Face To Face Encounters Between Jews And Blacks:

Face to Face Laurence Salzman,1996 *A Concise History of American Antisemitism* Robert Michael,2005 A Concise History of American Antisemitism shows how Christianity's negative views of Jews pervaded American history from colonial times to the present The book describes the European background to American anti-Semitism then divides American history into time periods and examines the anti-Semitic ideas, personalities and literature in each period It also demonstrates that anti-Semitism led to certain behaviors in some United States officials that resulted in the deaths of hundreds of thousands of Jews during the Holocaust Clear and forceful *A Concise History of American Antisemitism* is an important work for undergraduate course use and for the general public interested in the roots of the current rash of anti-Semitism

Blacks and Jews in America Terrence L. Johnson, Jacques Berlinerblau,2024-04 A Black Jewish dialogue lifts a veil on these groups' unspoken history shedding light on the challenges and promises facing American democracy from its inception to the present and modeling the honest conversation needed for Blacks and Jews to forge a new understanding

The Ocean-Hill Brownsville Conflict Glen Anthony Harris,2012-01-01 The history of Black Jewish relations from the beginning of the twentieth century shows that while they were sometimes partners of convenience there was also a deep suspicion of each other that broke out into frequent public exchanges During the twentieth century the entanglements of both groups have at times provided an important impetus for social justice in the United States and at other times have been the cause of great tension The Ocean Hill Brownsville Conflict explores this fraught relationship which is evident in the intellectual lives of these communities The tension was as apparent in the life and works of Marcus Garvey Richard Wright and James Baldwin as it was in the exchanges between Blacks and Jews in intellectual periodicals and journals in the 1940s 1950s and 1960s The Ocean Hill Brownsville conflict was rooted in this tension and the longstanding differences over community control of school districts and racial preferences

Facing Black and Jew Adam Zachary Newton,1999-07-15 Adam Zachary Newton couples works of prose fiction by African American and Jewish American authors from Henry Roth and Ralph Ellison to Philip Roth and David Bradley Reading the work of such writers alongside and through one another Newton offers an original way of juxtaposing two major traditions in American literature and rethinking their sometimes vexing relationship Newton combines Emmanuel Levinas' ethical philosophy and Walter Benjamin's theory of allegory in shaping an innovative kind of ethical political criticism A final chapter addresses the Black Jewish dimension of the O J Simpson trial

The Real and Ideal Jerusalem in Jewish, Christian and Islamic Art Bianca Kühnel, 1998

Struggles in the Promised Land Jack Salzman, Cornel West, 1997-03-20

Recent flashpoints in Black Jewish relations Louis Farrakhan's Million Man March the violence in Crown Heights Leonard Jeffries polemical speeches the O J Simpson verdict and the contentious responses to these events suggest just how wide the gap has become in the fragile coalition that was formed during the Civil Rights movement of the 1960s Instead of critical dialogue and respectful exchange we have witnessed battles that too often consist of vulgar name calling and self righteous finger pointing Absent from these exchanges are two vitally important and potentially healing elements Comprehension of the actual history between Blacks and Jews and level headed discussion of the many issues that currently divide the two groups In *Struggles in the Promised Land* editors Jack Salzman and Cornel West bring together twenty one illuminating essays that fill precisely this absence As Salzman makes clear in his introduction the purpose of this collection is not to offer quick fixes to the present crisis but to provide a clarifying historical framework from which lasting solutions may emerge Where historical knowledge is lacking rhetoric comes rushing in and Salzman asserts that the true history of Black Jewish relations remains largely untold To communicate that history the essays gathered here move from the common demonization of Blacks and Jews in the Middle Ages to an accurate assessment of Jewish involvement of the slave trade to the confluence of Black migration from the South and Jewish immigration from Europe into Northern cities between 1880 and 1935 to the meaningful alliance forged during the Civil Rights movement and the conflicts over Black Power and the struggle in the Middle East that effectively ended that alliance The essays also provide reasoned discussion of such volatile issues as affirmative action Zionism Blacks and Jews in the American Left educational relations between the two groups and the real and perceived roles Hollywood has played in the current tensions The book concludes with personal pieces by Patricia Williams Letty Cottin Pogrebin Michael Walzer and Cornel West who argues that the need to promote Black Jewish alliances is above all a moral endeavor that exemplifies ways in which the most hated group in European history and the most hated group in U S history can coalesce in the name of precious democratic ideals At a time when accusations come more readily than careful consideration *Struggles in the Promised Land* offers a much needed voice of reason and historical understanding Distinguished by the caliber of its contributors the inclusiveness of its focus and the thoughtfulness of its writing Salzman and West's book lays the groundwork for future discussions and will be essential reading for anyone interested in contemporary American culture and race relations

