

YEHOSHUA PORATH

In Search Of Arab Unity 1930 1945

Rodrigo Tavares

In Search Of Arab Unity 1930 1945:

In Search of Arab Unity 1930-1945 Yehoshua Porath, 2014-01-14 First Published in 1986 Routledge is an imprint of Taylor Francis an informa company *The Origins of the Libyan Nation* Anna Baldinetti, 2014-05-12 This book is concerned with the emergence and construction of the Libyan nation It charts the rise of nationalism out of the colonial era and shows how nationalism developed through an external Libyan diaspora and the influence of Arab nationalism *Arab Nationalism in the Twentieth Century* Adeed Dawisha, 2016-02-16 Like a great dynasty that falls to ruin and is eventually remembered more for its faults than its feats Arab nationalism is remembered mostly for its humiliating rout in the 1967 Six Day War for inter Arab divisions and for words and actions distinguished by their meagerness But people tend to forget the majesty that Arab nationalism once was In this elegantly narrated and richly documented book Adeed Dawisha brings this majesty to life through a sweeping historical account of its dramatic rise and fall Dawisha argues that Arab nationalism which he says was inspired by nineteenth century German Romantic nationalism really took root after World War I and not in the nineteenth century as many believe and that it blossomed only in the 1950s and 1960s under the charismatic leadership of Egypt's Gamal Abd al Nasir He traces the ideology's passage from the collapse of the Ottoman Empire through its triumphant ascendancy in the late 1950s with the unity of Egypt and Syria and with the nationalist revolution of Iraq to the mortal blow it received in the 1967 Arab defeat by Israel and its eventual eclipse Dawisha criticizes the common failure to distinguish between the broader cultural phenomenon of Arabism and the political secular desire for a united Arab state that defined Arab nationalism In recent decades competitive ideologies not least Islamic militancy have inexorably supplanted the latter he contends Dawisha who grew up in Iraq during the heyday of Arab nationalism infuses his work with rare personal insight and extraordinary historical breadth In addition to Western sources he draws on an unprecedented wealth of Arab political memoirs and studies to tell the fascinating story of one of the most colorful and significant periods of the contemporary Arab world In doing so he also gives us the means to more fully understand trends in the region today Complete with a hard hitting new and expanded section that surveys recent nationalism and events in the Middle East Arab Nationalism in the Twentieth Century tells the fascinating story of one of the most colorful and significant periods in twentieth century Middle Eastern history **Arms Control in the Middle East** Emily B. Landau, 2006-08-24 This book focuses on the Middle East arms control process as it unfolded during the years 1992 1995 as part of the multilateral track of the Arab Israeli peace process initiated in Madrid October 1991 **Nazi Palestine** Klaus-Michael Mallmann, Martin Cüppers, 2013-10-18 Well documented factual account of a planned genocide *The Relevance of Regions in a Globalized World* Galia Press-Barnathan, Ruth Fine, Arie M. Kacowicz, 2018-11-09 This volume provides a unique open inter disciplinary dialogue across the Humanities and Social Sciences to further our understanding of the phenomenon of regions and regionalism in a globalized world both at the theoretical and empirical levels What comprises a region What are the different regional

dynamic processes that take place What is the relationship between the regional and the global What role does identity building play Bringing together scholars from various disciplines within and across the Social Sciences and the Humanities to reflect on these questions the book explores how regions are imagined constructed understood and explained in different academic disciplines Each chapter addresses these common questions and uses its own disciplinary lenses to answer them In addition the volume offers interesting reflections on the academic borders constructed in the study of regions thus demonstrating the importance of obtaining insights from both social scientists and humanities scholars in order to better understand the relevance of regions in a complex and globalized world An important work for scholars and postgraduate students in many fields including political science international relations sociology economics geography history and literature as well as for those interested in regionalism and area studies

