

A serene sunset scene over a beach. The sun is low on the horizon, casting a warm orange glow across the sky and reflecting on the water. In the foreground, a metal bucket lies on the sand, and numerous footprints are visible, leading towards the water. The overall mood is peaceful and contemplative.

The best way to find yourself  
is to lose yourself in the  
service of others.

Memories in the Service of the Hindu Nation Pranav Kohli, 2023-11-16 This book is based on fourteen months of ethnographic fieldwork with Partition survivors from west Punjab and the North West Frontier Province in Delhi and its surroundings between 2017-18. It locates the global rise of far right nationalism within globalisation and memories of victimhood. Focussing on Hindu nationalism in India, this book is an important and timely contribution to the literature on South Asian Partition Studies that shows how tragedy begets tragedy. It tries to answer an urgent provocative but nevertheless necessary question: What does it mean to remember the Partition in the time of fascism? The author shows what makes up cycles of violence by connecting the reinscription of trauma in Partition memories to the self-serving justifications of the contemporary violence of Hindu nationalism. It analyses how the hegemony of Hindu nationalism has structured the narratives of Hindu Partition survivors and recruited them in service of a putative Hindu nation. Covers receipts and expenditures of appropriations and other funds **The Israelite Samaritan Version of the Torah** Benyamim Tsedaka, Sharon Sullivan, 2013-04-26 This landmark volume presents the first ever English translation of the ancient Israelite Samaritan version of the Pentateuch or Torah. A text of growing interest and importance in the field of biblical studies, the Samaritan Pentateuch preserves a version of the Hebrew text distinct from the traditional Masoretic Text that underlies modern Bible translations. Benyamim Tsedaka's expert English translation of the Samaritan Pentateuch is here laid out parallel to the more familiar Masoretic Text, highlighting the more than 6,000 differences between the two versions. In addition to extensive explanatory notes in the margins throughout the book, its detailed appendices show affinities between the Samaritan and Septuagint versions and between the Samaritan and Dead Sea Scroll texts. Concluding the volume is a categorical name index containing a wealth of comparative information. The Foreign Office List and Diplomatic and Consular Year Book for ... Great Britain.
