Hey Everyone I'm Jessie Gussman and I write love stories I guess some people think that a writer's life is glamorous Especially a romance writer This book was written to disabuse that notion I'm kidding That's not the purpose of this book although it's a definite effect It's true that I'm a USA Today bestselling author which I have to admit surprises me as much as anyone My husband and I also own a trucking company We have two twenty thousand bird free range laying houses our eggs are probably in your grocery store raise grass fed beef cattle homeschool our kids and are on a first name basis with the Game Warden and the state police mostly because of the kids and not really my husband I frequently cook for strangers occasionally hide from my family and own more fire extinguishers than the average person for good reason Sometimes when I sit down at my computer instead of writing the next chapter in my latest romance I write about my life Sometimes it's fun Sometimes funny Sometimes it's heartbreaking and sometimes you just see life through the eyes of a farmer growing older every day and maybe just a little wiser We do a lot of laughing some crying and every day is a learning experience wrapped in the love of God and held in His hand That's what I share with you in this book Thanks so much for spending some time with me today Love Jessie
