

Mary Shideler's call to see ourselves as living under the aspect of the eternal, to awaken that Spirit within, is itself sounded from a deep commitment and practice. Applicable to beginners of many different traditions and backgrounds, she is also clear that at some time the novitiate must end and that a deeper commitment will be necessary. Perhaps her observation, "Thou shalt not be overcome," will be one that will prompt many to begin their own spiritual journey.

— HENRI NOUWEN —

In this classical primer on the spiritual life, Mary McDermott Shideler writes for those just beginning to experience the stirrings of the spirit and to ask the most elementary questions: "How should I pray? What should I pray? What is prayer?" In her guide to the basics of spiritual development, Shideler leads us with shrewd psychological insight from the early steps of spiritual awakening to mature understanding and commitment to the tradition in which we find ourselves.

Drawing on the insights of writers like C. S. Lewis, Søren Kierkegaard, Charles Williams, and G. K. Chesterton, this eloquent work describes life in the spirit with vivid stories and examples and clear terminology.

The late Mary McDermott Shideler was an authority on the well-known British novelist and theologian Charles Williams. The author of *Creed for a Christian Skeptic* and *The Theology of Romantic Love*, she was also a frequent contributor to *Christian Century*, *Theology Today*, and *The Lutheran*.

bell hooks' Spiritual Vision Nadra Nittle, 2023-11-07 When Black feminist and scholar bell hooks died in 2021 she was widely remembered for writing more than three dozen books across genres including memoir poetry theory and criticism However it was her book *Ain't I a Woman* in which hooks examines how Black American women have historically faced gender class and racial oppression that catapulted her to prominence as a leading feminist thinker Nadra Nittle makes it clear that hooks identified not only as a feminist but also as a Buddhist Christian In *bell hooks' Spiritual Vision* Nittle recounts how hooks kept her spiritual practice private for years fearing there was no room to discuss her faith in the feminist movement or in the academy Ultimately hooks decided to talk and write about her faith to give hope to students curious about her source of strength in a society she deemed an imperialist white supremacist capitalist patriarchy Nittle traces the influences of the Rev Martin Luther King Jr and Buddhist monk Thich Nhat Hanh as hooks developed a spiritual practice centered on love as a force for social change Although hooks opened up about her spiritual philosophy in the last decades of her life Nittle argues that hooks's contributions to religious discourse are largely unheralded *bell hooks' Spiritual Vision* reflects her identity as a feminist and a believer who knit together her political and spiritual practices This book offers readers a window into spirituality's role in hooks' writing on her life love feminism and society It speaks both to hooks's longtime followers and to newcomers to her writing Regardless of their starting points readers will get to know bell hooks for all she was Buddhist Christian and feminist

Spirit, Word, Community Amos Yong, 2006-01-31 The main thesis of *Spirit Word Community* is that Christian theological reflection in a postmodern world starts with the experience of the Holy Spirit but is at the same time post-foundationalist in terms of being formed by the word and being adjudicated by various communities of interpretation Yet the book's hermeneutical and methodological proposals are not merely prolegomena to theology but already involve and assume theologically substantive claims derived from a pneumatological point of view Hence this is a pneumatological theology which illuminates the hermeneutical process precisely by showing how the Holy Spirit engages the human imagination to empower liberative practices in a world that remains graced by her presence and activity *Spirit Word Community* is meant in each of these senses to be a contribution to the formulation of a comprehensive theology of the Third Article for the twenty-first century

The Spirit of Truth Myk Habets, 2010-03-01 Among the theological loci pneumatology is one of the most stimulating exciting and difficult topics to study it is also one of the most rewarding The identity and mission of the Holy Spirit is pervasive throughout Scripture and the Great Tradition and within contemporary Christianity it is one of the most popular topics currently being explored Here ten scholars present twelve essays spanning biblical hermeneutical theological and practical disciplines The result is not an evangelical pneumatology in systematic fashion nor is it a comprehensive theology of the Holy Spirit Rather this volume presents explorations in pneumatology from a variety of evangelical scholars working in varying contexts mostly the South Pacific basin but each wrestling equally with what the Spirit of Truth is saying to the churches today This is a work of outstanding scholarship with essays by Canadian theologian Gary Badcock and a cast of established and emerging Kiwi or New Zealand theologians which gives the work a unique contextual flavor alongside its ecumenical and evangelical commitment