The Guardians Susan Pedersen, 2015-04-29
Winner of the Cundill Prize in Historical Literature Shortlisted for the Lionel Gelber Prize At the end of the First World War the Paris Peace Conference saw a battle over the future of empire The victorious allied powers wanted to annex the Ottoman territories and German colonies they had occupied Woodrow Wilson and a groundswell of anti imperialist activism stood in their way France Belgium Japan and the British dominions reluctantly agreed to an Anglo American proposal to hold and administer those allied conquests under mandate from the new League of Nations In the end fourteen mandated territories were set up across the Middle East Africa and the Pacific Against all odds these disparate and far flung territories became the site and the vehicle of global transformation In this masterful history of the mandates system Susan Pedersen illuminates the role the League of Nations played in creating the modern world Tracing the system from its creation in 1920 until its demise in 1939 Pedersen examines its workings from the realm of international diplomacy the viewpoints of the League's experts and officials and the arena of local struggles within the territories themselves Featuring a cast of larger than life figures including Lord Lugard King Faisal Chaim Weizmann and Ralph Bunche the narrative sweeps across the globe from windswept scrublands along the Orange River to famine blighted hilltops in Rwanda to Damascus under French bombardment but always returns to Switzerland and the sometimes vicious battles over ideas of civilization independence economic relations and sovereignty in the Geneva headquarters As Pedersen shows although the architects and officials of the mandates system always sought to uphold imperial authority colonial nationalists German revisionists African American intellectuals and others were able to use the platform Geneva offered to challenge their claims Amid this cacophony imperial statesmen began exploring new means client states economic concessions of securing Western hegemony In the end the mandate system helped to create the world in which we now live A riveting work of global history *The Guardians* enables us to look back at the League with new eyes and in doing so appreciate how complex multivalent and consequential this first great experiment in internationalism really was

[Routledge Handbook of Diplomacy and Statecraft](#) B.J.C. McKercher, 2012-03-12 Despite post Cold War arguments about their demise Great Powers not only continue to thrive with

lesser Powers they form the basis of the constellation of global politics This topical new Handbook illustrates how and why the new international order has evolved and is still evolving since the end of the Cold War through the application of diplomacy and statecraft Including cutting edge contributions from over 40 scholars the handbook is structured around seven sections Context of Diplomacy Great Powers Middle Powers Developing Powers International Organisations and Military Alliances International Economy Issues of Conflict and Co operation Through analysis of a wide range of case studies the Handbook assesses the diplomacy and statecraft of individual powers offering insights into how they function their individual perception of national interests and the roles they play in modern statecraft The contributors also seek to evaluate the organizations and contemporary issues that continue to influence the shaping of the new international order A comprehensive survey of diplomacy across the world this work will be essential reading for scholars and professionals alike

Kemalist Turkey and the Middle East Amit Bein,2017-11-09 To better understand the lasting legacy of international relations in the post Ottoman Middle East we must first re examine Turkey s engagement with the region during the interwar period Long assumed to be a period of deliberate disengagement and ruptured ties between Turkey and its neighbours Amit Bein instead argues that in the volatile 1930s Turkey was in fact perceived as taking steps towards increasing its regional prominence Bein examines the unstable situation along Turkey s Middle Eastern borders the bilateral diplomatic relations Ankara established with fledgling governments in the region grand plans for transforming Turkey into a major transit hub for Middle Eastern and Eurasian transportation and trade and Ankara s effort to enhance its image as a model for modernization of non Western societies Through this he offers a fresh enlightening perspective on the Kemalist legacy that still resonates in the modern politics of the region today Regional Conflict Management Paul F. Diehl,Joseph Lepgold,2003-02-11 Since the 1990s the international security environment has shifted radically Leading states no longer play as great a role in regional conflicts and thus a new opportunity for regional conflict management has opened This collection of original essays is one of the first to examine the implications and efficacy of regional conflict management in the new world order The editors general overview provides a framework for analyzing regional conflict management efforts and the kinds of threats faced by actors in different regions of the world Case studies from every major world region then place these factors into specific regional contexts and address a variety of challenges Drawing together a diverse group of scholars from around the world Regional Conflict Management provides key lessons for understanding conflict management over the globe **The Secret**

