## **In Six Days:**

**In Six Days** John Ashton, 2001-01-01 Why would any educated scientist with a PhD advocate a literal interpretation of the six days of creation Why indeed when only one in three Americans believes the Bible is the actual word of God and is to be taken literally word for word according to a recent Gallup poll Science can neither prove nor disprove evolution any more than it can creation Certainly there are no human eyewitness accounts of either However certain factors are present today which are capable of swaying one's beliefs one way or the other In this book are the testimonies of fifty men and women holding doctorates in a wide range of scientific fields who have been convicted by the evidence to believe in a literal six day creation For example meet The geneticist who concludes that there must have been 150 billion forerunners of modern man in order for the natural selection required by evolution to have taken place in the development of man The evidence for such vast numbers of prehistoric man is in dire shortage The orthodontist who discovered that European museum fossils of ancient man have been tampered with to adhere to evolution theories The geologist who studied under the late Stephen Jay Gould and literally cut the Bible to pieces before totally rejecting evolution All fifty of these scientists through faith and scientific fact have come to the conclusion that God's Word is true and everything had its origin not so very long ago in the beginning

**In Six Days** *Creation in Six Days* James B. Jordan, 1999 *Creation in Six Days* offers an exegetical literary and theological defense of the traditional interpretation of the Genesis account of six day creation Jordan's account is primarily designed to answer any approach to the text of Genesis such as the increasingly popular Framework Hypothesis that pits the text's literary features against its historical and narrative sense Beyond his exegetical critique of several prominent positions Jordan offers a constructive reading of the early parts of Genesis and also seeks to uncover the assumptions which attract people to the Framework Interpretation and similar views The explanation he says lies in the acceptance of many of the questionable assumptions of modern science on the part of most Christians today coupled with the pervasiveness of a gnostic or nonhistorical attitude toward the Christian faith

**Six Days** Ken Ham, 2013-11-01 Discover how many evangelical leaders willingly or unwittingly are undermining the authority of God's Word by compromising the Bible in Genesis Learn how allowing for an old universe of billions of years unlocks a door of compromise Heed the wake up call to the Church to return to the authority of God's Word beginning in Genesis Today most Bible colleges seminaries K 12 Christian schools and now even parts of the homeschool movement do not accept the first eleven chapters of Genesis as literal history They try to fit the supposed billions of years into Genesis and some teach evolution as fact Our churches are largely following suit Ken Ham international speaker and author on biblical authority examines how compromise starting in Genesis particularly in regard to the six days of creation and the earth's age have filtered down from the Bible colleges and seminaries to pastors and finally to parents and their children This erosive legacy is seen in generations of young people leaving the Church 2/3 of them Get the facts discover God's truth and help bring a new reformation to the Church by helping to call it back to the

authority of God's Word      *The First Six Days* Douglas Hamp, 2007      *An Essay on the six days of creation, and the seventh day of rest*, 1863      **God's Week of Work: Being an Examination of the Mosaic Six Days ... Together with an Exposition of Genesis, Chap. I. and Chap. II., 1-4; and a New Translation; by Evan Lewis**, 1865      [Six Days Till Sunday](#) Fred Gaertner, 2009-11-03 AARON THE WAYSHOWER is the author's spokesman who appears in each of a series of novels to combat some form of subhuman behavior. The first novel SIX DAYS TILL SUNDAY centers upon the enslavement of one racial group by another racial group and brings Aaron for a visit to America's antebellum South 1855-1857 to oppose the institution of human bondage. In the Kingdom of Verde on Earth's sister planet of Aumni, sixty million blacks enslave twenty million whites, creating an economic imbalance between Verde and the other seven kingdoms, the Allies, who have NO slave labor to bolster THEIR economies. Verde has built up an enormous military power to protect its way of life, the institution of slavery within its borders. At great cost to their economies, the Allies have countered by building an equivalent military force to protect the freedom of whites living within THEIR borders. Both sides are fully armed with nuclear weapons, and no one doubts that an all-out war would terminate human life on this beautiful two-mooned planet of Aumni. Aaron seeks to convert Prince Vada soon to be King of Verde from pro-slave to abolitionist. To achieve this crucial goal, he convinces Vada to translate to Earth and experience life as a bondsman in America's Southland of 1855. What will be the outcome? Most readers should easily become interested in what Aaron says and does. He's not just another great teacher: Moses, Jesus, Buddha, Muhammad. He is the procreator of a Life Stream which includes Earthlings as a tiny fraction of his total Progeny. Even more important, the TOTALITY of his responsibilities is similar in scope to that which each of US must one day assume: ULTIMATE QUESTION: LIFE AFTER DEATH? ANSWER: [www.beyondanydoubt.com](http://www.beyondanydoubt.com). OTHER BIG QUESTIONS: Why are we here? What's it all about? Where are we going? Why? How long will it take? What happens when we get there? Many other questions of similar scope. ASSUMPTIONS MADE: A well-ordered infinite universe. A meaningful placement of mankind within it. THE ANSWERS: ANSWERS to these BIG QUESTIONS are found in a series of novels written by Fred Gaertner, Writer, Philosopher, Metaphysician, etc., and in the related music composed by Marie and Fred Gaertner. PURPOSE OF THIS WEB SITE: The purpose of this site is to provide a summary of Gaertnerian novels and their related music, musicals, and screen dramas currently available for ordering through Xlibris. In each story, the principal characters seek ANSWERS to some of our BIG QUESTIONS. When the author supplies ANSWERS for these characters, he is, of course, supplying them for his readers as well.
