Wild Life on the Plains and Horrors of Indian Warfare George Armstrong Custer, 1883 **Wild Life on the Plains and Horrors of Indian Warfare : By a Corps of Competent Authors and Artists. Being a Complete History of Indian Life, Warfare and Adventure in America. Making Specially Prominent the Late Indian War, with Full Descriptions of the Messiah Craze, Ghost Dance, Life of Sitting Bull** George Armstrong Custer, 1891 *Neva's three lovers* Harriet Lewis, 2023-12-27 Sir Harold Wynde Baronet was standing upon the pier head at Brighton looking idly seaward and watching the play of the sunset rays on the waters the tossing white capped waves and the white sails in the distance against the blue sky He was not yet fifty years of age tall and handsome and stately with fair complexion fair hair and keen blue eyes which at times beamed with a warm and genial radiance that seemed to emanate from his soul The rare nobility of that soul expressed itself in his features His commanding intellect betrayed itself in his square massive brows His grand nature was patent in every look and smile He was a widower with two children the elder a son who was a captain in a fine regiment in India the younger a daughter still at boarding school He possessed a magnificent estate in Kent a house in town and a marine villa and rejoiced in a clear income of seventy thousand pounds a year **The Galaxy** William Conant Church, 1874 **My Life on**

the Plains George Armstrong Custer, George Custer, Armstrong Custer, 2009-09-22 In 1874 just two years before General George A. Custer's death at Little Big Horn a collection of his magazine articles was published as *My Life on the Plains*. Custer, General in the U.S. Army's Seventh Cavalry, wrote personal accounts of his encounters with Native Americans during the western Indian warfare of 1867-1869. The collection was a document of its time and an important primary source for anyone interested in U.S. military affairs and U.S. Native American relations. Custer's references to Indians as bloodthirsty savages were tempered by his empathetic understanding of their reason for fighting. If I were an Indian I often think I would greatly prefer to cast my lot among those of my people who adhered to the free open plains rather than submit to the confined limits of a reservation.

Haunted Lake Tahoe Janice Oberding, 2015-09-14 Along the California-Nevada border lies a beautiful tourist spot with a history of hauntings. Photos included. Locals say the ghosts of the Donner Party haunt their doomed campsite in the Sierras. Wealthy recluse George Whittell is said to have never left his beloved Thunderbird Lodge though he died in 1969. The ghosts of Frank Sinatra, Marilyn Monroe, and members of the Rat Pack are thought to gallivant in the showroom and cabins of the Cal-Neva Lodge, a popular celebrity retreat. Prisoners from the past may remain in the old Truckee Jail and the restless spirit of a murdered showgirl might linger in the Tahoe Biltmore. Travel back to Tahoe's golden age and explore the spot where glamour meets ghoul.

By Neva's waters John R. Carling, 2025-04-24 In *By Neva's Waters* John R. Carling masterfully weaves a poignant narrative steeped in themes of loss, redemption, and the enduring power of memory. Set against the evocative backdrop of a small river town, the novel employs a lyrical prose style that echoes the cadence of the water which flows through its pages. Carling juxtaposes the serenity of nature with the turmoil of human emotions, creating a rich tapestry that explores the intricate dynamics of family and community amid the fractures of history. The book fits within contemporary literary canon while echoing the traditions of American realism and regionalism, showcasing a nuanced understanding of place and identity. John R. Carling, an author whose writing is deeply influenced by his own Midwestern roots, draws upon personal experiences and the landscapes of his youth in crafting this compelling tapestry of life along the Neva River. An avid observer of the human condition, Carling's academic background in psychology informs his intricate character development and psychological depth, allowing readers to connect profoundly with the characters' journeys. *By Neva's Waters* is a must-read for those who appreciate emotionally resonant literature that challenges perceptions of place and belonging. Carling invites readers to immerse themselves in a world that is both familiar and hauntingly beautiful, making it an essential addition to any literary collection.