She's Mad Real Oneka LaBennett, 2011-07-25

Overwhelmingly Black teenage girls are negatively represented in national and global popular discourses either as being at risk for teenage pregnancy obesity or sexually transmitted diseases or as helpless victims of inner city poverty and violence Such popular representations are pervasive and often portray Black adolescents consumer and leisure culture as corruptive uncivilized and pathological In *She's Mad Real* Oneka LaBennett draws on over a decade of

researching teenage West Indian girls in the Flatbush and Crown Heights sections of Brooklyn to argue that Black youth are in fact strategic consumers of popular culture and through this consumption they assert far more agency in defining race ethnicity and gender than academic and popular discourses tend to acknowledge. Importantly LaBennett also studies West Indian girls consumer and leisure culture within public spaces in order to analyze how teens like China are marginalized and policed as they attempt to carve out places for themselves within New York's contested terrains. Cleveland Jews and the Making of a Midwestern Community Sean Martin, John J. Grabowski, 2020-02-28 The robust Jewish community of Cleveland Ohio is the largest Midwestern Jewish community with about 80,000 Jewish residents. Historically it has been one of the largest hubs of American Jewish life outside of the East Coast. Yet there is a critical gap in the literature relating to Jewish Cleveland, its suburbs, and the Midwestern Jewish experience. Cleveland's Jews in the Urban Midwest remedies this gap and adds to an emerging subfield in American Jewish history that moves away from the East Coast to explore Jewish life across the United States in cities including Chicago and Detroit and across regions like the West Coast. Cleveland's Jews in the Urban Midwest features ten diverse studies from prominent international scholars addressing a wide range of subjects and ultimately enhancing our understanding of regional urban and Jewish American history. Focusing on the twentieth century, specifically the historians included in this collection address critical questions about Jewish Cleveland in the history of the United States. Essays investigate Jewish philanthropy, comics, gender, religious identity, and education from the perspectives of both Reform and Orthodox Jewish communities, participation in social service organizations, and the Soviet Jewish movement among other subjects and reveal the different roles these subjects play in shaping Jewish communities over time. Uniquely, this is a work of regional history that engages fully in parallel conversations in Jewish history and urban history, making the volume a key addition to these three dynamic fields. Provided by publisher. A Political Companion to Saul Bellow Gloria L. Cronin, Lee Trepanier, 2013-05-01 Saul Bellow is one of the twentieth century's most influential, respected, and honored writers. His novels *The Adventures of Augie March*, *Herzog*, and *Mr Sammler's Planet* won the National Book Award, and *Humboldt's Gift* was awarded the 1976 Pulitzer Prize for fiction. In addition, his plays garnered popular and critical acclaim, and some were produced on Broadway. Known for his insights into life in a post-Holocaust world, Bellow's explorations of modernity, Jewish identity, and the relationship between art and society have resonated with his readers, but because his writing is not overtly political, his politics have largely been ignored. A Political Companion to Saul Bellow examines the author's novels, essays, short stories, and letters in order to illuminate his evolution from liberal to neoconservative. It investigates Bellow's exploration of the United States as a democratic system, the religious and ideological influences on his work, and his views on race relations, religious identity, and multiculturalism in the academy. Featuring a fascinating conclusion that draws from interviews with Bellow's sons, this accessible companion is an excellent resource for understanding the political thought of one of America's most acclaimed writers. **Strangers in the Land** Eric J

