

A lighthouse stands on a rocky island in the distance, its light glowing against a vibrant sunset sky with streaks of orange, pink, and purple. The foreground shows dark, jagged rocks and some green coastal plants.

Hope is being able
to see that there is a light
despite all the darkness.

In These Difficult Times:

Dose of Faith for these difficult times Marcos A. Toyens, 2017-04-21 History of different men who knew how to choose and take the most important decision of their lives for the good of them and society They were transformed by the power of the Gospel and the help of the Father the Son and the Holy Spirit we have been made new creatures as they described the Scriptures in 2nd Corinthians Chapter 5 17 Their lives and their testimonies will impact your life and receive injections of faith of prisoners ex prisoners and my own experiences in these places during my visits as Minister of the Gospel True Life in These Troubled Times Jeff G Graham, 2006-10 Do you long for hope and love in your life Are you confused about how to find security in a world full of uncertainty corruption and pain Author Jeff G Graham shows you how to discover the peace you long for with True Life in These Troubled Times Finding Truth in an Uncertain World God's great love for mankind led Him to send His son the Lord Jesus Christ to fulfill man's most urgent need to have a meaningful loving relationship with Him With honesty and clarity Graham looks at real life issues and delves into nurturing the perfect relationship with the One who created you Graham also argues that the Bible is the word of God and not simply a book full of religious beliefs Only the Bible contains the fulfilled prophecies of the land of Israel and Jesus Christ In addition the Bible demonstrates God's great love for man and shows why a life without a relationship with God is meaningless In these perilous times people need purpose and rest Both of these can be found in Jesus Christ Let True Life in These Troubled Times help you find your way to Him

Fearless Change and Social Action in Difficult Times Paula Donnelly Roark,2024-10-31 Our divided politics unable to solve the challenges we face concerning society s hierarchies of injustice poverty endless war and climate change are now backtracking to even more division But the reality goes far deeper than the simple politics of left and right For true change we need something more profound a culture shift a collective change of consciousness Fearless Change and Social Action in Difficult Times argues that culture shifts don t just happen they require a strong focus on social and cultural human connection which neither political nor economic power can provide alone It is only deep participation and social integrative power which have the capacity to create these necessary cultural and societal transformations Developing awareness in participatory groups of thought worlds which remain out of sight but give cover to the implicit rules of culture and society is

the first step to creating shared awareness of constructs and negative thought worlds that subconsciously support inequality. Consciously putting aside those that are negative allows for the emergence of new positive realities and social movements. Thus the real revolution is of the mind. It does take courage but this is the process by which better futures are created. Offering significant contributions to sociology and social theory, this book promotes an understanding that societal change is rooted in social power and cultural shifts. Inclusive in its presentation, students, professors, NGO professionals, volunteers, activists, and interested observers will find this book of high interest. *Lifelines for Tough Times* Mike Fabarez, 2014-07-01

When tough times hit, we often find ourselves vulnerable to doubt, fear, worry, even depression. We ask: Does God care? Has He forgotten me? So why does God allow suffering? Author Mike Fabarez, who is well acquainted with deep pain himself as the father of a special needs child and as a pastor who has counseled many through life's hurts, looks to the truths of Scripture for answers. Along the way, he shares how complete trust in God alone can restore your confidence and hope, the power of focusing on God's eternal goals for you in life's temporary setbacks, God's promises to love and protect you no matter what happens. This book will not only help you understand why God allows suffering, it will provide you with the resources to stand strong, rest in God's care, and endure. **Self-Discipline in Difficult Times** Martin Meadows, 2020-04-30

How to Press Ahead and Should You When All Is Wrong. As much as we'd like to avoid suffering in life, all of us will occasionally face earth-shattering hardships. You might be dealing with one now, or perhaps your friend or a loved one is, or maybe you'd just like to prepare yourself for when one inevitably occurs in your life. *Self-Discipline in Difficult Times* is the right book for you if you want to learn how to press ahead as your world turns upside down. Some of the topics I discuss in the book include in which situations self-help advice helps and in which you should stay away from it, how to avoid making a bad situation worse when you're under too much pressure, how to take care of yourself during difficult times without sabotaging your long-term goals, how to begin the process of recovery with three fundamental strategies, how to prepare yourself for inevitable future crises with an uncomfortable but effective practice, how to help a friend struggling with a crisis. Mental resilience is our most important tool for surviving a rupture. This book can give you some hope and comfort that you're not alone in whatever you're facing. **Elections in Hard Times** Thomas Edward Flores, Irfan Nooruddin, 2016-09
