

EY UP MI DUCK!

**PART
ONE**

by
Richard Scollins
and
John Titford

*An affectionate look at the
speech, history and folklore
of Ilkeston and the
Erewash Valley.*

Ey Up Mi Duck Part One

D. H. Lawrence

Ey Up Mi Duck Part One:

Ey Up, Mi Duck ! Richard Scollins, John Titford, 1976 *Real English* James Milroy, Lesley Milroy, 2014-06-03 While it is accepted that the pronunciation of English shows wide regional differences there is a marked tendency to under estimate the extent of the variation in grammar that exists within the British Isles today In addressing this problem *Real English* brings together the work of a number of experts on the subject to provide a pioneer volume in the field of the grammar of spoken English **Transactions of the Yorkshire Dialect Society** Yorkshire Dialect Society, 1976 List of members in each number A Bibliography of Writings on Varieties of English, 1965-1983 Wolfgang Viereck, Dr Edgar Schneider, Manfred Görlach, 1984-01-01 After the growth of English and American dialectology since the 1930 s and the expansion of sociolinguistics since the 1960 s the study of world English has emerged in recent years to join these other disciplines This bibliography is intended to reflect what has been achieved in this area and to serve as an indispensable research tool for further investigations The bibliography is divided into three parts each one is preceded by a preface which explains the procedures followed and each of the sections is followed by an index It classifies the items according to specific areas ethnic groups or similar topics **Studies in General and English Phonetics** Jack Windsor Lewis, 2012-08-21 Rhythm intonation exotic and familiar languages as well as computer synthesized audio communications procedures in forensic linguistics pronunciation lexicography language change and sociological aspects of speech such as English regional accents and dialects in Britain and other parts of the world are covered in these thirty eight articles in tribute to Professor J D O Connor by an international list of contributors including many world famous names With an invaluable up to date bibliography no university library will be complete without it **Dialect Writing and the North of England** Honeybone Patrick Honeybone, 2020-09-04 Analysing examples from 18th century literary texts through to 21st century social media this is the first comprehensive collection to explore dialect writing in the North of England The book also considers broad questions about dialect writing in general What is it Who does it What types of dialect writing exist How can linguists interpret it Bringing together a wide range of contributors the book investigates everything from the cultural positioning and impact of dialect writing to the mechanics of how authors produce dialect spellings and what this can tell us about the structure of the dialects represented The book features a number of case studies focusing on dialect writing from all over the North of England considering a wide range of types of text including dialect poetry translations into dialect letters tweets direct speech in novels humorous localised volumes written reports of conversations and cartoons in local newspapers **Mr Noon** D. H. Lawrence, 1987-05-21 This is an autobiographical novel more or less a sequel to *Sons and Lovers* The first part appeared as a short story in 1934 the second larger part was never published *Mr Noon* was first published in its entirety in 1984 and was widely hailed as a major literary event East Midlands English Natalie Braber, Jonnie Robinson, 2018-07-23 This volume will provide a comprehensive yet accessible description of East Midlands English an area of neglect in linguistic

research Existing publications which aggregate the findings of earlier surveys and more recent localised studies presenting an overview of regional speech in the UK are either lacking up to date research data from the East Midlands or simply ignore the region A coordinated survey of dialects of the East Midlands was part of the Survey of English Dialects SED in the 1950s This data is now over sixty years old and focuses almost exclusively on broad rural dialect speakers This book will fill the knowledge and literature gaps by comparing vernacular speech in different urban and rural locations in the East Midlands and examining whether the East Midlands is a transition zone between the North and South Recordings held by the British Library will be used and will be supplemented with recordings made with local speakers Language in the East Midlands is distinctive and there is considerable regional variety for instance between speech in the major urban centres of Nottingham Derby and Leicester Bringing out this regional variation will also improve our wider understanding of language variation in English The concept of the East Midlands in itself is not a clear one and this volume aims to address such issues and to examine what makes the East Midlands an area of itself and what this area includes

Лексикологія англійської мови - теорія і практика. [англ.]. Ніколенко А. Г., English Lexicology Theory Practice 9 4 9

Microparametric Syntax and Dialect Variation James R. Black, Virginia Motapanyane, 1996 Richard Kayne's introduction to this volume stresses that comparative work on the syntax of very closely related languages and dialects is a research tool promising to provide both a broad understanding of parameters at their finest grained and an approach to the question of the minimal units of syntactic variation The 11 articles in this collection demonstrate the use of this tool in analyzing microparametric variation principally with reference to Chomsky's Minimalist program in a variety of languages Topics include se si constructions hypothetical infinitives and adverbial quantifiers in French and other Romance languages that trace variation Scandinavian possessive constructions reflexives and subject verb agreement in Icelandic anaphoric agreement in Labrador Inuttut negative particle questions in Chinese imperative inversion in Belfast English and the second person singular interrogative in the traditional vernacular of Bolton

Transactions Yorkshire Dialect Society, 1978

Roots of Evil K.C. Wells, 2019-10-22 Sequel to Truth Will Out A Merrychurch Mysteries Case Many consider Naomi Teedle the village witch Most people avoid her except when they have need of her herbs and potions She lives alone on the outskirts of Merrychurch and that's fine by everyone old Mrs Teedle is not the most pleasant of people But when she is found murdered her mouth bulging with her own herbs and roots suddenly no one has a bad word to say about her Jonathon de Mountford is adjusting to life up at the manor house but it's not a solitary life pub landlord Mike Tattersall sees to that Jonathon is both horrified to learn of the recent murder and confused by the sudden reversal of public opinion Surely someone in the village had reason to want her dead He and Mike decide it's time for them to step in and help the local police with their investigation Only problem is their sleuthing uncovers more than one suspect and the list is getting longer