Sundquist,2009-06-30 The importance of blacks for Jews and Jews for blacks in conceiving of themselves as Americans when both remained outsiders to the privileges of full citizenship is a matter of voluminous but perplexing record A monumental work of literary criticism and cultural history Strangers in the Land draws upon politics sociology law religion and popular culture to illuminate a vital highly conflicted interethnic partnership over the course of a century **Cognitive Social Psychology** Gordon B. Moskowitz,2013-05-13 A comprehensive overview of the mechanisms involved in how cognitive processes determine thought and behavior toward the social world Cognitive Social Psychology examines cognition as a motivated process wherein cognition and motivation are seen as intertwined reviews the latest research on stereotyping prejudice and the ability to control these phenomena invaluable information to managers who need to prevent against bias in the workplace and provides a current analysis of classic problems issues in social psychology such as cognitive dissonance the fundamental attribution error social identity stereotyping social comparison heuristic processing the self concept assimilation and contrast effects and goal pursuit Intended for psychology and management students as well as social cognitive and industrial organizational psychologists in both academic and applied settings This new book is also an ideal text for courses in social cognition due to its cohesive structure *Confirmation Hearings on Federal Appointments* United States. Congress. Senate. Committee on the Judiciary,1992 Viajeros Lehigh University. Art Galleries,2005 *Improving Intercultural Interactions* Kenneth Cushner,Richard W. Brislin,1997-04-21 Taking an educational model for counselling this volume presents training modules relevant for a variety of circumstances from the world of business to that of education Included throughout are practical exercises and self assessment questions which promote cultural awareness The volume is a companion to *Improving Intercultural Interactions* the third volume in the *Multicultural Aspects of Counseling* series It builds upon Volume Three to address a new cluster of topics specific to various types of intercultural experience These include ethics ethnocultural identification conflict and mediation across cultures empathy and cross cultural communication A Sacred Argument Christopher M. Leighton,2024-01-26 Our society is sharply divided along political racial and religious lines People of faith often feel debilitated in the face of these divisions understanding neither their nature nor how best to respond As these divisions become more intense the need to get at their roots becomes more urgent A Sacred Argument addresses this need equipping readers with practical and theoretical resources to engage problems that all too often break down trust shut down honest conversations and disrupt collaborative action This story aims to renew within each reader the sense of compassion and the deep yearning for understandings that can come from the encounter with those who see the world differently Handbook on Peace Education Gavriel Salomon,Ed Cairns,2011-02-25 This handbook encompasses a range of disciplines that underlie the field of peace education and provides the rationales for the ways it is actually carried out The discipline is a composite of contributions from a variety of disciplines ranging from social psychology to philosophy and from communication to political science That is peace education is an applied subject which is practiced in differing ways but must

always be firmly based on a range of established empirical disciplines The volume is structured around contributions from expert scholars in various fields that underpin peace education plus contributions from experts in applying peace education in a range of settings all complemented by chapters which deal with issues related to research and evaluation of peace education

Black Zion Yvonne Patricia Chireau, Nathaniel Deutsch, 2000 This is an exploration of the interaction between African American religions and Jewish traditions beliefs and spaces The collection s argument is that religion is the missing piece of the cultural jigsaw and black Jewish relations need the religious roots of their problem illuminated

Romantic Literature, Race, and Colonial Encounter P. Kitson, 2016-04-30 In a fresh investigation of primary sources and original readings Kitson traces the origins of contemporary ideas about race through a variety of late Eighteenth and early Nineteenth century literary texts by Coleridge Byron Shelley De Quincey and other published and unpublished writings about travel and exploration and natural history
