Robertson Smith P T Forsyth and T R Glover The analysis is organised around the defences that were offered for the credibility of Christianity in response to hostile and friendly critics In this period the study of theology was not yet divided into its modern self contained areas A critical approach to scripture was taken for granted and its implications for ecclesiology the understanding of salvation and the social implications of the Gospel were teased out in Hort s phrase through enquiry and controversy as a way to discover truth Cambridge both engaged with German theology and responded positively to the nineteenth century crisis of faith **American Book Publishing Record** ,2003 **Bring Them into the Land** Jeffrey P.
