yet another miraculous life altering event years later This event caused me to stay in a constant prayerful relationship with Christ Jesus more than ever before It caused me to build not only a stronger prayer life but also a more humbling and willfully trusting relationship with God the Father and Christ Jesus Okay you re probably thinking aren t they the same Let s see As God tells us in His Word there is but one God none else Isaiah 45 18 James 2 19 Revelations 1 8 just to reference a few of His scriptures He is God the Father to all and over all Alpha the beginning the creator of all things and Omega the end God the Son our living example Savior Intercessor and Comforter And God the Holy Spirit our ever present help our guide into all truth John 16 13 Each one is distinct and equally necessary and is one as God is omnipresent in our lives at all times Hebrew 13 5 This was a passage that was a blessing for and to me Growing deeper into a more humbled willful genuine heart desiring an even greater presence of God the Father my creator God the Son Christ Jesus my savior and intercessor and God the Holy Spirit my ever present help It was a daily blessing God preordained for my family and friends chosen to be with me giving me support and receiving the blessing of encouragement that He had waiting for us all during this critical season in my life Others were blessed that Christ Jesus allowed to cross my path during that time of anointed rehabilitation of the body and mind and are being blessed even today To God be all the glory It is my hope that you will be encouraged by this witness and scriptures that God allowed the Holy Spirit to give me then and now

The Practical Steps to the Deeper Spiritual Life Larry Mehaffey, 2012-01-19 In attempting to more effectively communicate the principles of spiritual life to those who sincerely desire a deeper reality in their walk with Christ I have discovered that most people appreciate practical and straightforward instructions and this is especially true when it involves the mystical nature of spiritual life Although spiritual life is not meritoriously attained through natural means or human effort there are several Practical Steps that can be taken to help facilitate the practice of spiritual disciplines The combination of these Practical Steps with the spiritual disciplines themselves will work to promote a dynamic life of faith that will effectively bring the believer into a productive and rewarding relationship with God Man is an intentional creation of divine wisdom explicitly designed to fulfill a sacred purpose Agape love requires a soul to empty the wealth of its humanity upon the altar of God as a willing sacrifice If determination is to live up to its potential in promoting the spiritual life it must be united with some very fundamental practical steps Heaven should not be a culture shock to the consciousness of the believer it should be a gradual final step into the glorious reality of a spiritual life whose progress began at conversion Divine pleasure must be the goal of human effort not divine favor The genuineness of what we actually believe is nowhere so obviously exposed as in our daily schedules It does not take overtly carnal acts to corrupt the days of a man s life for inattention and idleness produce the same result as evil actions or wicked intentions Liberty must always precede service if either are to be authentic It is our great love for the Father not our initial desire for salvation that motivates and liberates the sincere believer to live a life of chosen obedience to God Disarming the Powers of Darkness (eBook Sampler) Eric Barger, David Benoit, 2017-01-01 Scripture is clear the spiritual battlefield is

real and the Enemy is determined But most Christians are ill equipped and unprepared when attacked and even fewer are on the offensive Still others write off spiritual warfare as irrelevant today while on the other extreme some credit Satan for every imaginable problem in life The purpose of this book is to provide biblical balance and clarity in order to establish a proper battle plan exposing the Enemy for who he really is and showing Christians how to win this war with the spiritual weapons already at their disposal

Praying with Jesus The Great Commandment Network,2016-01-01 Jesus is praying but are we praying with Him We may pray because Jesus told us to pray or because He modeled prayer Maybe we pray when situations are desperate Prayer is the right thing to do but there is so much more to this mysterious conversation this divine opportunity Scripture tells us that Jesus lives to make intercession He lives to pray If you listen closely you ll hear what He is praying for the burdens of your heart the needs of your life the Savior is praying for you Jesus made a vulnerable request at the darkest hour of His life asking His friends to pray with Him But instead of praying they fell asleep Prayer is primarily relational Jesus talks to God on our behalf but is He praying alone What would it mean if we joined Jesus in prayer Praying with Jesus will RESET your prayer life