Anglo-French War in the Middle East Meir Zamir,2014-11-27 The role of intelligence in colonialism and decolonization is a rapidly expanding field of study The premise of The Secret Anglo French War in the Middle East is that intelligence statecraft is the missing dimension in the established historiography of the Middle East during and after World War II Arguing that intelligence especially covert political action and clandestine diplomacy played a key role in Britain s Middle East policy this book examines new archival sources in order to demonstrate that despite World War II and the Cold War the

traditional rivalry between Britain and France in the Middle East continued unabated assuming the form of a little known secret war This shadow war strongly influenced decolonization of the region as each Power sought to undermine the other Britain exploited France's defeat to evict it from its mandated territories in Syria and Lebanon and incorporate them in its own sphere of influence whilst France's successful use of intelligence enabled it to undermine Britain's position in Palestine Egypt Saudi Arabia and Iraq Shedding new light on the clandestine Franco Zionist collaboration against Britain in the Middle East and the role of the British secret services in the 1948 Arab Jewish war in Palestine this book which presents close to 400 secret Syrian and British documents obtained by the French intelligence is essential reading for scholars with an interest in the political history of the region inter Arab and international relations and intelligence studies **The Arab Writer in**

English Geoffrey Nash,2014-11-19 Examines the English writings of four twentieth century Anglo Arab and Arab American writers The Berber Identity Movement and the Challenge to North African States Bruce Maddy-Weitzman,2011-05-01

Like many indigenous groups that have endured centuries of subordination the Berber Amazigh peoples of North Africa are demanding linguistic and cultural recognition and the redressing of injustices Indeed the movement seeks nothing less than a refashioning of the identity of North African states a rewriting of their history and a fundamental change in the basis of collective life In so doing it poses a challenge to the existing political and sociocultural orders in Morocco and Algeria while serving as an important counterpoint to the oppositionist Islamist current This is the first book length study to analyze the rise of the modern ethnocultural Berber Amazigh movement in North Africa and the Berber diaspora Bruce Maddy Weitzman begins by tracing North African history from the perspective of its indigenous Berber inhabitants and their interactions with more powerful societies from Hellenic and Roman times through a millennium of Islam to the era of Western colonialism He then concentrates on the marginalization and eventual reemergence of the Berber question in independent Algeria and Morocco against a background of the growing crisis of regime legitimacy in each country His investigation illuminates many issues including the fashioning of official national narratives and policies aimed at subordinating Berbers in an Arab nationalist and Islamic centered universe the emergence of a counter movement promoting an expansive Berber imagining that emphasizes the rights of minority groups and indigenous peoples and the international aspects of modern Berberism

Britain and Jordan Tancred Bradshaw,2012-03-30 In the wake of the establishment of the State of Israel in 1948 it has often been alleged King Abdullah I of Jordan and the Zionist movements colluded to partition Mandate Palestine between them while Great Britain the retreating imperial power gave them tacit approval to do so Here Tancred Bradshaw challenges these allegations looking at the complex and often strained relations between the emerging states of Jordan Israel and the at first hegemonic and then crumbling British Empire Using a wide range of primary sources which have previously been largely ignored Britain and Jordan offers an essential re examination of the relationships which were to shape the Middle East as it is today It thus contains vital analysis for anyone involved in the study of the Middle East its politics and history as

