Itching Ears:

Having Itching Ears Kirk Glasgow, 2006 Have you ever wondered why many churches have grown into mega church status having thousands of members with unlimited programs and auxiliaries The sad truth is that while they are growing in numbers they are not growing spiritually This book will take you the reader back to New Testament Christianity with its truth and practical Christian living You will be able to pinpoint the issues facing the Church today which hinders it from shining as a light in this present society Issues such as Finances and what Jesus said in reference to Gods care of the believer The hostility of the world to the Church and what Jesus said to expect What keeps the Church from knowing what God desires The impact that the desire to be prosperous has on the Church in America today The Leaders responsibilities in each congregation according to the word of God The responsibilities of each member of the body of Christ The reason for the lack of growth in the Church and what it takes to become healthy *A Remedy for Itching Ears* Jesse T. Williams, Jr., 2012-07-30

What Itching Ears Don't Want to Hear Andrew M. Denny, 2012-03-05 As Christians we are expected to be able to tell people why we believe what we believe I Peter 3 15 Additionally we are to do so by correctly explaining the Bible from the context in which it was written II Timothy 2 15 This means that no matter what denomination we may be a part of we as claimed Christians during these last days need to lay aside our personal biases in order to further understand how the apostles perceived the Gospel Not to imply that any church denomination is wrong for any particular view maybe just incomplete for not fully comprehending the teachings of the Lord Jesus Christ to the measure of the men who actually heard Him Some may call this work just a theory but what this book offers is a prospect of what the apostles essentially gathered from the man Jesus along with the principles He instituted apart from the typical view of today s modernized audience that is As we take a look into the development of the early church from a different angle we will examine certain words and actions taken by the apostles which commonly go unnoticed In other words we should be able to detect which New Testament doctrines have been swept under the rug by modern tradition By the end of this endeavor you alone must determine whether this book should be classified as fact or fiction You alone must decide whether or not these things apply to you You alone must work out your own salvation with fear and trembling Philippians 2 12 **The Big Three** Henry M.
