*With Distance in His Eyes* Scott Raymond Einberger,2018-04-16 One of America s most significant architects of conservation and the environment Stewart Udall comes to life in this environmental biography Perhaps no other public official or secretary of the interior has ever had as much success in environmental protection natural resource conservation and outdoor recreation opportunity creation as Udall A progressive Mormon born and raised in rural Arizona Udall served as the U S Secretary of the Interior under the presidential cabinets of John F Kennedy and Lyndon

Baines Johnson from 1961-1969. During these eight years he established dozens of new national park units and national wildlife refuges, wrote the Endangered Species Preservation Act, lobbied for unpolluted water and offered ways to beautify urban spaces and bring the impoverished out of poverty. Later in life he continued as an advocate for conservation and the environment specifically by proposing solutions to the challenges associated with global warming and the widespread use of oil. What can we learn from this farsighted individual? In a day and age of partisan politics, poor congressional approval ratings and global warming and climate change, this captivating biography offers a profound and historical record into Udall's life, long devotion to environmental issues he cared about most deeply, issues more relevant today than they were then. Intimate moments include Udall's learning of the Kennedy assassination, his push for civil rights for African Americans, his meeting in the U.S.S.R. with Nikita Khrushchev, the first Kennedy cabinet member to do so, and his warnings about global warming 50 years prior to Al Gore's Nobel Prize-winning film.

**Kiowa Military Societies** William C. Meadows, 2012-11-08. Warrior culture has long been an important facet of Plains Indian life. For Kiowa Indians, military societies have special significance. They serve not only to honor veterans and celebrate and publicize martial achievements but also to foster strong role models for younger tribal members. To this day, these societies serve to maintain traditional Kiowa values, culture, and ethnic identity. Previous scholarship has offered only glimpses of Kiowa military societies. William C. Meadows now provides a detailed account of the ritual structures, ceremonial composition, and historical development of each society: Rabbits Mountain, Sheep Horses, Headaddresses, Black Legs, Skunkberry, Unafraid of Death, Scout Dogs, Kiowa Bone Strikers, and Omaha, as well as past and present women's groups. Two dozen illustrations depict personages and ceremonies, and an appendix provides membership rosters from the late 1800s. The most comprehensive description ever published on Kiowa military societies, this work is unmatched by previous studies in its level of detail and depth of scholarship. It demonstrates the evolution of these groups within the larger context of American Indian history and anthropology while documenting and preserving tribal traditions.

The Sword of the Lady S. M. Stirling, 2009-08-25. This new novel of the Change is quite probably the finest by an author who has been growing in skill and imagination for more than twenty-five years. Booklist Starred Review. Rudi Mackenzie has journeyed long and far across the land that was once the United States of America, seeking the shore where the sun rises, hoping to find the source of the world-altering event that has come to be known as the Change. His quest ends in Nantucket, an island overrun with forest, inhabited by a mere two hundred people who claim to have been transported there from out of time. Only one odd stone house remains standing. Within it, Rudi finds a beautifully made sword seemingly waiting for him. And once he takes it up, nothing for Rudi or for the world that he knows will ever be the same.
