In The Midst Of The Whirlwind A Manual For Helping Refugee Children:

Educational Interventions for Refugee Children Richard J. Hamilton, Dennis Moore, 2004 How can schools best prepare themselves to successfully educate refugee children By focusing on the education of refugee children this book takes a rare look at a subject of increasing significance in current educational spheres Highlighting the many difficulties facing refugee children the editors draw upon a wealth of international experience and resources to present a broad informative and sensitive text *Educational Interventions for Refugee Children* identifies school based interventions whilst suggesting methods and measures with which to assess the efficacy of such programmes It also develops a useful model that provides a standard for assessing refugee experience offering diagnostic indicators for Evaluating support services for refugee children Future avenues of research Practical implications of creating supportive educational environments for refugee children The need to identify and prepare for the education of refugee children is an international issue and this is reflected in the broad outlook and appeal of this book The editors have developed an overall model of refugee experience integrating psychological cultural and educational perspectives which researchers practitioners and policy makers in education will find invaluable **In the**

Midst of the Whirlwind Naomi Richman, 1998-07-31 Designed specifically for teachers and social workers and health workers this manual offers practical guidance on all aspects of provision and responses to the situations and the needs of refugee children *In the Midst of the Whirlwind* Naomi Richman, 1998 This new manual written by a foremost practitioner in refugee children's psychology is designed specifically for teachers social workers and health workers It offers practical guidance on all aspects of provision and responses to the situations and needs of this growing group of displaced children This manual will be an invaluable resource for all organizations and schools that have refugee children Psychosocial

Concepts in Humanitarian Work with Children Program on Forced Migration and Health at the Mailman School of Public Health, Columbia University, National Research Council, Division of Behavioral and Social Sciences and Education, Committee on Population, Roundtable on the Demography of Forced Migration, 2003-07-06 This report is concerned with reviewing psychosocial concepts in research related to humanitarian work with particular emphasis on research related to children affected by prolonged violence and armed conflict EBOOK: Refugee Children in the UK Jill Rutter, 2006-06-16 Asylum

migration causes intense media and political debate However little attention has been paid to how forced migrants can rebuild their lives in the UK or elsewhere This timely book analyzes the social policies that impact on refugee children's education and Provides the background to the migration of refugees Explores how dominant discourses about trauma homogenise and label a very diverse group of children Examines how policy towards refugees is made and how it relates to practice Offers alternative visions for refugee settlement Drawing on case studies of the experiences of refugee children *Refugee Children in the UK* brings a much needed insight into the needs of refugee children It is valuable reading for academics policy makers students of education sociology and social policy as well as education health and social work

professionals **Social Work with Unaccompanied Asylum-Seeking Children** Ravi Kohli,2006-12-07 Kohli offers a comprehensive overview of what is known about the resettlement of young asylum seekers answering social work practitioners need for a fuller understanding After reviewing existing approaches research evidence and current practice students and practitioners are presented with a new conceptual framework for social work **Managing Transitions** Alison Petch,2009-10-05 Drawing on the best available research evidence Managing transitions highlights issues common to all experiencing transition as well as the dilemmas specific to particular situations It addresses significant transitions relevant to policy and practice covering key transition points in social care from childhood to old age *Meeting the Needs of Ethnic Minority Children - Including Refugee, Black and Mixed Parentage Children* Kedar Nath Dwivedi,2000-02-15 Experts from a variety of disciplines contribute to this substantially revised edition of this popular handbook new chapters are included on identity work and refugee children Offering practical guidance based on sound research and practice the book provides a focus on some of the most difficult and topical aspects of this field of work *Education, Asylum and the 'Non-Citizen' Child* H. Pinson,M. Arnot,M. Candappa,2010-04-29 Awarded 2nd Prize Best Book award the Society for Education Studies 2011 Refugees are physically and symbolically out of place their presence forces governments to address issues of rights and moral obligations This book contrasts the hostility of immigration policy to non citizen children with teachers exceptional compassion and citizen students ambivalence in defining who can belong *Bilinguality and Literacy* Manjula Datta,2015-09-01 The new edition of Bilinguality and Literacy argues that bilingual children s literacy learning in English is necessarily an intercultural process Children s voices are strong in this revised updated and expanded edition and looks closely at bilingual children s writing development in view of the Ofsted statement that fluent bilingual pupils struggle with writing 2003 Bilinguality and Literacy will be of interest to undergraduate students of applied linguistics teacher training courses and academics researching multilingualism and literacy **Resources in Education** ,1999

Introducing International Social Work Sue Lawrence,Karen Lyons,Graeme Simpson,Nathalie Huegler,2009-06-25 This book guides the reader through the international development of social work and discusses how aspects of globalisation are making it an increasingly international activity and profession Individual chapters locate the UK population historically and currently as a multicultural community and explore the international issues that social workers in the UK confront in their daily practice with children and families people with mental health issues and older people This text helps students meet the academic benchmarks and National Occupational Standards that require them to locate social work practice in a European and international context **Realising Socio-Economic Rights of Refugees and Asylum Seekers in Africa** Ebenezer Durojaye,Robert Doya Nanima,Abiola Idowu-Ojo,Gladys Mirugi-Mukundi,2023-10-31 This book examines the socio economic rights challenges of refugees and asylum seekers in Africa It seeks to fill a major gap in the literature by providing a nuanced discussion of the barriers to the realisation of the socio economic rights of refugees and asylum seekers in Africa