well as the demise of Britain's empire in the region Dilemmas of Weak States Tatah Mentan, 2017-11-30 Given the dramatic changes that have taken place in global politics in recent years especially following September 11 2001 it is time to examine a series of critical issues confronting the global political economy One of the most important of these issues is terrorism and its relationship with weak states This book examines the weak state terrorism nexus with particular emphasis on Africa Specifically it provides an in depth analysis of state weakness poverty and the opportunities offered by the latter for the breeding of terrorism and terrorists It also looks at the part played by radical Islam in transnational terrorism in Africa Emerging from this study is recognition of a need for the international system to analyze a wide range of issues that contribute to the weakening of African states **The Darker Nations** Vijay Prashad, 2022-08-30 The landmark alternative history of the Cold War from the perspective of the Global South reissued in paperback with a new introduction by the author In this award winning investigation into the overlooked history of the Third World with a new preface by the author for its fifteenth anniversary internationally renowned historian Vijay Prashad conjures what Publishers Weekly calls a vital assertion of an alternative future The Darker Nations praised by critics as a welcome antidote to apologists for empire has defined for a generation of scholars activists and dreamers what it is to imagine a more just international order and continues to offer lessons for the radical political projects of today With the disastrous U S withdrawal from Afghanistan and the rise of India and China on the global scene this paradigm shifting book of groundbreaking scholarship helps us envision the future of the Global South by restoring to memory the vibrant though flawed idea of the Third World whose demise Prashad ultimately argues has produced an impoverished and asymmetrical international political arena No other book on the Third World as a utopian idea and a global movement can speak so effectively and engagingly to our troubled times Arab Nationalism B. Tibi, 1997-01-14 The third edition includes a new Part Five on the tensions between Arab nationalism and Islam arising from the crisis of the nation state and of the de legitimisation of Pan Arab regimes The effects of the Arab defeat in the Six Day War 1967 and the rise of political Islam in the 1970s are the focus of the new part The background of the analysis of the impact and function of nationalism and its contribution to social and political change in the Third World taking the rise of nationalism in the Middle East as a historical example Professor Tibi concentrates on the period after the First World War when many Arab intellectuals became disillusioned with Britain and France as a result of the occupation of their countries One focus of this study are the writings and influence of Sati al Husri on Middle Eastern politics Professor Tibi illustrates the connection between modern Arab nationalism and nineteenth century German Romantic nationalism which will be of particular interest to the English reader Professor Tibi concludes that while nationalism has played a necessary and important role in the movement for national independence in the Middle East it has since developed into an ideology which seems to obstruct further social and political emancipation This third edition brought completely up to date by a substantial new introduction and two new concluding chapters will be of particular interest to historians and social scientists dealing

with nationalism and crises of the nation state as well as to students of the Middle East and contemporary Islam *Regional Security* Rodrigo Tavares, 2009-12-16 This book is the first systematic study of the capacities of the most recognized intergovernmental organizations with a security mandate **Politics in Palestine** Issa Khalaf, 1991-01-01 This book presents a coherent picture of the origins of the Palestinian problem The author offers an analysis of factionalism in Arab society with a detailed examination of the social and political history of the Palestinian Arabs between 1939 and 1948 Khalaf weaves together the socio economic sociological political and politico military dimensions that have led to social disintegration He focuses on the role of the urban elite in perpetuating factionalism and using nationalism as a weapon to deflect opposition during a period of rapid social change For those who are concerned with peace in Israel the book provides a meaningful historical appreciation of a highly charged emotionally laden conflict **Arab Christians in British Mandate Palestine** Noah Haiduc-Dale, 2013-03-18 Recent conflict in the Middle East has caused some observers to ask if Muslims and Christians can ever coexist History suggests that relations between those two groups are not predetermined but are the product of particular social and political circumstances This book examines Muslim Christian relations during an earlier period of political and social upheaval and explores the process of establishing new forms of national and religious identification Palestine s Arab Christian minority actively engaged with the Palestinian nationalist movement throughout the period of British rule 1917 1948 Relations between Muslim and Christian Arabs were sometimes strained yet in Palestine as in other parts of the world communalism became a specific response to political circumstances While Arab Christians first adopted an Arab nationalist identity a series of outside pressures including British policies the rise of a religious conflict between Jews and Muslims and an increase in Islamic identification among some Arabs led Christians to adhere to more politicized religious groupings by the 1940s Yet despite that shift Christians remained fully nationalist insisting that they could be both Arab and Christian

In Search Of Arab Unity 1930 1945 Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is really remarkable. In Search Of Arab Unity 1930 1945 Introduction

In today's digital age, the availability of In Search Of Arab Unity 1930 1945 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of In Search Of Arab Unity 1930 1945 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of In Search Of Arab Unity 1930 1945 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing In Search Of Arab Unity 1930 1945 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, In Search Of Arab Unity 1930 1945 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing In Search Of Arab Unity 1930 1945 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for In Search Of Arab Unity 1930 1945 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary

titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, In Search Of Arab Unity 1930 1945 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of In Search Of Arab Unity 1930 1945 books and manuals for download and embark on your journey of knowledge?

FAQs About In Search Of Arab Unity 1930 1945 Books
