In Search of Lehi's Trail Lynn M. Hilton, Hope A. Hilton, 1976      **In Search of Lehi's Trail** Lynn M. Hilton, Hope A. Hilton, 1977-02      Discovering Lehi: New Evidence of Lehi and Nephi in Arabia Lynn M. Hilton, Hope A. Hilton, 2023-02-02

This fascinating Mormon odyssey was first commissioned by The Ensign But no mention was ever made in that work of the Lihyan Arabic transliteration for The People of Lehi civilization and the remarkable possibilities found in its Arabian ruins In addition to the Hilton s original research they have discovered volumes of new evidence and new possibilities The findings in this book may just be the sign saying I Lehi was here It is possible that Lehi and Nephi were actually great missionaries that they converted thousands as hinted at in D C 33 8 10 This new evidence suggests that Arabian converts of Nephi and Levi grew in number and influence and prospered as all civilizations of The Book of Mormon were promised over a period of 1000 years until they actually ruled Arabia for an additional 300 years This work may be the most remarkable evidence currently available that Levi and Nephi actually existed and may be the only research to date to actually pinpoint Book of Mormon locations with any degree of accuracy It is astounding that the city Nephi referred to as Nahum actually exists today as a city of ancient origins It conforms to the Book of Mormon description of the burial place of Ishmael and the point where they changed their direction of travel from south southeast to nearly eastward toward Bountiful Here within our very grasp may be the first physical and historical evidence that Lehi and Nephi lived breathed struggled and taught the gospel as marvelous and influential prophets of The Book of Mormon

Ash,2023-02-02 In the early 1800s many people criticized the Prophet Joseph Smith for his prophecies and revelations today several evidences prove that Joseph was right Michael Ash a well known LDS apologist explains why it is useful and perhaps even necessary to combine reason with faith in our testimony of Joseph Smith He reminds us that although secular evidences can t replace a spiritual witness they can support a testimony and provide an atmosphere where a spiritual witness can flourish Using scholarly journal articles and ancient Jewish and Christian writings Ash provides evidences that show how the Book of Mormon is a true account of an ancient people how LDS scriptures are consistent with the traditions and culture of ancient Israel and how the doctrines of the Church accurately reflect the teachings of Christ Ash writes clearly and simply providing numerous resources to foster further study With over 80 evidences this book is an excellent resource for those seeking more information about Joseph Smith and his works      *Book of Mormon Study Guide, Pt. 1* Randal S. Harris,2011-02-19 This is the story of an ocean journey made in biblical times by a group of people from the Old World to the New World We have an account of the journey written in the Book of Mormon a scripture used by the Church of Jesus Christ of Latter Day Saints but unfortunately the account is short and largely devoid of detail on how a suitable ship was built how the journey was accomplished and the route they took This book is an attempt to fill in many of these gaps in the light of some of the remarkable discoveries that have made about ancient voyaging during the last century These discoveries clearly indicate that we have greatly underestimated the skill knowledge and courage of the ancient mariners and the length and complexities of their voyages As we discover more about the detailed history of the Ancient World we have come to realize that the journey we have examined in these pages may be one of many made by these intrepid mariners *Chiasmus in Antiquity* John W.
