

IN THE SHADOW OF ALIYEV

Travels in Azerbaijan

JASON THOMSON

In The Shadow Of Aliyev

Svante E. Cornell

In The Shadow Of Aliyev:

In the Shadow of Aliyev Jason Thomson, 2005 **The Intelligentsia of Irevan** Asgar Zeynalov, 2016-01-31 The book *The Intelligentsia of Irevan* by Doctor of Philological Sciences Asgar Zeynalov deals with the lives and activities of the intelligentsia coming from Irevan in the XIX and XX centuries and their role in the development of the Azerbaijani science and culture The work also reflects the literary environment of Irevan a typical Moslem city at the end of the XIX century and the beginning of XX century **History of the Caucasus** Christoph Baumer, 2023-10-05 *In the Shadow of Great Powers* is the second volume of Christoph Baumer's *History of the Caucasus* It covers the period from the Seljuk domination of the Southern Caucasus around 1050 CE to the present day After the Kingdom of Georgia's golden age of independent power and cultural blossoming in the 12th and early 13th centuries the Caucasus was overrun by the Mongols and soon disintegrated into innumerable smaller kingdoms principalities and khanates At the same time an Armenian kingdom in exile maintained a precarious independence in Cilicia today's southern Turkey by applying a three way diplomatic policy balanced between the Mongol Il Khanate the Crusader states and to a lesser degree the Mameluke Empire Then followed four centuries during which the highly fragmented polities of the North and South Caucasus became political pawns of the regional great powers above all the Ottomans Iran and Russia In the wake of World War I the South Caucasus enjoyed a short lived independence whereas its northern neighbours were engulfed by the Russian civil wars But by 1921 the Soviet Union had re established Russian dominance over the whole region and from a Western perspective the region disappeared behind the Iron Curtain Nevertheless the Caucasian nations kept their pronounced identities even under Soviet rule giving rise at the dissolution of the Soviet Union to a number of internecine conflicts Whereas the Russian Federation managed to maintain its supremacy over the North Caucasus albeit at the cost of bloody wars and insurrections Armenia Azerbaijan and Georgia succeeded in more or less gaining control over their destiny Of these three republics only Azerbaijan secured a wide ranging independence thanks to its fossil fuel resources Following Russian interference Georgia lost control over two of its provinces while Armenia remains dependent on Russian support in the face of its notoriously antagonistic relations with neighbouring Azerbaijan and Turkey over the unresolved issue of Karabakh *In the Shadow of Great Powers* includes some 200 full colour images and maps which further bring the turbulent history of this region to light [Language Politics in Contemporary Central Asia](#) Jacob M. Landau, Barbara Kellner-Heinkele, 2011-12-18 Nationalist leaders in the former Soviet states strive for national identity in both the political and cultural domains Their language policies contend with Russian speaking intelligentsias numerous ethnic minorities and sizeable Russian communities backed by the Russian Federation all presenting major challenges to facing the legacy of Soviet rule Drawing on many years of research interviews with educators and officials and visits to the region Barbara Kellner Heinkele and Jacob M Landau explore the politics of language and its intersection with identity in Azerbaijan Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan With special attention to language education in

schools and universities within each state and debates over bilingualism versus multilingualism their insights offer researchers of politics linguistics and Central Asian studies a comprehensive account of a highly politicised debate

Azerbaijan Debbie Nevins,2020-12-15 The nation of Azerbaijan combines rich historical tradition with a modern mindset As a former part of the Soviet Union it has had to forge its own path in the 21st century Readers will explore the successes and setbacks along the way with this informative and engaging guide The detailed narrative and enlightening sidebars highlight political cultural geographical and economic facts about Azerbaijan Maps and images of this country s landscapes and people bring its culture into delightful focus Recipes allow readers to take a hands on approach to enjoying Azerbaijan

