific John Allen Paulos author of Innumeracy and A Mathematician Reads the Newspaper This book covers an amazing range of topics and can protect many people from being scammed Stephen Barrett M D quackwatch.org Featuring close to 400 definitions arguments and essays on topics ranging from acupuncture to zombies The Skeptic s Dictionary is a lively commonsense trove of detailed information on all things supernatural occult paranormal and pseudoscientific It covers such categories as alternative medicine cryptozoology extraterrestrials and UFOs frauds and hoaxes junk science logic and perception New Age energy and the psychic For the open minded seeker the soft or hardened skeptic and the believing doubter this book offers a remarkable range of information that puts to the test the best arguments of true believers *Treatise on Basic Philosophy* Mario BUNGE,1979-04-30 *Anomalistic Psychology* Leonard Zusne,Warren H. Jones,2014-01-14 Updating and expanding the materials from the first edition *Anomalistic Psychology* Second Edition integrates and systematically treats phenomena of human consciousness and behaviors that appear to violate the laws of nature The authors present and detail a new explanatory concept they developed that provides a naturalistic interpretation for these phenomena *Magical Thinking* For undergraduate and graduate students and professionals in cognitive psychology research methods thinking and parapsychology **Extrasensory Deception** McLean Jacobson,2018-04-14 Suny Davis has plenty of reasons to swear Everyone at boarding school hates her since she learned her social skills from hundred year old books Her father s a celebrated paranormal researcher who might be a fake She s being transferred to what a college for young geniuses Her father s infuriating but handsome assistant Anthony is assigned to babysit her And then she s the last to see the student who s murdered in the supposedly haunted science building But is the murderer really a poltergeist That would give Suny even more reason to swear When her father asks Anthony to investigate and he has the audacity to suggest she help him by using

the psychic abilities he is sure she possesses Suny really swears Swears to find the killer with good old fashioned detective work Swears not to use any of her psychic powers Well maybe a little **Treatise on Basic Philosophy M.**
