In Search Of The Real:

In Search of the Real Dodi Goldman, 1993 The originality of Winnicott's thought and his originality as a person as inseparable This book explores the way in which a search for an experiencing that feels real is evident in both Winnicott's life and work He believes deeply that individuals possess a unique innate authenticity One feels most alive and free when in touch with this core sense of real self

In Search of the Real Max Weber Colin Campbell, 2025-09-01 This book uses the contrast between the theoretical positions of the two Max Webers that is the Weber of the Protestant Ethic thesis and the Weber of the theory of action as the basis for developing a theory of agency and an associated dynamic interpretive approach to action The book critiques traditional theories of action for neglecting the physical dimension for conflating agency with action and contrasting the latter with behaviour It argues that action is not just cerebral or communicative but inherently tied to effort emotion and imagination with voluntarism understood in terms of attention instead of intention and the exercise of will rather than choice This is the basis of a dynamic interpretivist approach one that integrates behavioural insights with interpretive sociology highlighting how actors actively maintain their power of agency The concept of character is also introduced as a crucial link between individual agency ethical values and cultural systems This book will be of interest to researchers and students of sociology anthropology media studies and criminology as well as social theorists

In Search of the Real Dad's Army Stephen M. Cullen, 2012-02-29 A fascinating examination of one of the best known British forces of the Second World War An efficient and increasingly professional military unit History of War What was the Home Guard Who were the men and women who served in it And what can be said of their real role and significance once the popular myths have been stripped away Despite the fame of the Home Guard of Dad's Army the true story of this wartime organization tends to be neglected The myths obscure the reality Stephen Cullen's aim in this thoroughgoing new study is to cut through the misunderstandings in order to reassess the Home Guard and its contribution to Britain's war effort and to deepen our understanding of the men and women who were members of it He sets the Home Guard in the long historical context of domestic defense planning then focuses on the preparations made before the outbreak of the Second World War In detail he traces the changing role of the Home Guard during its wartime existence as it adapted to meet the multitude of challenges it faced from civil defense and intelligence gathering to training for guerrilla warfare This enjoyable and well illustrated book covers the rags to riches story of the Home Guard from the 1940 volunteer in civilian clothing armed with a keepsake from an earlier war to the fully trained and equipped part time soldier The Armourer An interesting and accurate account of a force that was in fact a well drilled well organised and by war's end a very professional fighting unit by the time of its stand down in 1944 WW2 Connection

In Search of the Real Me: Achieving Personal Balance David French, Ph.D., 1992 Realistic achievable self healing is attainable with Dr French's Search for Personal Balance technique With this method of stress reduction the internal and external sources of stress are identified and eliminated The exercises and techniques within this