The Wellspring of Georgian Historiography Konstantin Borisovich Lerner,2004 As the Shadow Rises Katy Rose Pool,2020-09-01 Six of Crows meets Graceling with a dash of Winter is Coming in Katy Rose Pool s second installment of the action packed and swoon worthy Age of Darkness series As the Shadow Rises As the Shadow Rises solidifies Katy Rose Pool s status as one of the best fantasy writers of the 21st century Popsugar The Last Prophet has been found yet he sees destruction ahead In this sequel to the critically acclaimed There Will Come a Darkness kingdoms have begun to fall to a doomsday cult the magical Graced are being persecuted and an ancient power threatens to break free But with the world hurtling toward its prophesized end Anton s haunting vision reveals the dangerous beginnings of a plan to stop the Age of Darkness As Jude Keeper of the Order of the Last Light returns home in disgrace his quest to aid the Prophet is complicated by his growing feelings for Anton Meanwhile the assassin known as the Pale Hand will stop at nothing to find her undead sister before she dies for good even if it means letting the world burn And in Nazirah Hassan the kingdom less Prince forms a risky pact to try to regain his throne When the forces of light and darkness collide in the City of Mercy old wounds are reopened new alliances are tested and the end of the world begins The Age of Darkness trilogy is perfect for fans of Throne of Glass Children of Blood and Bone and An Ember in the Ashes Adventurous relic hunting mind blowing twists budding love and terrible betrayals feature in this multiple narrator character driven study of power agency and identity Kirkus Reviews starred review Praise for There Will Come a Darkness Reading this intricate YA fantasy you get the feeling Katy Rose Pool s plot is always seven steps ahead of you You ll want to catch up as quickly as possible Refinery 29 **Asymmetric**

Environmental Governance in Azerbaijan Agshin Umudov,2021-09-14 This book examines why authoritarian governments are willing to address environmental problems that have an international impact such as CO2 emissions but are reluctant to address problems that have only a domestic impact In a case study of Azerbaijani oil politics it demonstrates how the incumbent Azerbaijani regime has taken important measures trying to address CO2 emissions while ignoring the damage caused by oil pollution on the Caspian coast The book argues that resource rich authoritarian governments are eager to join international environmental initiatives to improve their image but they address domestic environmental issues mainly if they threaten their hold on power This book is an important contribution to scholarship on environmental governance in the post

Soviet space an area that is poorly researched Therefore it is a must read for researchers and scholars interested in post Soviet studies as well as in the nexus between mineral rich regions and how social policy is created e g environment education and healthcare In addition this book will be of tremendous importance for policymakers and international organizations as it looks into the motivation of authoritarian states in the post Soviet space for environmental measures

Georgian Monks on Mount Athos ,2009 *The Tattooing Arts of Tribal Women* Lars F. Krutak,2007 This account of the vanishing art of wmen s tribal tattooing is the record of anthropologist Lars Krutak s ten year research with indigenous peoples around the globe **The Strategic Survey 2021** The International Institute for Strategic Studies (IISS),2021-10-27 Strategic Survey 2021 The Annual Assessment of Geopolitics provides objective in depth analysis by leading experts of the events actors and forces driving international relations It is the indispensable guide for policymakers business leaders analysts and academics who need to understand the geopolitical and geo economic trends shaping the global agenda in 2022 and beyond Key features Comprehensive annual review of world affairs from the International Institute for Strategic Studies the leading international research institute that provides objective analysis of military geopolitical and geo economic developments that could lead to conflict Covers developments in all regions as well as emerging issues and trends not yet on most radars and analyses the major themes and forces shaping each continent Essays on a comprehensive range of global issues including vaccine diplomacy digital conflict Europe s emerging Asia Pacific strategies the rise of carbon neutrality the prospects for Iran s nuclear programme and the future of political Islam Drivers of Strategic Change for major states Verified comparable data on state power that provides a rich and vivid guide to forces underlying geopolitical change Data rich graphics and maps that provide fresh insights into geopolitical change and a timeline of the key events of 2020 21

Azerbaijan Since Independence Svante E. Cornell,2015-05-20 Azerbaijan a small post Soviet republic located on the western shore of the Caspian Sea has outsized importance becaus of its strategic location at the corssroads of Europe and Asia its oil resources and Witness Through Troubled Times Zaza Abashidze,Tamara Grdzeldze,Martin George (Prof. Dr.),Lukas Vischer,2006 This work provides a comprehensive history of the Orthodox Church of Georgia and begins in the year 1811 which marks the removal of the church s autocephaly It gives an insight into political and cultural life in Georgia as well as the persecution of religion by imperialist and communist Russia **The South Caucasus at the Crossroads** Elkhan Nuriyev,2007 Written by a highly respected expert in the field this book addresses some of this little known region s most vital issues territorial conflicts oil and natural gas resources geopolitical complexities and pipeline politics as well as the successes and failures of democratic processes in the post Soviet countries of Armenia Azerbaijan and Georgia The future of these newly independent states where Iran and Turkey as well as Russia the U S and the E U are vying for political and economic influence is still being determined and it is clearer every day that events in the Caucasus and Caspian Sea region have the potential to impact European security The author looks at the challenges faced by these young South Caucasian

countries and examines the prospects for future peace and prosperity in the region The South Caucasus at the Crossroads is essential reading for students and researchers of post Soviet history and Caucasus studies sociology Caspian Sea politics political science and international relations Elkhan Nuriyev is the director of the Center for International Studies CIS and associate professor of political science and international affairs at the University of the Caucasus in Baku Republic of Azerbaijan

