In The Clear Light:

The Mysteries of Clear Light 1 Thespian Michaels, Esmi Fernau, 2002-10-02 The Mysteries of Clear Light A Timeless Legacy is the first of an open ended series which speaks to you in the words of the Great Beings that have always watched over the development of the Human race Their communication cuts through the misinformation that accumulated throughout ages of ignorance and self interest and helps our species adapt to the vital role it has to play in these stressful times of changes The always unfolding story encompasses all periods passed current and future its message is one of hope and reconciliation The style at times reflects the character of the Being who dictated a given chapter but invariably and effortlessly builds upon itself and gently reminds the reader of all that our spirit has always known We do not teach for in truth there is nothing to learn The realizations to which you awaken are your own we merely show you alternatives Your immortal spirit will assist you in making the best choices for you and help you fulfill the purpose for which you incarnated Your reward is not enlightenment you already have that within you rather it is the freedom to make use of the power you have always had

Ocean of Attainments ,2024-04-16 This commentary on Guhyasamaja tantra is the seminal guide to deity yoga and tantric visualization for the Geluk school of Tibetan Buddhism *Ocean of Attainments* was composed by Khedrup J Gelek Palsang 1385 1438 one of Tsongkhapa Losang Drakpa s most prominent disciples Its subject is the creation stage a quintessential Buddhist tantric meditation that together with the completion stage comprises the path of unexcelled tantra The Guhyasamaja Tantra referred to as the king of all tantras is revered in Tibet especially by the Geluk school for its hermeneutic methods which are in turn applied to other tantras In the

creation stage meditators visualize themselves as buddhas at the center of the celestial mandala surrounded in all directions by male and female bodhisattvas and enlightened beings Since the core of the practice is visualization this meditation perhaps more than other meditations presumes the creative power of the mind Visualizations form the basis not only of the creation stage and deity yoga but of all tantric practices and rituals since tantric practice takes place not in mundane existence but in the illusion like purity of the enlightened view While the previously published *Essence of the Ocean of Attainments* is a concise exposition on the practice of the Guhyasamaja sadhana *Ocean of Attainments* is much more detailed providing extensive scriptural citations clear explanation of the body mandala arguments on points of contention reference to other tantric systems and critiques of misinterpretations Complemented by the extensive and clear introduction this volume is a vital contribution to the growing body of scholarship on Guhyasamaja and on Buddhist tantra in general *Tibetan Yoga and Its Secret Doctrines* W.Y.
