unfortunately our naturally sinful hearts find it attractively so We prefer to be saved in our sins rather than from our sins The term Gospel is in reference to the salvation of fallen mankind in Christ s future eternal kingdom of peace Tragically great differences in understanding of the Gospel is a major reason for the multitude of differing Christian faiths The Bible speaks of One Lord one faith one baptism Ephesians 4 5 Jesus Christ made the claim I am the way the truth and the life no man cometh unto the Father but by me John 14 6 Thus the Scriptures teach that there is only One True Way to the heavenly Father only One True Gospel the Man Christ Jesus When Adam and Eve sinned in the Garden of Eden embedding the trait of selfishness in humanity s heart Christ promised them that He would come to earth to take their punishment and to crush their deceiver Satan s head As a perpetual reminder Christ gave them the sacrificial system They were to confess their sins over the head of an innocent lamb and then to slay it symbolizing Christ s future death on the cross for the sins of man When the children of Israel were delivered from slavery in Egypt Christ gave them a much more complete explanation of the various steps in the salvation process In the earthly sanctuary and its services a pattern of the true sanctuary in heaven He gave a much clearer explanation of the salvation process as to how when and where the various steps occur in reality For some 1500 years Christ worked with the children of Israel in an attempt to lead them in their tabernacle temple services to depict to the world the gospel of salvation through the coming Messiah Unfortunately Satan succeeded in blinding their eyes to the truths of their own religious services to the degree that they rejected and nailed to a Roman cross the long looked for perfect Lamb of God Unfortunately still today many of Christ s followers are failing to appreciate the important truths of the gospel as depicted for so many centuries in the priestly services of the earthly tabernacle and temples of Israel We are tending to ignore the New Testament teachings regarding Christ s High Priestly ministry in the true tabernacle of heaven see Hebrews chapters 3 10 We tend to not appreciate the important prophecy of Daniel 8 14 And he said unto me Unto two thousand and three hundred days then shall the sanctuary be cleansed Daniel 8 14 The dominant Christian faith of the Dark Ages has side tracked our attention to a still earthly priesthood with the claim to forgive sin For these and other reasons Satan is again succeeding to a great degree in blinding Christ s followers to the great truths of the sanctuary services now going on in heaven Through failure to understand as to the how when and where Christ is working to save repentant men and women from sin rather than in sin many will fail to be benefitted by His death on the cross so many years ago It is the purpose of this publication to search for clarity as to what is the One True Gospel It has found that a comprehension of Christ s role as Surety as the Lamb of God and as the Mediator High Priest of the human race goes far in achieving that goal We need much more knowledge in regard to the plan of salvation There is not one in one hundred who understands for himself the Bible truth on this subject that is so necessary to our present and eternal welfare When light begins to shine forth to make clear the plan of redemption to the people the enemy works with all diligence that the light may be shut away from the hearts of men If we come to the Word of God with a teachable humble spirit the rubbish of error will be swept away and gems of truth long hidden from our

Post,2009-01-21 In 1787 Thomas Jefferson then the American Minister to France had the complete skeleton skin horns of an American moose shipped to him in Paris and mounted in the lobby of his residence as a symbol of the vast possibilities contained in the strange and largely unexplored New World Taking a cue from Jefferson s efforts David Post one of the nation s leading Internet scholars here presents a pithy colorful exploration of the still mostly undiscovered territory of cyberspace what it is how it works and how it should be governed What law should the Internet have and who should make it What are we to do and how are we to think about online filesharing and copyright law about Internet pornography and free speech about controlling spam and online gambling and cyberterrorism and the use of anonymous remailers or the practice of telemedicine or the online collection and dissemination of personal information How can they be controlled Should they be controlled And by whom Post presents the Jeffersonian ideal small self governing units loosely linked together as peers in groups of larger and larger size as a model for the Internet and for cyberspace community self governance Deftly drawing on Jefferson s writings on the New World in Notes on the State of Virginia Post draws out the many similarities and differences between the two terrains vividly describing how the Internet actually functions from a technological legal and social perspective as he uniquely applies Jefferson s views on natural history law and governance in the New World to illuminate the complexities of cyberspace In Search of Jefferson s Moose is a lively accessible and remarkably original overview of the Internet and what it holds for the future In Search of the One True Christ Vernon Sparks,2015-08-06 This book is about the human nature of Christ Specifically about the moral or spiritual inheritance through His mother Mary whether He took man s nature like that of Adam before the Fall prelapsarian or like after the Fall postlapsarian These two seemingly mutually exclusive versions of Christ have been a very controversial subject in Adventism for some sixty plus years May 2015 Many have grown weary of the subject and some have concluded that it doesn t really matter It is the purpose of this present book to develop more fully the concept of our new birth experience as a springboard to provide a framework of Christ s nature that embraces all of the Scripture and Spirit of Prophecy statements on His humanity the one true Christ It will be found that both positions pre Fall and post Fall contain essential components to the complete picture Spiritual truth is arrived at by harmonizing all of the inspired statements on a given subject Through that method we have arrived at our commonly held beliefs Saturday sacredness state of the dead second coming of Christ etc This can also be true regarding Christ s humanity regarding the true Christ Knowing the complete attributes of the true Christ will add strength and credibility to the true gospel We can then lay down our disputes among us and unite in promoting the

Preface

Why another book about the human nature of Christ? Haven't we covered every aspect of His nature that is necessary for us to know? Well perhaps not. This book endeavors to tie together some loose threads that have not really been solved yet. First this subject is never just about the nature of Christ. The issue is much larger. It is about the whole plan of salvation: the gospel, righteousness by faith, and the great controversy between Christ and Satan. Differing views about Christ's human nature radically change our conclusions about how God is solving the problem of sin and rebellion in the universe. By another book about the human nature of Christ? Haven't we covered every aspect of His nature that is necessary for us to know? Well perhaps not. This book endeavors to tie together some loose threads that have not really been solved yet. Second, this book addresses the underlying issue in the ongoing debate: the nature of man. When Adam and Eve sinned, everything changed. Suffering and death began; man's nature changed so that rebellion was as natural as breathing; condemnation and annihilation were man's only future; and earth was cut off from heaven. Except for one thing: Christ stepped into the picture. And everything changed again. Mankind received a second chance; annihilation was not inevitable; and most importantly, God placed enmity toward Satan in man's nature. Man would not be a helpless slave of Satan but would have an innate desire to resist him. Third, this book pulls together statements by Ellen White that seem to support opposite conclusions and shows how they fit together perfectly if loose ends are properly tied off. Inspired statements have a way of harmonizing if we dig down beneath the surface. Fourth, the appendix collection of pioneer writings are valuable resources in this study. This is a significant contribution to a better understanding of God's great plan of salvation.