The Pre-history of the Armenians Gabriel Soultanian,2003

The Mediterranean Legacy in Early Celtic Christianity Jacob G. Ghazarian,2006 Scholars have been intrigued by the similarities between the Celtic religious traditions and those developed in Egypt Palestine and Asia Minor during the first Christian millenium Jacob Ghazarian shows that despite limitations of geography links between the opposite ends of the Christian world were extensive

The Oil and the Glory Steve LeVine,2007-10-23 Remote forbidding and volatile the Caspian Sea long tantalized the world with its vast oil reserves But outsiders blocked by the closed Soviet system couldn t get to it Then the Soviet Union collapsed and a wholesale rush into the region erupted Along with oilmen representatives of the world s leading nations flocked to the Caspian for a share of the thirty billion barrels of proven oil reserves at stake and a tense geopolitical struggle began The main players were Moscow and Washington the former seeking to retain control of its satellite states and the latter intent on dislodging Russia to the benefit of the West The Oil and the Glory is the gripping account of this latest phase in the epochal struggle for control of the earth s black gold Steve LeVine who was based in the region for The Wall Street Journal The New York Times and Newsweek weaves an astonishing tale of high stakes political gamesmanship greed and scandal set in one of the most opaque corners of the world In LeVine s telling the world s energy giants jockey for position in the rich Kazakh and Azeri oilfields while superpowers seek to gain a strategic foothold in the region and to keep each other in check At the heart of the story is the contest to build and operate energy pipelines out of the landlocked region the key to controlling the Caspian and its oil The oil pipeline that resulted the longest in the world is among Washington s greatest foreign policy triumphs in at least a decade and a half Along the way LeVine introduces such players as James Giffen an American moneyman who was also the political fixer for oil companies eager to do business on the Caspian and the broker for Kazakhstan s president and ministers John Deuss the flamboyant Dutch oil trader who won big but lost even bigger Heydar Aliyev the oft misunderstood Azeri president who transcended his past as a Soviet Politburo member and masterminded a scheme to loosen Russian control over its former colonies in the Caspian region and all manner of rogues adventurers and others drawn by the irresistible pull of untold riches and the possible final frontier of the fossil fuel era The broader story is of the geopolitical questions of the Caspian oil bonanza such as whether Russia can be a trusted ally and trading partner with the West and what Washington s entry into this important but chaotic region will mean for its long term stability In an intense and suspenseful narrative The Oil and the Glory is the definitive chronicle of events that are understood by few but whose political and economic impact will be both profound and lasting

The History of Bishop Sebēos Gabriel Soultanian,2007

Power Games in the Caucasus Nazrin Mehdiyeva, 2011-11-30 The dissolution of the Soviet Union into independent states was among the most momentous political phenomena of the twentieth century This book provides the first comprehensive study of Azerbaijan's post independence foreign policy in relation to its much stronger neighbours Russia Turkey and Iran and the role that the West brought to bear in helping Azerbaijan to counterbalance the influence of Russia Complex and subtle diplomatic negotiations enabled the exploitation of Azerbaijan's substantial oil and gas resources and the implementation of transit projects that Azerbaijan's leadership considered critical the construction of the Baku Tbilisi Ceyhan oil pipeline bypassing Russia being one example The case of Azerbaijan demonstrates how in the post Cold War order a small state has been able to advance its interests internationally even when they contradicted those of the hegemon The book includes a wealth of new sources and extensive interviews with national policymakers and experts

The Informal Economy in Global Perspective Abel Polese, Colin C. Williams, Ioana A. Horodnic, Predrag Bejakovic, 2017-04-18 This book critically engages with how formal and informal mechanisms of governance are used across the world Specifically it analyzes how the governance mechanisms of formal institutions are questioned challenged and renegotiated through informal institutions Whilst there is an emerging body of scholarship focusing on informal practices this is scattered across a number of disciplines This edited collection by contrast fosters a dialogue on these issues moving away from monodisciplinary and normative methodologies that view informal institutions and practices simply as temporary economic phenomena In doing so the authors provide a wider understanding of how governance is composed of both the formal and the informal which complement each other but are also constantly in competition This novel approach will appeal to social scientists economists policy makers practitioners and anyone else willing to widen their understanding of how governance works