It equally aims to provide some concrete recommendations to African governments towards the realisation of the socio economic rights of refugees and asylum seekers With the aid of lessons from selected African countries this book highlights the gaps challenges and good practices regarding the realisation of the socio economic rights of refugees and asylum seekers in the region The book will be useful to researchers students academicians policymakers and international organisations or institutions interested in advancing the rights of refugees and asylum seekers *Aiming High* Marie Parker-Jenkins,Des Hewitt,Simon Brownhill,Tania Sanders,2007-08-22 What can schools do to raise the academic attainment of every pupil Helping you to ensure that every pupil fulfils their potential this book draws on the authors research and practical experience to demonstrate what can be done to raise attainment especially in pupils from culturally diverse backgrounds This book contains tried and tested strategies for inducting asylum seekers supporting bilingual learners working with gypsy and traveller children raising the attainment of black boys working with parents and the local community Highly practical this book contains lesson activities suggestions for improving your teaching skills case studies and activities for professional reflection All teachers teaching assistants and teacher trainers especially those working in culturally diverse classrooms will want to read this book *Attachment and Human Survival* Marci Green,Marc Scholes,2018-04-24 What is it about childhood experiences that influence the kind of adult we become For John Bowlby and others who developed Attachment theory much of the answer lies in the quality of early attachments to our primary caregivers When those attachments are secure we can develop a safe sense of self When insecure we may go on seeking safety throughout our lives in inappropriate and painful ways Attachment argued Bowlby is a matter for individual and species survival Using principles pioneered by Bowlby this volume explores the importance of attachments to individuals and communities Drawing on the work of leading figures in the field of Attachment research and clinical practice this book introduces readers to the basic ideas and applications of Attachment theory Chapters explore for example the role of attachment experience in brain development the cultural and institutional contexts in which attachment systems operate the political consequences of personal suffering and the uses of Attachment theory in psychotherapy **Children in Care** Terry Philpot,2023-08-18 Written by leading children s services experts and clinical researchers this book is for anyone interested in up to date evidence based approaches to working with children in care *Equitable Education* Sameena Choudry,2025-02-28 Never has a book on social justice and equitable education been so relevant Recent events have highlighted the huge attainment gaps that exist for many pupils within the education system due to factors outside of their control As the diversity of the pupil population increases it is more important than ever to develop the skills knowledge and understanding within the teaching profession around issues of equality and inclusion This book provides trainees and teachers with an in depth understanding of the complex issues related to the attainment of key groups of disadvantaged pupils and practical strategies that can be deployed to address these gaps Chapters focus on social class gender English as an additional language minority ethnic achievement gypsy Roma and

travellers refugee and asylum seekers and those with special educational needs and disabilities The book takes a stark look at the evidence and statistics provides an overview of the key issues and considerations for each particular group and suggests key resources and examples of good practice along with case studies and points for reflection Ultimately it encourages you to have high expectations of your pupils and to truly believe that you can help them realise their ambitions and aspirations This is a powerful and timely consideration of the ways in which education has the capacity to make a difference Packed full of evidence informed strategies this book considers the range of ways that schools can respond positively to build far greater equity for all Sameena Choudry s contribution is authoritative and compelling and deserves our full attention Dame Alison Peacock *Global Children, Global Media* D. Buckingham,2007-11-12 Children today are growing up in a world of global media Many have also become global citizens through their experience of migration and transnational networks This book reviews research and debate in the media globalization migration and childhood with empirical research in which children s voices are featured prominently and directly *Icelandic Studies on Diversity and Social Justice in Education* Samúel Lefever,Hanna Ragnarsdóttir,2019-01-18 The educational systems of the Nordic countries are based on a common set of fundamental values such as democracy social justice and inclusion However when it comes to the treatment of diversity especially in education many issues remain unresolved This edited volume presents Icelandic research on the challenges and opportunities of diversity in education at several levels including preschool primary secondary vocational and higher education in Iceland The chapters shed light on school experiences of students and parents of immigrant or refugee background and their teachers and explore attitudes and values of young people with regards to diversity human rights and multicultural society This book also addresses the issues of the professional development of teachers and inclusive practices and will primarily appeal to classroom teachers and academics teacher education students social educators and education policy makers While set in the Icelandic context this volume will serve to contribute to current global discussions on diversity and social justice in education *Global Migration and Education* Leah Adams,Anna Kirova,2007 Global Migration and Education makes a notable contribution to understanding the issues faced by immigrant children their parents and educators as they interact in school settings and to identifying the common challenges to and successes in educational institutions worldwide as they cope with these issues Global in scope there are chapters from 14 countries It will help educators and others involved in these complex processes to see beyond the notion of problems created and experienced by recently arrived young children Rather this volume provides many concrete suggestions deriving from the success stories and voices of teachers parents and students It also offers evidence that diversity can be a condition for learning that when understood embraced and supported leads to rich learning opportunities for all involved that would not exist without diversity All of the authors offer recommendations about educational policy and practices to address and ultimately improve the education of all children including immigrant children The book is organized around five themes Multiple Global Issues for Immigrant

Children and the Schools They Attend They Are Here Newcomers in the Schools Views and Voices of Immigrant Children Far from Home With Fluctuating Hopes and Searching for New Ways to Belong Intended for researchers students school professionals and educational policymakers and analysts around the world in the fields of multicultural education child psychology comparative and international education educational foundations educational policy and cross cultural studies this book is highly relevant as a text for courses in these areas