The Miners' Strike Mark Metcalf, Martin Jenkinson, Mark Harvey, 2014-03-05 In addition to being the most bitter industrial dispute the coalminers strike of 1984-5 was the longest

national strike in British history For a year over 100 000 members of the National Union of Mineworkers their families and supporters in hundreds of communities battled to prevent the decimation of the coal industry on which their livelihoods and communities depended Margaret Thatcher s government aimed to smash the most militant section of the British working class She wanted to usher in a new era of greater management control at work and pave the way for a radical refashioning of society in favour of neo liberal objectives that three decades later have crippled the world economy Victory required draconian restrictions on picketing and the development of a militarised national police force that made widespread arrests as part of its criminalisation policy The attacks on the miners also involved the use of the courts and anti trade union laws restrictions on welfare benefits the secret financing by industrialists of working miners and the involvement of the security services All of which was supported by a compliant mass media but resisted by the collective courage of miners and mining communities in which the role of Women against Pit Closures in combating poverty and starvation was heroic Thus inspired by the struggle for jobs and communities an unparalleled movement of support groups right across Britain and in other parts of the world was born and helped bring about a situation where the miners long struggle came close on occasions to winning At the heart of the conflict was the Yorkshire region where even at the end in March 1985 83 per cent of 56 000 miners were still out on strike The official Yorkshire National Union of Mineworkers NUM area photographer in 1984 85 was the late Martin Jenkinson and this book of his photographs some never previously seen before serves as a unique social document on the dispute that changed the face of Britain As featured in The Yorkshire Times Sheffield Telegraph and NUJ News Leeds

Sociolinguistics in England Natalie Braber, Sandra Jansen, 2018-01-02 This book presents an overview of sociolinguistic research in England Showcasing developments in sociolinguistic theory method and application the chapters examine sociolinguistic topics on different linguistic levels and in different geographical areas across the country Allowing the reader to engage with contemporary research in the field each chapter is unique in the topic or geographical area explored Topics include historical sociolinguistics British Sign Language lexical variation life span change and variation and innovation in urban and peripheral areas while the regions covered range from Cornwall to West Cumbria Edited and authored by a range of international scholars this is sure to be a key research resource for students and scholars interested in language use in England

Soldiers and Their Horses Jane Flynn, 2020-01-14 The soldier horse relationship was nurtured by The British Army because it made the soldier and his horse into an effective fighting unit *Soldiers and their Horses* explores a complex relationship forged between horses and humans in extreme conditions As both a social history of Britain in the early twentieth century and a history of the British Army *Soldiers and their Horses* reconciles the hard pragmatism of war with the imaginative and emotional By carefully overlapping the civilian and the military by juxtaposing sense and sentimentality and by considering institutional policy alongside individual experience the soldier and his horse are re instated as co participators in The Great War *Soldiers and their Horses* provides a valuable contribution to current thinking about the

role of horses in history Historical plays: King John. King Richard II. King Henry IV, part 1. King Henry IV, part 2. Henry V. King Henry VI, part 1. King Henry VI, part 2. King Henry VI, part 3. King Richard III. King Henry VIII William Shakespeare,1888 Bulletin of Local History ,1979 **The Girl Who Saw Lions** Berlie Doherty,2018-01-04 Two girls from very different places are brought together in a tale of loss courage and family Abela has lost everything and now she must leave her home in Tanzania and flee to Britain Rosa s struggling to cope with her mum s wish to adopt a child When they are brought together will Abela and Rosa ever be able to love one another like sisters From the Carnegie Medal winning author Berlie Doherty The Girl Who Saw Lions is a powerful and moving story inspired by the author s visit to Africa *The Silence of the Shaggy Rug* Daniel Jacob,2021-12-16 In the long tradition of the anti hero in English literature award winning author Daniel Jacob has created a whole bunch of them each able to stand shoulder to shoulder with a Flashman or anyone from the pages of a Waugh novel With the touch of a Tom Sharpe for grand farce the grotesque Crooke Wells siblings trace their mean mendacious and downright nasty steps through a series of plots and pitfalls in their attempt to accumulate unearned and entirely unmerited wealth Standing like a beacon in this sea of iniquity is the mother whose string of illicit love affairs seems positively honest by comparison This is the story of an upper crust English family which is part of a sub group known as The Hereditary Rich Beautifully written and splendidly wicked The Silence of the Shaggy Rug is not for the faint hearted or politically correct **Folklore Forum** ,1977

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Ey Up Mi Duck Part One**

In a world inundated with monitors and the cacophony of quick communication, the profound energy and emotional resonance of verbal artistry often diminish in to obscurity, eclipsed by the constant barrage of noise and distractions. However, located within the musical pages of **Ey Up Mi Duck Part One**, a captivating work of fictional splendor that pulses with natural feelings, lies an wonderful journey waiting to be embarked upon. Composed with a virtuoso wordsmith, this enchanting opus courses viewers on a psychological odyssey, softly exposing the latent potential and profound influence embedded within the elaborate web of language. Within the heart-wrenching expanse of the evocative evaluation, we shall embark upon an introspective exploration of the book is key styles, dissect its fascinating writing style, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