guide will help cure illnesses with emotional components and aid parents in understanding the psychological development of their children *Adventures in Search of a Real Friend Through the Cities of London and Westminster* Sarah Fielding, Henry Fielding, 1822 *Who Is That Man? In Search of the Real Bob Dylan* David Dalton, 2012-06-01 Bestselling author David Dalton goes in search of the real Bob Dylan in an electrifying biography that puts all the others in the shade As an artist Bob Dylan has been a major force for half a century As a musical influence he is without equal Yet as a man he has always acted like an outlaw on the run constantly seeking to cover his tracks by confounding investigators with a dizzying array of aliases impersonations tall tales and downright lies David Dalton presents Dylan's extraordinary life in such a way that his subject's techniques for hiding in full sight are gradually exposed for what they are Despite the changing images the spiritual body swerves the manipulative nature and the occasionally baffling lurches between making sublime music and self-indulgent whimsy the real Bob Dylan has never been more visible Among the eyewitnesses cited are Marianne Faithfull Allen Ginsberg Andy Warhol Larry Ratso Sloman Nat Hentoff Suze Rotolo and many more Yet in the end it is Dalton's impressive ability to find revealing patterns in Dylan's multiple disguises that reveals more than we ever expected to learn about the real man behind the Dylan legend *In Search of Real Monsters* Richard Freeman, 2022-01-18 Join a Fascinating Adventure on the Hunt for Mythical Animals 1 New Release in Dinosaurs Mammals and Hunting From animals long believed extinct to monsters that we thought never existed this book acts as both a guide to and unbelievably true account of legendary cryptids Globetrotting adventure for mythical animals Cryptozoologist Richard Freeman has spent years researching and tracking down mythical monsters In this book he recounts riveting monster hunt stories through the dense forests of Sumatra on the trail of a mystery ape known as the orang pendek to Tasmania in search of the thylacine or Tasmanian wolf Every corner of Earth has its own monster even in the traceless Gobi Desert as he searches for the Mongolian death worm a creature so feared by the nomads that it can send a whole community into a panic Expert advice to start your own hunt The author provides you with excellent advice on how to carry out your own cryptozoological expeditions from scratch This includes advice on what equipment to take inoculations how to choose which mythical animals to hunt planning ahead and the importance of getting good local guides to name a few Inside you'll find A deep dive into whether extinct animals are truly extinct A journey beyond a textbook definition of the world's largest animals A ton of advice including information on how to join the Centre for Fortean Zoology If you enjoyed Richard Freeman's previous book *Adventures in Cryptozoology* or liked titles such as *The Compendium of Magical Beasts* *The Zoologist's Guide to the Galaxy* or *Chasing American Monsters* you'll love *In Search of Real Monsters* *Adventures in Cryptozoology* Volume II ***In Search of My Real Identity*** Tammy Stone, 2009-05-18 The purpose of this book is to look and examine oneself in order to know if you are living and meeting the standards and expectations of the Living God The objective is to identify where you fit within the Body of Christ Are you displaying some of the characteristics of Jesus to such a degree it is obvious and recognizable to all who see you Look at

these characteristics listed below Crucified with Christ living a surrendered life to the glory of God United with Jesus in a new life through the renewing of your mind Empowered with the anointing of God to live a holy and sanctified life Submitting to Jesus authority and leadership under the direction of the Holy Spirit Living a discipline and obedient life through God s Holy Word Purged and consecrated assessable for use Faith and commitment lived out daily At the end of reading the examples mention above if you are not displaying some of the characteristics then you my friend are living below your privilege as a child of God Draw nearer to take a closer look in this mirror which I am offering through the pages of this book Sit down prepare to relax and look into the pages which will allow you to come face to face with your inner man Allow the journey you will take to change your life on how you view and perceive yourself as a Christian

Fictional Realities / Real Fictions. Contemporary Theatre in Search of a New Mimetic Paradigm Mateusz Borowski, Malgorzata Sugiera, 2009-03-26 The collection of essays *Fictional Realities Real Fictions Contemporary Theatre in Search of a New Mimetic Paradigm* tackles the problem of fictionality and reality in contemporary theatre practice and playwriting It approaches this hotly debated issue in a larger context of the theories of theatrical and dramatic mimesis The volume provides an answer to the most recent developments in performative arts such as the widespread use of new media technologies the popularity of site specific productions and the flourishing of various post dramatic forms of expression The phenomena scrutinized in this collection call into question the basic dichotomy between the fictional and the real on which the theory and practice of the Western theatre has been based right from its inception However due to their extremely heterogeneous character they pose a considerable problem for researchers and teachers who still do not find a widely applicable methodology for the analysis of contemporary performances and texts for the theatre *Fictional Realities Real Fictions* sets the discussion of the onset of new mimetic paradigm in three interrelated contexts the new perceptual patterns forged by contemporary theatre the use of media on stage and the strategies of today s political theatre The case studies presented here in spite of their thematic diversity are subordinated to a single theoretical framework Thus they turn out extremely useful both for the scholars investigating the problems of contemporary theatre and students of theatre and drama *Fictional Realities Real Fictions* offers them a rigid methodological scaffolding supported by a number of illustrative examples from a variety of cultural context and theatre traditions which gives them an opportunity to extrapolate from the main argument of the volume to their own research
