Cestaro, 2004-07-22 *Queer Italia* gathers essays on Italian literature and film medieval to modern The volume's chronological organization reflects its intention to define a queer tradition in Italian culture While fully cognizant of the theoretical risks inherent in trans historicizing sexuality the contributors to this volume share an interest in probing the multi form dynamics of sexual desires in Italian texts through the centuries The volume aims not to promote the mistaken notion of a single homosexuality through history Rather these essays together upset and undo the equally misguided assumption of an omnipresent heterosexuality through time by uncovering the various complex workings of desire in texts from all periods Somewhat paradoxically a kind of queer canon results These essays open a much needed critical space in the Italian tradition wherein fixed definitions of sexual identity collapse *Queer Italia* is the first and only work of its kind in Italian criticism As such it will be of interest to a wide audience of Italianists medieval to modern and queer cultural theorists **Mussolini's**

Author's ed* William Dean Howells, 1883 **Italy, Past and Present** Antonio Carlo Napoleone Gallenga, 1848 Our Italian Fellow Citizens in Their Old Homes and Their New Francis Edward Clark, 1919 The purpose in this volume is chiefly to make my readers sympathetically acquainted so far as I am able with the Italian of to day in his old home and his new For this purpose I have not only studied his history and his achievements in the past but I have tried through personal acquaintance to understand something of his present viewpoint In a word I have sought to introduce him as he is to my fellow Americans who trace their descent from other racial stocks This volume was largely written in Italy while the places and people described were freshly in mind Introd Italy, Past and Present by L. Mariotti, 1848 **Tales from Italy** M. Drever, 2007-12 These stories memoirs and anecdotes represent an image of life in Italy that I developed as I grew up in its deepest south in the fifties and sixties I wrote them for my son my youngest sister and my nephews all born in England so that they might have a deeper understanding of their cultural heritage About the author The second child of a family of six children I was born in Gioia del Colle province of Bari in Puglia Italy The first fifteen years of my life were uneventful marked by routines common to the community I grew up in I assumed as a child that every family had someone who was ill my elder brother John was born with a congenital heart disease and that it was the role of the father to be away from home to earn a living for the family I had a peaceful first fifteen years marked by my father's visits home from England In 1964 at the age of fifteen I came to England with my family speaking no English My prospects were not good unless I learned English fast And so I did Four years later I gained a place at university where I

studied modern languages After many years of teaching French and Italian at many levels including teacher training I now work as an independent education consultant I have been married to my great fun loving husband Angus for thirty three years We have a wonderful son Jonathan who is so proud of his Italian heritage He speaks Italian with a nonchalant easiness and Lucy his delightful partner who has drawn the cover to this book taught herself Italian too so that they can explore together more of Jonathan's Italian culture
